Real Estate Mortgage Investment Conduits (REMICs) Reporting Information

(And Other Collateralized Debt Obligations (CDOs))

Get forms and other information
faster and easier by
Internet at IRS.gov

Introduction

Section references are to the Internal Revenue Code unless otherwise noted.

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDOs). The directory for each calendar quarter is based on information submitted to the IRS during that quarter.

For each quarter, there is a directory of new REMICs and CDOs and, if required, a section containing amended listings. You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs. The update for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

Publication 938 is only available on the Internet. To get Publication 938, including prior issues, visit IRS.gov.

Future developments. The IRS has created a page on IRS.gov that includes information about Publication 938 at www.irs.gov/pub938. Information about any future developments affecting Publication 938 (such as legislation enacted after we release it) will be posted on that page.

Other information. Publication 550, Investment Income and Expenses, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G and the regulations issued under those sections.

Who May Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

1. Any broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.
2. A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.
3. The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee.
 - a. A corporation.
 - b. A fiscal year taxpayer.
 - c. A dealer in securities or commodities required to register as such under the laws of the United States or a state.
 - d. A real estate investment trust (as defined in section 856).

- e. An entity registered at all times during the tax year under the Investment Company Act of 1940.
- f. A common trust fund (as defined in section 584(a)).
- g. A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association, credit union, industrial loan association or bank, or other similar organization.
- h. Any trust that is exempt from tax under section 664(c) (a charitable remainder annuity trust or a charitable remainder unitrust).
- i. A REMIC.

Note. A person listed in (3) above who holds an interest through a nominee (instead of

directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below for requesting information from the representative.

How To Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request information from the representative or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- The 30th day after the close of the calendar quarter for which you request the information, or
- The 14th day after the receipt of your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information (for example, a webpage), or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.

How To Get Tax Help

Go online, use a smart phone, call or walk in to an office near you. Whether it's help with a tax issue, preparing your tax return or picking up a free publication or form, get the help you need the way you want it.

Free help with your tax return.

Free help in preparing your return is available nationwide from IRS-certified volunteers. The Volunteer Income Tax Assistance (VITA) program is designed to help low-to-moderate income, elderly, persons with disabilities, and limited English proficient taxpayers. The Tax Counseling for the Elderly (TCE) program is designed to assist taxpayers age 60 and older with their tax returns. Most VITA and TCE sites offer free electronic filing and all volunteers will let you know about credits and deductions you may be entitled to claim. Some VITA and TCE sites provide taxpayers the opportunity to prepare their return with the assistance of an IRS-certified volunteer. To find the nearest VITA or TCE site, visit IRS.gov or call 1-800-906-9887.

As part of the TCE program, AARP offers the Tax-Aide counseling program. To find the nearest AARP Tax-Aide site, visit AARP's website at www.aarp.org/money/taxaide or call 1-888-227-7669.

For more information on these programs, go to IRS.gov and enter "VITA" in the search box.

Internet. IRS.gov and IRS2Go are ready when you are — every day, every night, 24 hours a day, 7 days a week.

- Apply for an Employer Identification Number (EIN). Go to IRS.gov and enter [Apply for an EIN](#) in the search box.
- Request an Electronic Filing PIN by going to IRS.gov and entering [Electronic Filing PIN](#) in the search box.
- Check the status of your 2013 refund with [Where's My Refund?](#) Go to IRS.gov or the IRS2Go app, and click on [Where's My Refund?](#) You'll get a personalized refund date as soon as the IRS processes your tax return and approves your refund. If you *e-file*, your refund status is usually available within 24 hours after the IRS receives your tax return or 4 weeks after you've mailed a paper return.
- Checking the status of your amended return. Go to

IRS.gov and enter [Where's My Amended Return](#) in the search box.

- Download forms, instructions, and publications, including some accessible versions.
- Order free transcripts of your tax returns or tax account using the [Order a Transcript](#) tool on IRS.gov or IRS2Go. Tax return and tax account transcripts are generally available for the current year and past three years.

The Taxpayer Advocate Service Is Here to Help You. The Taxpayer Advocate Service (TAS) is your voice at the IRS. Our job is to ensure that every taxpayer is treated fairly and that you know and understand your rights.

What can TAS do for you? We can offer you free help with IRS problems that you can't resolve on your own. We know this process can be confusing, but *the worst thing you can do is nothing at all!*

TAS can help if you can't resolve your tax problem and:

- Your problem is causing financial difficulties for you, your family, or your business.
- You face (or your business is facing) an immediate threat of adverse action.
- You've tried repeatedly to contact the IRS but no one has responded, or the IRS hasn't responded by the date promised.

If you qualify for our help, you'll be assigned to one advocate who'll be with you at every turn and will do everything possible to resolve your problem. Here's why we can help:

- TAS is an independent organization within the IRS. Our advocates know how to work with the IRS.
- Our services are free and tailored to meet your needs.
- We have offices in every state, the District of Columbia, and Puerto Rico.

How can you reach us? If you think TAS can help you, call your

local advocate, whose number is in your local directory and at www.irs.gov/advocate, or call us toll-free at 1-877-777-4778.

How else does TAS help taxpayers? TAS also works to resolve large-scale, systemic problems that affect many taxpayers. If you know of one of these broad issues, please report it to us through our Systemic Advocacy Management System at www.irs.gov/sams.

Low Income Taxpayer Clinics. Low Income Taxpayer Clinics (LITCs) serve individuals whose income is below a certain level and need to resolve tax problems such as audits, appeals, and tax collection disputes. Some clinics can provide information about taxpayer rights and responsibilities in different languages for individuals who speak English as a second language. Visit www.TaxpayerAdvocate.irs.gov or see IRS Publication 4134, *Low Income Taxpayer Clinic List*.
