

1  
00:00:00,150 --> 00:00:05,100  
Sarah Foss: From the Alex Trebek  
stage at Sony Pictures Studios, this

2  
00:00:05,160 --> 00:00:07,890  
Music: is Inside Jeopardy!.

3  
00:00:08,370 --> 00:00:11,160  
Sarah Foss: Hello and welcome back to  
Inside Jeopardy!, your exclusive and

4  
00:00:11,560 --> 00:00:15,660  
official podcast destination for all  
things happening in the world of Jeopardy!.

5  
00:00:15,660 --> 00:00:18,750  
I'm Sarah Foss and I'm  
joined today by a feet up.

6  
00:00:19,314 --> 00:00:20,455  
Buzzy Cohen.

7  
00:00:20,544 --> 00:00:23,485  
Buzzy Cohen: I'm just living large  
here in the inside Jeopardy! studio.

8  
00:00:23,485 --> 00:00:24,115  
Sarah Foss: Oh my goodness.

9  
00:00:24,115 --> 00:00:24,445  
You are.

10  
00:00:24,445 --> 00:00:25,674  
I wish you guys could see it.

11  
00:00:25,735 --> 00:00:28,585  
You know, impeccable loafers  
and fashionable socks.

12  
00:00:28,585 --> 00:00:30,205  
But he's got his feet up in the pod today.

13

00:00:30,205 --> 00:00:30,445  
I'll put

14

00:00:30,715 --> 00:00:30,796

,

Buzzy Cohen: em down.

15

00:00:30,801 --> 00:00:32,545

I feel like I'm making  
people uncomfortable.

16

00:00:32,604 --> 00:00:33,355

Oh, no,

17

00:00:33,595 --> 00:00:33,835

Sarah Foss: no.

18

00:00:33,840 --> 00:00:35,275

Feel comfortable, feel relaxed.

19

00:00:35,275 --> 00:00:37,105

We want that to be how people feel.

20

00:00:37,605 --> 00:00:38,865

When they're listening to the pod,

21

00:00:38,865 --> 00:00:42,375

Buzzy Cohen: you know, Jeopardy! is such an  
intense on the edge of your seat as we'll

22

00:00:42,375 --> 00:00:44,055

get into in these games for this week.

23

00:00:44,055 --> 00:00:47,535

And I think that when people  
come to Inside Jeopardy!, it

24

00:00:47,535 --> 00:00:48,885

should feel like a warm hug.

25

00:00:49,035 --> 00:00:53,055

I want them to feel like, okay, we're gonna recap the games, but you're gonna

26

00:00:53,060 --> 00:00:55,065  
be comfortable whose hug is warmer.

27

00:00:55,245 --> 00:00:56,115  
It's a safe place.

28

00:00:56,445 --> 00:00:57,465  
It's obviously yours.

29

00:00:57,465 --> 00:00:59,025  
I'm like the neurotic one here.

30

00:00:59,025 --> 00:00:59,505  
No,

31

00:00:59,505 --> 00:01:01,995  
Sarah Foss: I think you offer a very warm pod hug.

32

00:01:01,995 --> 00:01:02,355  
Okay.

33

00:01:02,505 --> 00:01:02,715  
Right.

34

00:01:02,715 --> 00:01:06,585  
Well you know who else is offering hugs in the world of Jeopardy!knowledge.

35

00:01:07,635 --> 00:01:09,705  
It's our champions.

36

00:01:09,710 --> 00:01:09,855  
Yes.

37

00:01:09,855 --> 00:01:11,655  
You know, we talk about it all the time.

38

00:01:11,925 --> 00:01:13,605  
How can you prepare for Jeopardy?

39  
00:01:13,605 --> 00:01:15,105  
Is there a study guide?

40  
00:01:15,105 --> 00:01:16,485  
You hear it over and over again?

41  
00:01:16,485 --> 00:01:16,785  
Well,

42  
00:01:16,815 --> 00:01:18,765  
Buzzy Cohen: just this week  
somebody said, did they tell

43  
00:01:18,765 --> 00:01:19,875  
you what categories to study?

44  
00:01:19,875 --> 00:01:22,515  
And I don't know how  
that rumor got started.

45  
00:01:22,520 --> 00:01:22,985  
How does it, how

46  
00:01:22,985 --> 00:01:24,165  
Sarah Foss: does it still happen?

47  
00:01:24,165 --> 00:01:24,795  
Still happens.

48  
00:01:24,795 --> 00:01:25,455  
Drives me crazy.

49  
00:01:25,485 --> 00:01:28,485  
There's no study guide people in  
case you haven't heard, but you

50  
00:01:28,485 --> 00:01:30,135  
know, you've offered your tips.

51

00:01:30,165 --> 00:01:30,225  
Yeah.

52

00:01:30,225 --> 00:01:34,185  
Ken has offered tips and now a few of  
our Jeopardy! alumni have put together

53

00:01:34,185 --> 00:01:36,225  
a resource to help David Mayberry.

54

00:01:36,915 --> 00:01:38,955  
Season 37 has created a guide.

55

00:01:38,955 --> 00:01:42,345  
It's called The Call, and he's  
gathered some good voices.

56

00:01:42,345 --> 00:01:43,455  
Erica Ahasic.

57

00:01:43,605 --> 00:01:43,695  
Mm-hmm.

58

00:01:44,315 --> 00:01:48,285  
T o c from this year, cortado  
Brian Chang and John Folk from

59

00:01:48,290 --> 00:01:50,925  
this recent t o Verlinda Henning.

60

00:01:50,930 --> 00:01:52,005  
Zachary Newkirk.

61

00:01:52,065 --> 00:01:53,235  
Also from the T o c.

62

00:01:53,235 --> 00:01:55,095  
Mattea Roach from Masters.

63

00:01:55,545 --> 00:01:56,385  
Courtney Shaw.

64  
00:01:56,390 --> 00:02:00,825  
She broke that streak a couple seasons ago when we had no streaking champions.

65  
00:02:00,885 --> 00:02:00,975  
Mm-hmm.

66  
00:02:01,215 --> 00:02:04,355  
Sean Sweeney, Rowan Ward, Cindy Zhang, so many of.

67  
00:02:05,119 --> 00:02:07,880  
Contributing about their unique experiences, preparing for the show.

68  
00:02:08,389 --> 00:02:12,440  
And if you've received the call, this could be where you

69  
00:02:12,440 --> 00:02:14,510  
go now to get your answers.

70  
00:02:14,570 --> 00:02:14,870  
I love

71  
00:02:14,875 --> 00:02:15,109  
Buzzy Cohen: that.

72  
00:02:15,109 --> 00:02:17,160  
And nobody knows what it's like to be on the stage.

73  
00:02:17,580 --> 00:02:19,020  
Better than past contestants.

74  
00:02:19,020 --> 00:02:23,700  
So if you head over to the buzzer blog, you will see some really great material

75  
00:02:23,700 --> 00:02:24,780  
from the people who know it past.

76

00:02:24,900 --> 00:02:28,440  
David actually explained that this  
is a living document he wrote.

77

00:02:28,560 --> 00:02:31,230  
Just because you weren't in  
the first edition doesn't

78

00:02:31,230 --> 00:02:32,130  
mean we wanna leave you out.

79

00:02:32,400 --> 00:02:34,260  
Reach out to us to add your wisdom.

80

00:02:34,265 --> 00:02:37,380  
I think you might be, uh, looking  
to Chris Pineo and some of our other

81

00:02:37,380 --> 00:02:39,150  
recent champs maybe to contribute.

82

00:02:39,330 --> 00:02:39,720  
Yes, and it

83

00:02:39,720 --> 00:02:42,990  
Sarah Foss: was a great read and I think  
anyone who is preparing to be on the show,

84

00:02:43,445 --> 00:02:46,924  
Is looking for any way to add to their  
prep list and I think just fans of the

85

00:02:46,924 --> 00:02:49,295  
show wanna know, like what do people do?

86

00:02:49,445 --> 00:02:51,755  
You get the call, like, what do you do?

87

00:02:52,265 --> 00:02:53,195  
What did you do, Buzzy?

88

00:02:53,555 --> 00:02:53,704  
Oh,

89

00:02:53,704 --> 00:02:54,245  
Buzzy Cohen: I did a lot.

90

00:02:54,565 --> 00:02:57,185  
I mean, the first time I got the call I probably didn't do as much as I should.

91

00:02:57,185 --> 00:03:01,535  
I watched the show with the clicker in my finger, you know that classic Yes.

92

00:03:01,535 --> 00:03:02,345  
Preparation.

93

00:03:02,584 --> 00:03:06,185  
I actually do not have a TiVo, still don't have a TiVo kind of recorder,

94

00:03:06,185 --> 00:03:07,445  
so I would have to go to a friends'.

95

00:03:07,545 --> 00:03:08,774  
To make sure I love it.

96

00:03:08,804 --> 00:03:11,024  
With your toilet paper holder, or, I didn't do the toilet.

97

00:03:11,024 --> 00:03:15,434  
I had the, the pen from the audition, you know the, the pen with the red top?

98

00:03:15,734 --> 00:03:15,855  
Oh yeah.

99

00:03:15,859 --> 00:03:16,755  
That they used to give to us.

100

00:03:16,755 --> 00:03:16,875  
Yes.

101  
00:03:16,875 --> 00:03:17,834  
That was like the clicker pen.

102  
00:03:17,894 --> 00:03:18,584  
The clicker pen.

103  
00:03:18,855 --> 00:03:24,464  
Um, but as you know, as time went on,  
my preparation got much more intense.

104  
00:03:24,470 --> 00:03:25,484  
I went to the gym.

105  
00:03:25,484 --> 00:03:29,415  
I was getting quizzed while  
hanging from a chinup bar.

106  
00:03:29,415 --> 00:03:31,334  
I was doing buzzer practice.

107  
00:03:31,610 --> 00:03:36,110  
Was borrowing reaction  
time drills from the nfl.

108  
00:03:36,290 --> 00:03:36,710  
Yes.

109  
00:03:36,710 --> 00:03:37,640  
Because it's a similar thing.

110  
00:03:37,640 --> 00:03:37,940  
Right?

111  
00:03:38,090 --> 00:03:39,260  
Nfl, false start.

112  
00:03:39,260 --> 00:03:40,580  
We have a false start in jeopardy.

113  
00:03:40,580 --> 00:03:40,970  
Absolutely.

114  
00:03:40,970 --> 00:03:41,360  
So, yeah.

115  
00:03:41,690 --> 00:03:43,370  
Sarah Foss: Anyway,  
that's signaling device.

116  
00:03:43,560 --> 00:03:44,930  
Very, very sensitive.

117  
00:03:45,020 --> 00:03:45,530  
Yes.

118  
00:03:46,370 --> 00:03:47,060  
Buzz in too late.

119  
00:03:47,180 --> 00:03:47,660  
Locked out.

120  
00:03:47,780 --> 00:03:48,380  
Buzz in too early.

121  
00:03:48,380 --> 00:03:48,830  
Locked out.

122  
00:03:48,980 --> 00:03:49,250  
Buzzy Cohen: Yep.

123  
00:03:49,280 --> 00:03:49,850  
It's where you gotta

124  
00:03:49,850 --> 00:03:49,910  
Sarah Foss: be.

125  
00:03:49,910 --> 00:03:50,540  
Right on that line.

126

00:03:50,600 --> 00:03:50,970  
Right on the line.

127  
00:03:51,345 --> 00:03:51,945  
And something else.

128  
00:03:51,945 --> 00:03:56,565  
We got a first glimpse of this  
past week were our Jeopardy

129  
00:03:56,565 --> 00:03:59,385  
masters on the Alex Trebek stage.

130  
00:03:59,385 --> 00:04:00,135  
You may have seen it.

131  
00:04:00,135 --> 00:04:04,845  
Our social and digital team shared two new  
promos game faces for our primetime event.

132  
00:04:04,875 --> 00:04:05,144  
Oh yeah.

133  
00:04:05,144 --> 00:04:05,954  
It's game faces.

134  
00:04:05,959 --> 00:04:09,704  
This was captured on, we had  
like a press and promo day.

135  
00:04:09,709 --> 00:04:09,825  
Mm-hmm.

136  
00:04:09,910 --> 00:04:11,174  
Before they started recording.

137  
00:04:11,480 --> 00:04:16,399  
We captured all this footage on a red  
camera, so it's really high quality 4k.

138  
00:04:16,789 --> 00:04:20,990  
It's shot in slow motion and we

speed it up, so it's super dramatic.

139

00:04:21,260 --> 00:04:24,500

Um, it'll be also featured in some of the footage for the main titles

140

00:04:24,500 --> 00:04:26,900

and the opens leading into masters.

141

00:04:26,900 --> 00:04:30,620

So a little sneak peak and people have been pointing out sneak peak of.

142

00:04:31,090 --> 00:04:32,590

Some new set changes.

143

00:04:32,680 --> 00:04:32,920

Mm-hmm.

144

00:04:33,190 --> 00:04:37,270

You know, it's not a completely new set, but there were some enhancements that

145

00:04:37,270 --> 00:04:40,170

we added to really a little . Yeah.

146

00:04:40,270 --> 00:04:41,140

Little primetime.

147

00:04:41,145 --> 00:04:44,210

JH to give it that Master's Prime baby primetime feeling.

148

00:04:44,789 --> 00:04:50,940

The key art, the, the poster for masters also was released last week and it's

149

00:04:50,940 --> 00:04:53,489

got, you know, Ken and the six masters.

150

00:04:53,700 --> 00:04:56,430

They're standing in front of what

we're calling the mega board.

151

00:04:56,435 --> 00:05:00,690

It's a clue board that just keeps going with categories and clues.

152

00:05:00,750 --> 00:05:02,429

It seems to go on forever.

153

00:05:02,490 --> 00:05:04,469

Little Easter egg about that.

154

00:05:04,979 --> 00:05:06,630

Every clue and category.

155

00:05:06,975 --> 00:05:11,805

Is something, one of our six masters plate in a previous appearance.

156

00:05:11,835 --> 00:05:11,865

Mm.

157

00:05:12,105 --> 00:05:13,275

So keep an eye out for that.

158

00:05:13,275 --> 00:05:15,975

Whenever you see the mega board featured on the show, the

159

00:05:15,975 --> 00:05:18,615

poster says six all time greats.

160

00:05:18,855 --> 00:05:20,625

One incredible tournament.

161

00:05:20,775 --> 00:05:22,285

Jeopardy Masters.

162

00:05:23,055 --> 00:05:26,085

One of the Masters was quick to comment on that one.

163

00:05:26,085 --> 00:05:27,105

James Hauer.

164

00:05:27,435 --> 00:05:32,565

He says, this poster screams, we know  
you saw this tournament last year, but a.

165

00:05:32,775 --> 00:05:37,905

Super villain has joined the cast  
for the sequel and I am here for it.

166

00:05:37,935 --> 00:05:42,255

James is gonna, James people have  
even been listening to the promo

167

00:05:42,435 --> 00:05:44,114

and listening for the music.

168

00:05:44,265 --> 00:05:44,804

I did see that.

169

00:05:44,804 --> 00:05:48,135

To hear how it has changed  
and how it is similar.

170

00:05:48,375 --> 00:05:51,164

I'm gonna make sure we play  
that music coming up on the pod.

171

00:05:51,164 --> 00:05:53,474

I want people to hear the  
new music premiered here.

172

00:05:53,920 --> 00:05:56,020

Right here on the pod, this is  
where we drop all the good stuff.

173

00:05:56,050 --> 00:06:00,550

It's good and we can dance along to  
the beat, but it's just fun to see

174

00:06:00,550 --> 00:06:05,320

these reveals for masters, I think the excitement is, is growing and every time

175

00:06:05,320 --> 00:06:10,180  
you get to see a new part, you know, a little piece of the onion peeled back.

176

00:06:10,240 --> 00:06:10,330  
Mm-hmm.

177

00:06:10,570 --> 00:06:11,380  
We're getting close.

178

00:06:11,385 --> 00:06:12,039  
May 8th.

179

00:06:12,295 --> 00:06:13,465  
Only a few weeks away.

180

00:06:13,465 --> 00:06:15,325  
So more will happen.

181

00:06:15,325 --> 00:06:18,535  
More will come, but right now we have to get into the gameplay.

182

00:06:19,035 --> 00:06:19,795  
Exciting week of games.

183

00:06:19,795 --> 00:06:21,025  
So cue those beep boos.

184

00:06:26,335 --> 00:06:29,245  
Well, we kicked off the week with returning champion Rachel Clark,

185

00:06:29,245 --> 00:06:31,135  
facing PJ Brennan and Robbie

186

00:06:31,140 --> 00:06:31,705  
Buzzy Cohen: Ramirez.

187

00:06:32,035 --> 00:06:37,165

This was a very classic Monday start  
where Rachel came outta the gate with

188

00:06:37,395 --> 00:06:39,385

a small lead after the jeopardy round.

189

00:06:39,505 --> 00:06:41,515

I think that's not  
uncommon, especially you.

190

00:06:42,435 --> 00:06:47,265

She has been on set already for a whole  
day and a little more comfortable.

191

00:06:47,474 --> 00:06:47,685

Sarah Foss: Yeah.

192

00:06:47,685 --> 00:06:49,174

And you're coming in as the champion.

193

00:06:49,174 --> 00:06:49,664

You're champion.

194

00:06:49,664 --> 00:06:50,895

You're like, I got this.

195

00:06:50,924 --> 00:06:53,414

Buzzy Cohen: You think like, oh,  
well everybody comes into the, you

196

00:06:53,414 --> 00:06:55,965

know, not everybody, every champion  
comes into the game as a champion.

197

00:06:55,965 --> 00:06:57,974

But the difference is  
that morning briefing.

198

00:06:58,155 --> 00:06:58,305

Yes.

199

00:06:58,305 --> 00:07:01,305

You are introduced to  
the room as the champion.

200

00:07:01,310 --> 00:07:01,335

Yes.

201

00:07:01,335 --> 00:07:01,734

And that.

202

00:07:02,220 --> 00:07:03,080

Is a good feeling.

203

00:07:03,080 --> 00:07:03,710

That's like some

204

00:07:03,710 --> 00:07:05,150

Sarah Foss: Jeopardy  
street cred right there.

205

00:07:05,150 --> 00:07:05,540

Exactly.

206

00:07:05,720 --> 00:07:09,170

In each of the first shows on a  
tape day, Ken or Myam will come

207

00:07:09,170 --> 00:07:12,110

out to the audience halfway through  
the jeopardy round and say hello.

208

00:07:12,110 --> 00:07:14,540

That's the first commercial break  
and the first chance to say hello.

209

00:07:14,750 --> 00:07:19,340

So during this break, an audience  
member asked Ken about the clue crew.

210

00:07:19,400 --> 00:07:24,970

Yes, Ken says, we hope to do more  
remote clues, but it won't be plucky.

211

00:07:24,975 --> 00:07:27,290

Young people driving  
around in a Scooby-Doo.

212

00:07:28,200 --> 00:07:29,670

I guess that's what Ken thinks of me.

213

00:07:30,000 --> 00:07:34,530

I was a plucky young person at one  
point and we did drive around in

214

00:07:34,530 --> 00:07:36,480

a brain bus for a period of time.

215

00:07:36,510 --> 00:07:36,630

Oh God.

216

00:07:36,630 --> 00:07:41,130

I dunno if anyone remembers the brain  
bus, but it had Alex's image and the

217

00:07:41,130 --> 00:07:43,110

clue crew images on the side of it.

218

00:07:43,110 --> 00:07:45,780

It was like a Winnebago  
that we wrapped, oh my god.

219

00:07:45,810 --> 00:07:48,600

Jeopardy, you know, photos and imagery.

220

00:07:48,600 --> 00:07:52,770

And then we would do contestant  
searches and live events around

221

00:07:52,770 --> 00:07:56,370

the country with the brain bus  
and we wouldn't actually drive it.

222

00:07:57,090 --> 00:08:00,480

Coast to coast, we would fly to a

city and then we would sometimes hop

223

00:08:00,480 --> 00:08:03,599  
in the brain bus and drive from the  
hotel to the venue and come out like,

224

00:08:03,990 --> 00:08:05,580  
you know, a clown car of jeopardy,

225

00:08:05,580 --> 00:08:06,060  
Buzzy Cohen: folks.

226

00:08:06,060 --> 00:08:06,990  
But I have a question.

227

00:08:07,050 --> 00:08:07,469  
Yes.

228

00:08:07,500 --> 00:08:11,159  
Is the brain bus like the Pope Mobile  
where it's like there isn't one, it's

229

00:08:11,159 --> 00:08:12,690  
like there's one everywhere you go.

230

00:08:12,719 --> 00:08:12,870  
Oh

231

00:08:12,875 --> 00:08:13,830  
Sarah Foss: no, we only had one.

232

00:08:13,835 --> 00:08:14,320  
You only had one.

233

00:08:14,325 --> 00:08:17,250  
And we had this awesome driver  
named Steve, and he would head

234

00:08:17,250 --> 00:08:18,599  
out to whatever the destination.

235

00:08:19,005 --> 00:08:22,695  
You know, week in advance cuz he  
had to drive the brain bus across

236  
00:08:22,695 --> 00:08:24,405  
the country wherever we were headed.

237  
00:08:24,675 --> 00:08:26,205  
And he would have such fun stories.

238  
00:08:26,205 --> 00:08:27,315  
He'd stop at a gas station.

239  
00:08:27,320 --> 00:08:30,495  
Of course everyone's like,  
is Alex Rebecca in there?

240  
00:08:30,495 --> 00:08:34,544  
And you know, sometimes he'd lie  
and say yes, but I don't think Alex

241  
00:08:34,544 --> 00:08:36,225  
ever did get on the actual bus.

242  
00:08:36,855 --> 00:08:37,934  
There were parades.

243  
00:08:38,150 --> 00:08:42,440  
We would take the bus to, you  
know, festivals and parades and

244  
00:08:42,650 --> 00:08:45,470  
we'd walk outside the bus waving  
and the bus would come down.

245  
00:08:45,470 --> 00:08:49,940  
And we had one employee grant  
loud who somewhat resembled Alex.

246  
00:08:50,030 --> 00:08:50,120  
Mm-hmm.

247

00:08:50,360 --> 00:08:53,510  
So there were times where he'd sit in  
the passenger seat of the bus and wave.

248  
00:08:53,540 --> 00:08:55,580  
He wasn't saying he was Alex, but.

249  
00:08:55,955 --> 00:08:59,465  
People certainly believe that they  
saw out some photos in that parade.

250  
00:08:59,465 --> 00:09:01,325  
So good memories, Ken.

251  
00:09:01,325 --> 00:09:05,165  
Yeah, it wasn't a Scooby-Doo van and  
I, it was a brain bus, and he's right.

252  
00:09:05,165 --> 00:09:08,765  
You know, Ken, like Alex would  
love to get out on the road and do

253  
00:09:08,770 --> 00:09:10,295  
some of those remote clue shoots.

254  
00:09:10,295 --> 00:09:13,655  
It was always so special when  
Alex was hosting to see him.

255  
00:09:14,165 --> 00:09:14,660  
In the wild.

256  
00:09:14,660 --> 00:09:15,180  
Mm-hmm.

257  
00:09:15,265 --> 00:09:16,080  
Presenting clues.

258  
00:09:16,080 --> 00:09:17,670  
So we hope to make that happen.

259  
00:09:18,150 --> 00:09:19,980

Um, but we'll see what happens.

260

00:09:20,040 --> 00:09:20,520

And I do

261

00:09:20,520 --> 00:09:22,800

Buzzy Cohen: want to bring up the other podcast that we're working on.

262

00:09:22,800 --> 00:09:27,990

This is Jeopardy is going to have an entire deep dive clue Crew episode.

263

00:09:27,990 --> 00:09:31,350

So if you love hearing these stories, which I do, we're gonna take you

264

00:09:31,350 --> 00:09:33,360

even further back to this game.

265

00:09:33,360 --> 00:09:34,200

However, back to this game.

266

00:09:34,200 --> 00:09:34,980

Sarah Foss: Double jeopardy.

267

00:09:35,010 --> 00:09:36,360

Buzzy Cohen: Double jeopardy rock.

268

00:09:36,450 --> 00:09:36,750

Yeah.

269

00:09:36,755 --> 00:09:37,260

Took over.

270

00:09:37,370 --> 00:09:38,220

Took over.

271

00:09:38,220 --> 00:09:38,370

I.

272

00:09:38,814 --> 00:09:42,535  
Almost double the, uh,  
PJ's second place score.

273  
00:09:42,535 --> 00:09:47,824  
He had finished the double jeopardy  
round with 22,412 correct responses?

274  
00:09:47,829 --> 00:09:49,385  
No incorrect responses.

275  
00:09:49,390 --> 00:09:53,125  
Nobody had an incorrect  
response in that double jeopardy

276  
00:09:53,125 --> 00:09:54,084  
round, which I always love.

277  
00:09:54,175 --> 00:09:54,385  
I do

278  
00:09:54,385 --> 00:09:54,655  
Sarah Foss: too.

279  
00:09:54,655 --> 00:09:58,704  
And we had the quantum science  
category in honor of World

280  
00:09:58,709 --> 00:10:00,625  
Quantum Day, which is April 14th.

281  
00:10:00,685 --> 00:10:01,314  
Yeah, of course.

282  
00:10:01,344 --> 00:10:04,855  
And Spiros, who we actually  
went to Caltech to shoot with.

283  
00:10:05,485 --> 00:10:06,084  
He.

284  
00:10:06,985 --> 00:10:10,135

The quantum God, I have learned  
he has been a scientific

285

00:10:10,135 --> 00:10:12,115  
consultant on Ant Man, on Dr.

286

00:10:12,115 --> 00:10:15,564  
Strange, on Captain Marvel,  
on Avengers endgame.

287

00:10:15,655 --> 00:10:19,765  
He actually coined the  
phrase quantum realm.

288

00:10:20,115 --> 00:10:21,585  
Like he came up with that.

289

00:10:21,590 --> 00:10:21,655  
Wow.

290

00:10:21,660 --> 00:10:21,675  
Wow.

291

00:10:21,675 --> 00:10:24,285  
And now it's been used  
in multiple Marvel films.

292

00:10:24,705 --> 00:10:26,595  
So shooting with him was a lot of fun.

293

00:10:26,595 --> 00:10:28,305  
He couldn't have been nicer.

294

00:10:28,665 --> 00:10:32,355  
And it was really fun to just  
see him speak quantum physics.

295

00:10:32,385 --> 00:10:32,445  
Yeah.

296

00:10:32,475 --> 00:10:33,945  
Like it just rolls off his tongue.

297

00:10:33,975 --> 00:10:34,185

Yeah.

298

00:10:34,245 --> 00:10:36,105

Buzzy Cohen: Well, I have a great story about Werner Heisenberg.

299

00:10:36,165 --> 00:10:40,515

In spite of being just a scientist, he drove a red Ferrari and he

300

00:10:40,515 --> 00:10:41,745

was driving, he got pulled.

301

00:10:42,584 --> 00:10:46,125

By the police and the police officer pulls him over and gets out of his

302

00:10:46,125 --> 00:10:49,755

car and he goes, excuse me sir, do you know how fast you were going?

303

00:10:49,814 --> 00:10:52,635

And er, Heisenberg said, no, but I know where I am.

304

00:10:54,435 --> 00:10:56,145

That's my quantum physics joke.

305

00:10:56,145 --> 00:10:56,895

I set that up.

306

00:10:56,954 --> 00:10:57,074

Good.

307

00:10:57,194 --> 00:10:58,094

That was really good.

308

00:10:58,245 --> 00:10:58,635

Sarah Foss: Thank you.

309

00:10:58,694 --> 00:11:02,655

Well, final jeopardy Buzzy was one that we both know and love.

310

00:11:03,245 --> 00:11:03,855

Category famous.

311

00:11:04,935 --> 00:11:10,185

In 1966, the year of his death, he shared plans for an experimental

312

00:11:10,185 --> 00:11:13,425

prototype community in Florida.

313

00:11:13,485 --> 00:11:15,555

Buzzy Cohen: Was it a community of yesterday?

314

00:11:15,675 --> 00:11:19,694

No, it was an experimental prototype community of tomorrow.

315

00:11:19,694 --> 00:11:19,696

Tomorrow

316

00:11:20,745 --> 00:11:22,574

Sarah Foss: is, who is Walt Disney?

317

00:11:22,574 --> 00:11:24,855

All three of our contestants knew it, but.

318

00:11:25,470 --> 00:11:26,760

Robbie had the lead.

319

00:11:26,760 --> 00:11:28,830

So he had to get final, correct?

320

00:11:28,830 --> 00:11:29,580

He did.

321

00:11:30,090 --> 00:11:35,340

And he moves on to Tuesday to go up  
against Mark such and Kat Jepson.

322

00:11:35,670 --> 00:11:37,440  
Buzzy Cohen: Robbie finished a  
jeopardy round with the lead,

323

00:11:37,440 --> 00:11:39,450  
but Kat was right on his tail.

324

00:11:39,600 --> 00:11:39,990  
Sarah Foss: Yeah.

325

00:11:39,990 --> 00:11:44,040  
And in double jeopardy, Kat found both the  
daily doubles early in the round, scoring

326

00:11:44,040 --> 00:11:50,880  
a total of \$8,000 on her way to a big but  
not insurmountable lead going into final.

327

00:11:50,880 --> 00:11:51,210  
And this

328

00:11:51,210 --> 00:11:51,840  
Buzzy Cohen: was a final.

329

00:11:52,354 --> 00:11:54,395  
Everybody missed this one.

330

00:11:54,425 --> 00:11:55,925  
Tricky Nobel Prize winner.

331

00:11:55,984 --> 00:11:58,564  
I gotta say, if you're gonna  
come on the show, the Nobel.

332

00:11:59,490 --> 00:12:00,839  
Especially for peace.

333

00:12:01,110 --> 00:12:02,160  
Good one to study.

334  
00:12:02,370 --> 00:12:02,790  
Sure.

335  
00:12:02,790 --> 00:12:05,010  
Sarah Foss: So the clue  
category you just mentioned.

336  
00:12:05,040 --> 00:12:06,540  
Nobel Peace Prize winners.

337  
00:12:06,540 --> 00:12:11,760  
At times they each lived on Villa  
CZI Street in Soweto, so it claims to

338  
00:12:11,765 --> 00:12:14,370  
be the world's only street home to.

339  
00:12:14,505 --> 00:12:19,905  
Two Nobel Peace Prize winners always  
difficult when we need two names.

340  
00:12:19,995 --> 00:12:24,855  
Mark and Kat were able to come up with  
Mandela, but none of our contestants

341  
00:12:24,860 --> 00:12:27,165  
was able to come up with Desmond Tutu.

342  
00:12:27,615 --> 00:12:29,985  
I have to say, we actually went to Soweto.

343  
00:12:29,990 --> 00:12:30,305  
Mm-hmm.

344  
00:12:30,390 --> 00:12:34,875  
With the clue crew and we shot a very  
similar clue on Villa Czi Street.

345  
00:12:34,905 --> 00:12:35,415  
Buzzy Cohen: Wow.

346  
00:12:35,415 --> 00:12:39,975  
I have a good friend who is, her family's  
South African, her last name is Villa

347  
00:12:39,975 --> 00:12:41,595  
Czi, and her uncle was actually in.

348  
00:12:42,255 --> 00:12:44,444  
With no Nelson Mandela on Robin Island.

349  
00:12:44,444 --> 00:12:44,625  
Yeah.

350  
00:12:45,540 --> 00:12:46,500  
Sarah Foss: We went there too.

351  
00:12:46,560 --> 00:12:46,860  
Yeah.

352  
00:12:47,010 --> 00:12:49,829  
And I actually did a clue from his cell.

353  
00:12:49,890 --> 00:12:50,280  
Wow.

354  
00:12:50,850 --> 00:12:53,250  
And it was a really moving experience.

355  
00:12:53,550 --> 00:12:57,600  
Back to the clue Cat secures the win  
because she had built that big lead.

356  
00:12:57,630 --> 00:12:57,810  
Yeah.

357  
00:12:57,840 --> 00:13:02,610  
And a small wager in final allowed  
her to go on in the post-game chat.

358  
00:13:02,699 --> 00:13:06,180  
She said, you know, it just

kind of floats outta your brain

359

00:13:06,180 --> 00:13:07,740  
sometimes, the correct responses.

360

00:13:07,740 --> 00:13:11,030  
And Ken actually joked that he  
had an experience of watching

361

00:13:11,035 --> 00:13:12,390  
himself on Jeopardy at home.

362

00:13:12,630 --> 00:13:13,920  
And sometimes when the clue would.

363

00:13:15,030 --> 00:13:18,150  
He didn't know it in the  
moment, but Ken on tv, yes.

364

00:13:18,239 --> 00:13:19,979  
I somehow knew the response.

365

00:13:20,040 --> 00:13:20,829  
I experienced that

366

00:13:20,829 --> 00:13:21,109  
Buzzy Cohen: as well.

367

00:13:21,109 --> 00:13:21,750  
So he experienced that as well?

368

00:13:21,755 --> 00:13:22,079  
Yes.

369

00:13:22,229 --> 00:13:26,939  
Well, Kat took that victory and floated  
into the Wednesday game as a returning

370

00:13:26,944 --> 00:13:28,949  
champion against Laura Caton and Ben

371

00:13:28,949 --> 00:13:29,339  
Sarah Foss: Chan.

372  
00:13:29,609 --> 00:13:29,819  
Yeah.

373  
00:13:29,819 --> 00:13:31,920  
In the jeopardy round it was all Ben Chan.

374  
00:13:31,920 --> 00:13:34,550  
He had 19 correct responses.

375  
00:13:34,555 --> 00:13:35,819  
Only three incorrect.

376  
00:13:35,849 --> 00:13:35,910  
Wow.

377  
00:13:35,910 --> 00:13:40,605  
However, One of those incorrect  
responses was a \$7,000 daily double.

378  
00:13:40,605 --> 00:13:44,925  
So despite having a great round, he  
finished the round with only \$2,400.

379  
00:13:45,315 --> 00:13:48,675  
And when Ben Wagered that  
\$7,000 even Ken exclaimed.

380  
00:13:49,095 --> 00:13:49,635  
Oh wow.

381  
00:13:49,665 --> 00:13:50,445  
That's a lot of money.

382  
00:13:50,445 --> 00:13:50,715  
Ben.

383  
00:13:51,285 --> 00:13:52,635  
Buzzy Cohen: Yeah, I  
enjoyed the interview.

384  
00:13:52,635 --> 00:13:54,105  
As you know, I love the interview section.

385  
00:13:54,255 --> 00:13:59,385  
Ben Beat Ben talked about beating  
Aaron Rodgers, uh, at Pub Trivia

386  
00:13:59,385 --> 00:14:00,585  
and he says that he's legit.

387  
00:14:00,585 --> 00:14:04,365  
And the truth be told, Aaron returned  
the following week and beat Ben.

388  
00:14:04,695 --> 00:14:05,985  
Uh, he joked maybe that can.

389  
00:14:06,490 --> 00:14:07,840  
His fun fact.

390  
00:14:07,960 --> 00:14:11,230  
I find it interesting that Aaron  
is just like going to pub trivia.

391  
00:14:11,290 --> 00:14:14,230  
Sarah Foss: I know we didn't ever  
get an idea of how long ago this

392  
00:14:14,230 --> 00:14:17,590  
happened, so at what point, but at  
what point was his Green Bay lights?

393  
00:14:17,590 --> 00:14:17,950  
Buzzy Cohen: Oh right.

394  
00:14:17,950 --> 00:14:19,750  
He may have been when he  
was the alternate for Brett

395  
00:14:19,750 --> 00:14:20,140  
Sarah Foss: Farr.

396

00:14:20,145 --> 00:14:20,680

Exactly.

397

00:14:20,680 --> 00:14:24,280

I think he could have gone to pub trivia  
a little bit, you know, unrecognized,

398

00:14:24,280 --> 00:14:27,280

or at least even if he was recognized,  
they're like, ah, you're the backup qb.

399

00:14:27,520 --> 00:14:27,640

Right.

400

00:14:27,670 --> 00:14:28,690

How cool can you be?

401

00:14:28,690 --> 00:14:31,330

But yeah, Ben Chan is not gonna  
run into him in Green Bay.

402

00:14:32,055 --> 00:14:33,225

Buzzy Cohen: No he is not.

403

00:14:33,255 --> 00:14:33,435

Mm-hmm.

404

00:14:33,910 --> 00:14:38,324

Well, in double jeopardy it was all  
Ben, once again, I mean, 11 correct.

405

00:14:38,324 --> 00:14:39,135

Responses.

406

00:14:39,375 --> 00:14:39,975

Two correct.

407

00:14:39,975 --> 00:14:40,665

Daily doubles.

408

00:14:40,665 --> 00:14:43,995  
He has a runaway with 17,000.

409  
00:14:44,520 --> 00:14:44,940  
Sarah Foss: Dollars.

410  
00:14:44,970 --> 00:14:45,390  
Yes.

411  
00:14:45,390 --> 00:14:49,020  
And when he did that all in on the  
first daily double, Ken said, oh,

412  
00:14:49,380 --> 00:14:52,140  
not once bitten twice shy at all.

413  
00:14:52,260 --> 00:14:53,340  
It didn't even phase him.

414  
00:14:53,340 --> 00:14:55,320  
He came back with  
another big daily double.

415  
00:14:55,320 --> 00:14:57,480  
This time he was correct in final.

416  
00:14:57,480 --> 00:15:00,000  
Kat was the only one who was  
correct, but Ben already had

417  
00:15:00,005 --> 00:15:02,010  
that runaway interesting thought.

418  
00:15:02,010 --> 00:15:05,460  
Had Ben not had to runaway,  
there's a good chance.

419  
00:15:05,850 --> 00:15:08,430  
He wouldn't even have won  
this gate because he missed

420  
00:15:08,430 --> 00:15:10,080

final and Kat got it correct.

421

00:15:10,470 --> 00:15:13,440  
It was just that final clue of  
double jeopardy that allowed

422

00:15:13,440 --> 00:15:14,910  
Ben to have the runaway.

423

00:15:15,300 --> 00:15:17,940  
I just always find these  
sliding door moments.

424

00:15:18,090 --> 00:15:18,180  
Yes.

425

00:15:18,180 --> 00:15:22,920  
So interesting because he's now  
going to be a one day champion

426

00:15:22,920 --> 00:15:25,530  
going for a second when we know  
he's gonna go on to have some more.

427

00:15:25,995 --> 00:15:27,405  
But it all could have been different.

428

00:15:27,405 --> 00:15:27,735  
Totally.

429

00:15:27,735 --> 00:15:28,935  
One clue could have changed it all.

430

00:15:29,475 --> 00:15:31,935  
Buzzy Cohen: I'm, I'm one of  
those people, everyone, uh, talks

431

00:15:31,935 --> 00:15:33,615  
about my Tuesday, my second game.

432

00:15:33,615 --> 00:15:35,625  
I should have lost to

Jerry Verracu didn't.

433

00:15:35,625 --> 00:15:38,475

And you would be hosting  
Inside Jeopardy with someone

434

00:15:38,475 --> 00:15:38,925

Sarah Foss: else today?

435

00:15:39,165 --> 00:15:39,885

With Jerry?

436

00:15:40,395 --> 00:15:40,695

Yeah.

437

00:15:40,755 --> 00:15:41,505

And not Buzzy.

438

00:15:41,595 --> 00:15:41,745

Well,

439

00:15:41,745 --> 00:15:44,085

Buzzy Cohen: maybe not with Jerry,  
but certainly not with Buzzy.

440

00:15:44,145 --> 00:15:44,895

I can't imagine him.

441

00:15:45,575 --> 00:15:46,775

Well, you're gonna have to imagine it.

442

00:15:46,775 --> 00:15:49,355

Ben does not have to imagine  
what it's like to be a return.

443

00:15:49,355 --> 00:15:49,775

I don't have to

444

00:15:49,775 --> 00:15:51,515

Sarah Foss: imagine it actually,  
cuz you're right here, but yes,

445

00:15:51,605 --> 00:15:51,845

Buzzy Cohen: yes.

446

00:15:51,875 --> 00:15:56,345

Ben is imagining what his second win might look like as he returns to face Peter

447

00:15:56,350 --> 00:15:58,625

early and Liz Jensen in our Thursday game.

448

00:15:58,775 --> 00:16:00,605

Sarah Foss: Yeah, Peter had a good jeopardy round.

449

00:16:00,605 --> 00:16:05,585

He ended with \$6,000, but on the strength of a \$3,400 daily double,

450

00:16:05,885 --> 00:16:10,415

Ben was able to take another strong lead heading into double jeopardy.

451

00:16:10,550 --> 00:16:13,849

Buzzy Cohen: Liz and Ben both got final right uh, in this one.

452

00:16:13,849 --> 00:16:20,359

Ben finishes with a lovely even \$30,000 going into the Friday game two day

453

00:16:20,359 --> 00:16:23,660

Champion against Kari Ella and Greg

454

00:16:23,689 --> 00:16:24,380

Sarah Foss: Saja.

455

00:16:24,439 --> 00:16:27,800

It was another impressive jeopardy round for Ben 14 correct responses.

456

00:16:27,800 --> 00:16:31,010

He ends that round just under \$10,000.

457

00:16:31,069 --> 00:16:35,719

Buzzy Cohen: Ben has another amazing double jeopardy round finishing with.

458

00:16:36,300 --> 00:16:39,210

\$20,800 runaway.

459

00:16:39,480 --> 00:16:42,330

Uh, Greg did find that first daily double couldn't convert it.

460

00:16:42,330 --> 00:16:48,840

Ben converts a \$5,000 daily double, and he heads into the weekend as a champion.

461

00:16:48,840 --> 00:16:52,080

He, I do wanna say in his post-game chat, he said he felt pretty

462

00:16:52,080 --> 00:16:53,220

good about his preparation.

463

00:16:53,280 --> 00:16:54,780

We are seeing that play out.

464

00:16:54,900 --> 00:16:56,910

He is a very, very dominant player.

465

00:16:57,030 --> 00:17:00,420

He spoke with a few people that have been in the show and the most consistent tip.

466

00:17:00,805 --> 00:17:04,764

Make sure you eat enough because you don't realize how much energy

467

00:17:04,764 --> 00:17:05,784

you use waiting for the show.

468

00:17:05,964 --> 00:17:08,784

So he said his mindset coming in

was that anything could happen.

469

00:17:08,994 --> 00:17:09,595

Enjoy it.

470

00:17:09,804 --> 00:17:13,254

It's clear that Ben is enjoying himself.

471

00:17:14,099 --> 00:17:16,440

Sarah Foss: Yes, and we want to let everyone know when you're

472

00:17:16,440 --> 00:17:20,790

tuning in today expecting to see Ben Chan going for his fourth win.

473

00:17:21,119 --> 00:17:25,770

He was actually unable to travel when we had our next tape days after this.

474

00:17:25,980 --> 00:17:31,350

So you will see three new competitors on the Alex Trebek stage today.

475

00:17:31,710 --> 00:17:36,300

Ben will be coming back to join us, but maybe he's just gonna enjoy some.

476

00:17:37,155 --> 00:17:39,165

Prep time until he comes back.

477

00:17:39,165 --> 00:17:42,524

You know, not many people get to leave as a three day champion and then

478

00:17:42,524 --> 00:17:44,325

have a little unexpected extra time

479

00:17:44,774 --> 00:17:45,165

Buzzy Cohen: to prepare.

480

00:17:45,165 --> 00:17:46,365

Yeah, and also, how about this?

481

00:17:46,365 --> 00:17:48,135  
He's still a champion.

482

00:17:48,135 --> 00:17:50,715  
He's never been defeated,  
so he can just ride that.

483

00:17:50,715 --> 00:17:53,715  
I mean, it's almost like don't  
come back as long as possible.

484

00:17:53,715 --> 00:17:54,465  
Hold it off and just.

485

00:17:54,585 --> 00:17:57,105  
Be an undefeated jeopardy champion.

486

00:17:57,235 --> 00:17:58,025  
Be the champion.

487

00:17:58,305 --> 00:18:00,885  
Well, I hope Ben enjoys  
being an undefeated jeopardy

488

00:18:00,885 --> 00:18:02,385  
champion until he can return.

489

00:18:02,565 --> 00:18:04,485  
Now, let's get into  
those viewer questions.

490

00:18:09,495 --> 00:18:13,275  
Ian asks, it was mentioned on the  
podcast that taking the Anytime test

491

00:18:13,275 --> 00:18:17,475  
on Jeopardy would count as your once  
a year limit for taking the test.

492

00:18:17,595 --> 00:18:21,135

But I've always understood Jeopardy to be a bonus or a free pass.

493

00:18:21,510 --> 00:18:24,659  
That it did not count against your max of once a year?

494

00:18:24,719 --> 00:18:25,080  
Well,

495

00:18:25,080 --> 00:18:26,250  
Sarah Foss: this is a great question.

496

00:18:26,250 --> 00:18:28,679  
Yes, jeopardy is a bonus.

497

00:18:28,740 --> 00:18:30,209  
Think of it as a free pass.

498

00:18:30,240 --> 00:18:31,530  
I think we may have misled people.

499

00:18:31,530 --> 00:18:35,100  
A few weeks ago when we talked about this a little confusion, we thought

500

00:18:35,159 --> 00:18:39,360  
people were asking if the period they might be contacted for a follow-up test

501

00:18:39,629 --> 00:18:44,159  
would expire on their earlier date or start again from March 30th, because

502

00:18:44,159 --> 00:18:47,429  
we often have to tell them, you know, it may be months before they hear.

503

00:18:48,180 --> 00:18:54,060  
As it turns out, it stays at your original day, so that is the day that you can

504

00:18:54,060 --> 00:18:56,490  
think of when you can take the test again.

505  
00:18:56,865 --> 00:19:01,365  
When you originally tried out within  
the year, even if March 30th falls after

506  
00:19:01,365 --> 00:19:03,885  
that, I hope that clears up any confusion.

507  
00:19:04,425 --> 00:19:04,995  
Take the test.

508  
00:19:05,000 --> 00:19:06,825  
People take the Anytime test.

509  
00:19:07,305 --> 00:19:10,065  
You can take it once a  
year and also take it on

510  
00:19:10,065 --> 00:19:10,515  
Buzzy Cohen: jeopardy.

511  
00:19:10,635 --> 00:19:12,495  
I'm not confused anymore,  
so thank you, sir.

512  
00:19:12,495 --> 00:19:12,945  
Okay, great.

513  
00:19:13,035 --> 00:19:16,275  
Well, Doug asks, leading up to  
Second Chance and subsequently at the

514  
00:19:16,275 --> 00:19:19,725  
beginning of season 39, the Jeopardy  
YouTube channel uploaded highlight

515  
00:19:19,725 --> 00:19:23,235  
clips of each game with the videos  
running about three minutes long.

516

00:19:23,325 --> 00:19:25,275  
I noticed a few months ago  
that there's been a switch.

517  
00:19:25,520 --> 00:19:29,510  
Five unique highlight videos per  
week to the week's highlights, super

518  
00:19:29,510 --> 00:19:31,670  
condensed into one YouTube short.

519  
00:19:32,000 --> 00:19:33,800  
I missed the full highlight videos.

520  
00:19:33,800 --> 00:19:33,920  
Ugh.

521  
00:19:34,040 --> 00:19:34,730  
I feel you, Doug.

522  
00:19:34,760 --> 00:19:36,139  
What caused the change?

523  
00:19:36,139 --> 00:19:39,530  
Is there any chance we can get the  
full highlight clips back, even if

524  
00:19:39,535 --> 00:19:41,300  
they're just leading up to 2023?

525  
00:19:41,300 --> 00:19:42,800  
Second chance slash champion

526  
00:19:42,805 --> 00:19:43,460  
Sarah Foss: wildcard.

527  
00:19:43,860 --> 00:19:48,090  
Well, Doug, we love that you  
love them and we love them too.

528  
00:19:48,540 --> 00:19:51,510  
We just found that YouTube

shorts was an area that we

529

00:19:51,510 --> 00:19:52,890  
really wanted to kind of explore.

530

00:19:52,900 --> 00:19:53,220  
Mm-hmm.

531

00:19:53,300 --> 00:19:53,460  
Mm-hmm.

532

00:19:53,540 --> 00:19:55,410  
And the highlight was a really  
great place to feature that.

533

00:19:55,410 --> 00:19:56,520  
However, they have a much.

534

00:19:56,925 --> 00:19:59,625  
Shorter window of time  
that the highlights can be.

535

00:19:59,625 --> 00:20:01,455  
So that's why the switch happened.

536

00:20:01,815 --> 00:20:05,655  
I will tell you though, we still feel  
the value of highlights, especially

537

00:20:05,660 --> 00:20:09,465  
for events that don't happen weeken  
and week out on syndicated jeopardy.

538

00:20:09,465 --> 00:20:14,295  
So you can be assured that for  
masters you will be seeing highlights.

539

00:20:14,325 --> 00:20:19,795  
And for our special tournaments you will  
see them as well T O C and Masters for.

540

00:20:20,070 --> 00:20:22,770

Most likely we're gonna bring those back for Second Chance

541

00:20:22,770 --> 00:20:24,600  
and also Champion's Wild Card.

542

00:20:24,960 --> 00:20:26,370  
So don't fret, Doug.

543

00:20:26,700 --> 00:20:28,379  
We will have highlights for you.

544

00:20:28,620 --> 00:20:33,419  
And in the meantime, we hope you enjoy the week highlights that are on YouTube short.

545

00:20:33,870 --> 00:20:34,169  
Well,

546

00:20:34,169 --> 00:20:36,389  
Buzzy Cohen: that brings us to the end of today's show.

547

00:20:36,389 --> 00:20:39,330  
As always, join us next Monday for more gameplay discussion,

548

00:20:39,510 --> 00:20:41,280  
more grade viewer questions more.

549

00:20:41,850 --> 00:20:43,320  
Fun chit chat about your favorite

550

00:20:43,320 --> 00:20:43,649  
Sarah Foss: show.

551

00:20:43,800 --> 00:20:44,879  
Yeah, fun on the pod.

552

00:20:44,909 --> 00:20:45,870  
Join us for more of it.

553

00:20:45,870 --> 00:20:48,659

In the meantime, make sure  
to subscribe to the podcast.

554

00:20:48,659 --> 00:20:51,929

Rate us, leave us a comment, share  
across social and follow us at
