

SETTLEMENT AGREEMENT

I. INTRODUCTION

This Settlement Agreement (“Agreement”) is entered into jointly by the parties to resolve the claims of the United States in the matter styled United States of America v. Citizens Republic Bancorp, Inc., et al., No. 2:11-cv-11976-LPZ-LJM (E.D. Mich.) (the “Lawsuit”) that Citizens Republic Bancorp, Inc., as the successor to Republic Bank and parent company to Citizens Bank, and Citizens Bank (collectively, “Citizens Bank” or “the bank”), have engaged in a pattern or practice of conduct in violation of the Fair Housing Act (FHA), 42 U.S.C. §§ 3601-3619, and the Equal Credit Opportunity Act (ECOA), 15 U.S.C. §§ 1691-1691f. Citizens Bank denies these claims.

There has been no factual finding or adjudication with respect to any matter alleged by the United States. Accordingly, the execution of this Agreement is not, and is not to be considered as, an admission or finding of any violation of the FHA or ECOA by Citizens Bank. Rather, the parties have entered into this Agreement to resolve voluntarily the claims asserted by the United States in order to avoid the risks and burdens of litigation. The parties agree that full implementation of the terms of this Agreement will provide a resolution of the allegations of the United States in a manner consistent with Citizens Bank’s legitimate business interests.

Pursuant to this Agreement, Citizens Bank has entered into a partnership with the City of Detroit to provide grants to homeowners to enhance the stability and revitalization of neighborhoods to be identified by the City and the bank, as described in paragraph 7. Further, Citizens Bank has agreed to take the actions described herein to ensure that its lending products

and services in the Detroit area are made available and marketed in majority-black census tracts¹ on no less favorable a basis than in majority-white census tracts, in a manner consistent with safe and sound lending practices.

II. TERMS OF AGREEMENT

A. Non-Discrimination

1. Citizens Bank, including all of its officers, employees, agents, representatives, assignees, and successors in interest, and all those in active concert or participation with any of them, will not engage in any act or practice that (a) violates the FHA in any aspect of a residential real estate-related transaction, or (b) violates ECOA in any aspect of a residential credit transaction. This includes, but is not limited to: marketing and advertising; the selection of sites for and the provision of services through branch offices or other channels; the definition of an assessment area under the Community Reinvestment Act of 1977, 12 U.S.C. §§ 2901-2906 (CRA); and the determination of geographic areas in which loan applications are solicited or funded, except as specified in this agreement.

2. Citizens Bank will take the actions that are reasonable and necessary, consistent with safe and sound banking practices as determined by the bank and its regulator, to ensure that the bank offers and provides all persons with an equal opportunity to apply for and obtain residential mortgage credit.

¹ For the purposes of this Agreement, the term “majority-black census tract” is defined as a census tract where the population is more than 50% African-American or black. The term “majority-white census tract” is defined as a census tract where the population is more than 50% non-Hispanic white. A list of the majority-black and majority-white census tracts in Wayne County, based upon the 2000 Census, is attached to this Agreement as Exhibit A. The list will be updated with data from the 2010 Census when publicly available.

3. Citizens Bank will make available and market residential loan products in majority-black census tracts in Wayne County on no less favorable a basis than in majority-white census tracts in Wayne County.

B. CRA Assessment Area

4. In 2010, Citizens Bank revised its assessment area pursuant to the CRA and Regulation BB, its implementing regulation, 12 C.F.R. § 228, to include all of Wayne County and the City of Detroit. Citizens Bank will continue to include the entirety of Wayne County and the City of Detroit in its CRA assessment area during the term of this Agreement. Nothing in this Agreement precludes Citizens Bank from changing its CRA assessment area outside of Wayne County in the future in a manner consistent with the provisions of the CRA and its implementing regulations.

C. Fair Lending Training

5. Citizens Bank will continue to provide, or document the provision of, periodic training on at least an annual basis during the term of this Agreement to all “employees with significant involvement in residential lending,” including independent contractors hired by the bank with substantive responsibilities in developing or generating residential mortgage loans or loan products, to ensure that its activities are conducted in a nondiscriminatory manner.² This training will encompass the fair lending obligations under the FHA, ECOA, obligations under the CRA, and responsibilities under this Agreement. Citizens Bank will provide a description of

² For the purposes of this paragraph, the term “employees with significant involvement in residential lending,” is defined to include only those employees who: (1) are required to be registered as mortgage loan originators pursuant to the Secure and Fair Enforcement Mortgage Licensing Act of 2008 (SAFE Act), 12 C.F.R. Part 208, Regulation H, Subpart I; and (2) are directly involved in the marketing of residential mortgage loans on behalf of the bank.

the training plan to the United States within fifteen (15) days of the effective date of the Agreement. The United States will have a period of thirty (30) days to present any objection that it may have to the training proposal. The parties will work cooperatively to resolve any disputes they may have regarding the proposed training. In addition, within fifteen (15) days of the effective date of the Agreement, Citizens Bank will provide to all employees who have substantive responsibilities for residential mortgage lending in the Detroit Consolidated Metropolitan Statistical Area (“CMSA”)³ with an explanation and copies of the applicable provisions of this Agreement, and allow an opportunity for such employees to have any questions concerning the Agreement answered. The bank will bear all costs associated with the training.

D. Partnership with the City of Detroit

6. Citizens Bank and the City of Detroit have agreed to a partnership in which the bank will assist the City’s efforts to promote sustained home ownership by providing grant funds to stabilize and revitalize neighborhoods. Citizens Bank will devote \$1.625 million to this grant program.

7. The grant funds will be made available in neighborhoods identified by the City as a part of the City’s Project 14 and the Detroit Works Project. Under the program to be administered by the City, the bank will provide existing homeowners in the identified neighborhoods in the City of Detroit (as defined by the bank and the City for purposes of the

³ The Detroit CMSA consists of the Detroit Primary Metropolitan Statistical Area (“PMSA”) (Lapeer, Macomb, Monroe, Oakland, St. Clair, and Wayne counties), the Flint PMSA (Genesee county), and the Ann Arbor PMSA (Lenawee, Livingston, and Washtenaw counties).

program) with a matching grant of up to \$10,000 for exterior improvements for projects of \$20,000 or more.

8. Residents who currently own a home identified as their primary residence in a targeted neighborhood will be eligible for exterior improvement matching allowances. Eligible structures include owner-occupied residential properties consisting of one to two units. These can include detached single-family homes as well as row houses and townhomes. Residences where homeowners' associations, condominium association or other form of cooperative is responsible for the building exterior are not eligible.

9. Qualified improvements will be limited to the exterior of the home. These improvements include a wide range of beautification, weatherization and restoration projects.

These projects include:

- Roof replacement
- Masonry restoration
- Window repair or replacement
- Exterior restoration
- Exterior painting
- Exterior lighting
- Gutters and downspouts
- Siding & trim repair
- Street Fronting Sitework (including fencing, walks, etc.)

10. The grant program will be administered by the City or its designated partner, which will determine the qualifications for eligibility, zoning issues, contractor approval and other related issues. Once the City has issued final approval for an application, the grant check will be issued by Citizens Bank in a manner directed by the City.

11. Preapproved projects with qualifying costs of \$20,000 or more will receive the maximum allowance of \$10,000 upon project completion and proof of payment. Preapproved projects with qualifying costs of less than \$20,000 will receive a 50% allowance reimbursement

upon project completion and proof of payment. Future exterior improvement projects by residents who have already received one grant under this program remain eligible for matching funds until the \$10,000 total reimbursement is reached. Qualifying project costs will be based on materials only for Owners wishing to undertake their own repairs.

12. Citizens Bank and the City of Detroit envision that the \$1.625 million in grant funds will be expended within three (3) years of the effective date of this Agreement, but the bank and the City retain the discretion to expend the grant funds on a more expedited basis if the bank and the City both agree.

E. Community Development Lenders

13. As a part of its existing program to market residential mortgage loans in majority-black residential areas of Wayne County, Citizens Bank has hired a person to fill the position of “Community Development Lender” and currently is seeking to fill a second position with the same objective. Citizens Bank will hire the second Community Development Lender within four (4) months of the effective date of the Agreement. The persons hired as Community Development Lenders will be employees of the bank and these positions will be maintained actively throughout the term of this Agreement, and will focus primarily on generating residential mortgage loans in the majority-black census tracts within Wayne County, as well as facilitating the bank’s grant program described in paragraphs 6-12. The duties of the Community Development Lenders also may include assisting the bank’s involvement in community lending initiatives and outreach programs and serving as a resource to other staff to encourage and develop more lending within the majority-black census tracts of Wayne County. The Community Development Lenders will report directly to the Director of Mortgage Banking, who is a member of the bank’s Corporate Compliance Committee, as described in paragraph 29.

F. Physical Expansion in Wayne County

14. Within ninety (90) days of the effective date of this Agreement, Citizens Bank will establish and open a Loan Production Office (LPO) within a majority-black census tract in the City of Detroit. Within ninety (90) days of the effective date of this Agreement, Citizens Bank will provide the United States with written notice of the location for the LPO and will set forth the services to be provided at the LPO. The LPO will focus on the marketing and intake of residential mortgage loan applications from residents of the majority-black census tracts in Wayne County and grant applications for the partnership program described in paragraphs 6-12. The LPO will provide the base of operation for the Community Development Lenders described in paragraph 13, and may be staffed with other personnel as necessary to effectively market the bank's residential mortgage loan products and grant program to the community. The LPO will bear signage similar to that used for Citizens Bank's branch offices and will be in a retail-oriented space in a visible location accessible to concentrations of owner-occupied residential properties in the majority-black census tracts in the City of Detroit. Citizens Bank will continue to operate an LPO at the selected location or another location in a majority black census tract in the City of Detroit for the term this Agreement.

15. Citizens Bank will continue to evaluate the feasibility of branch expansion in the majority-black census tracts of Wayne County, as part of a nondiscriminatory plan for branching in the State of Michigan. Citizens Bank will focus in particular on the feasibility of converting the LPO (referenced in paragraph 14 above) into a full-service branch, or opening a branch at another location in a majority-black census tract of Wayne County, consistent with safe and sound banking practices. Citizens Bank will follow the normal procedures of consultation with its regulator on these issues.

16. Nothing in this Agreement precludes Citizens Bank from opening or acquiring additional facilities. The bank will notify the United States of any plans to convert the LPO into a full-service branch or open or acquire any new branches or other offices within the Detroit CMSA at the same time that Citizens Bank notifies its regulator so that the United States may raise any concerns with the bank and its regulator before regulator approval is granted.

G. Advertising and Consumer Education

17. Citizens Bank will continue with its plan for advertising and marketing to majority-black residential areas of Wayne County, and will continue to evaluate, enhance, and modify the program as necessary to achieve its intended objectives. In each year this Agreement is in effect, the program will include the following components:

(a) Print Media. In addition to any other print advertising, Citizens Bank will continue to advertise in at least one print medium specifically directed to African-American readers, such as the Michigan Chronicle. These advertisements will focus on meeting the residential mortgage credit needs of the majority-black census tracts of Wayne County and may include special products or offers designed to meet those and other residential housing needs, including the grant program described in paragraphs 6-12. Citizens Bank retains the discretion to determine the size, content, and frequency of such advertising subject as a part of the overall marketing plan.

(b) Radio. Citizens Bank will place radio advertisements on at least two African-American-oriented Detroit-area radio stations, such as KissDetroit 105.9, MIX 92.3, or WJLB 97.9. These advertisements will focus on meeting the residential mortgage credit needs of the majority-black census tracts of Wayne County and may include special products or offers designed to meet those and other residential housing needs, including the grant program

described in paragraphs 6-12. Citizens Bank retains the discretion to determine the content and frequency of such radio spots subject to the standards set forth above and to place such advertising on additional minority-oriented stations.

(c) Promotional Materials. Citizens Bank will utilize other marketing methods as it deems appropriate to achieve its objectives in Wayne County. The bank already has used billboard advertising in Wayne County to market its residential mortgage loan products, and may continue to use this marketing approach. The bank also may develop point-of-distribution materials, such as posters and brochures, targeted toward the majority-black census tracts in Wayne County to advertise products and services, including any special loan products or services made available pursuant to this Agreement. Citizens Bank will place or display these promotional materials in its branch offices, LPO, and additional, appropriate distribution locations in the majority-black census tracts, in addition to any other places that the bank believes to be appropriate.

(d) Direct Mailings. Citizens Bank retains the option to utilize direct mailing targeted to residents in the majority-black census tracts in Wayne County, but will ensure that a residential lending marketing program in the majority-black census tracts is not limited solely to existing customers of the bank. This does not preclude Citizens Bank from conducting other marketing not focused on residential lending, by direct mail or otherwise, that is limited to current customers.

(e) Citizens Bank will continue its practice of using an equal housing opportunity logotype, slogan, or an audible statement “Equal Opportunity Lender” in advertising and marketing.

18. Citizens Bank will provide a minimum of four (4) outreach programs every year this Agreement is in effect for real estate brokers and agents, developers, and public or private entities engaged in residential real estate-related business in the majority-black census tracts in Wayne County, to inform them of the products and services Citizens Bank offers, including those detailed in this Agreement, and to otherwise develop business relationships with them. These programs will be offered at locations reasonably convenient to the business operations of the attendees.

19. Citizens Bank also will provide credit counseling, financial literacy, and other related educational programs to residents in the majority-black census tracts, to help identify and develop qualified loan and/or grant applicants from these areas. This program will include a minimum of six (6) outreach seminars every year this Agreement is in effect, targeted towards residents of majority-black census tracts in Wayne County.

20. Citizens Bank will invest a minimum of \$100,000 per year (\$400,000 over the term of this Agreement) for every year this Agreement is in effect. The bank will allocate a minimum of \$50,000 per year for advertising and marketing and a minimum of \$50,000 per year for consumer education and will have the discretion to determine how these funds are allocated within each category. A minimum of one-half of the amount allocated to consumer education will be dedicated to sponsoring such programs offered by community or governmental organizations engaged in fair lending work.

H. Program for Loan Subsidies

21. Citizens Bank will make available \$1.5 million in a program to increase the residential mortgage credit that the bank extends to residents of majority-black census tracts of Wayne County (“special financing program”).

22. The “special financing program” will offer residents in majority-black census tracts in Wayne County loan products at interest rates and/or on terms that are more advantageous to the applicant than Citizens Bank would normally provide.

23. Under the special financing program, the bank will subsidize each covered transaction by one or more of the following means: an interest rate below that which Citizens Bank would normally charge, down payment or closing cost grants or assistance, or other financial aid. The bank will provide one or more of the following forms of financial assistance to any applicant, qualified for a residential mortgage loan under the bank’s underwriting standards that are normally applied for loans to be sold to Fannie Mae or Freddie Mac or to be insured by FHA or VA (“qualified applicant”):

(a) a loan for a home purchase, refinancing, or home improvement at an interest rate a minimum of 1/2 of a percentage point (50 basis points) below the otherwise prevailing rate, provided that if the prevailing rate (APR) for any such loan exceeds 8% at any time during the term of this Agreement, the interest rate subsidy will be a minimum of 1%, and if the prevailing APR exceeds 9% at any time during the term of this Agreement, the subsidy will be a minimum of 1.5%; below the market rates for the loan type offered;

(b) down payment assistance in the form of a direct grant of up to \$7,500; or

(c) closing cost assistance in the form of a direct grant of up to \$7,500.

24. Citizens Bank retains the discretion to offer more than one, or all, of the foregoing forms of financial assistance to qualified applicants on an individual basis as it deems appropriate under the factual circumstances of a particular application, so long as the maximum total financial assistance provided by the bank to an individual qualified applicant does not exceed \$7,500. Citizens Bank will have discretion to provide the loan subsidy among its

residential loan products, and the bank, in its sole discretion, will apply the available funds in a manner to assist otherwise qualified applicants in satisfying the financial aspects of a transaction, such as down payment or debt-to-income requirements.

25. The special financing program will be marketed in a manner reasonably designed to inform minority residents of all areas of Wayne County of the opportunity to participate in the program. For example, advertisements on radio stations targeted to African-American residents will be presumed to properly inform residents of the program.

26. No provision of this Agreement, including any special financing program, requires Citizens Bank to alter its standards for underwriting mortgage loans that are applied regularly to make loans saleable to Fannie Mae or Freddie Mac or comply with the provisions applicable for FHA/VA insurance. The bank's underwriting standards applied to residents of the majority-black census tracts of Wayne County must be no less favorable than the standards that are applied in majority-white census tracts. At the same time, no provision of this Agreement imposes an obligation on the bank to apply underwriting standards in majority-black census tracts that are more favorable than the standards applied in majority-white census tracts.

27. The \$1.5 million special financing program under the terms of this Agreement will be the sum total of: the cost to the bank of providing below-market financing and the dollar amount of any grants for down payment assistance or closing cost assistance.

28. The special financing program is intended to afford its benefits to qualified applicants who respond to the bank's marketing program or otherwise seek residential mortgage credit from the bank. Citizens Bank's compliance with the requirements of the special financing program will be measured by its good faith efforts to solicit loan applications from the majority-black census tracts in Wayne County in accordance with the provisions of the Agreement and

provide the benefits of the program to qualified applicants. Nothing herein shall be construed to require Citizens Bank to take any action other than what is expressly provided for in this Agreement.

III. GOVERNANCE

29. Citizens Bank's Legal and Compliance Department will have overall responsibility for the implementation of the terms of this Agreement, including but not limited to facilitating the bank's partnership with the City of Detroit as defined in paragraphs 6-12; coordinating the bank's involvement in community lending initiatives and outreach programs as described throughout the Agreement; serving as a resource to lending staff to encourage and develop more lending within the majority-black census tracts; and overseeing the development of Citizens Bank's lending in the majority-black census tracts in Wayne County. Quarterly updates on the progress of the initiatives will be provided to both the Corporate Compliance Committee, which is comprised of members of executive management, including the Director of Mortgage Banking, and led by the Corporate Compliance Manager, as well as the Board of Directors' Risk Committee, which meets six (6) times per year. The actions of the Risk Committee are reported by its chair and reviewed by the full Board of Directors on a regularly scheduled basis.

IV. EVALUATING AND MONITORING COMPLIANCE

30. For the duration of this Agreement, Citizens Bank will retain all records relating to its obligations hereunder, including its residential lending activities, as well as its advertising, outreach, branching, LPO, special programs, and other compliance activities as set forth herein. The United States will have the right to review and copy such records upon request.

31. Citizens Bank will provide to counsel for the United States the data it submits to the Federal Reserve Board for use by the Federal Financial Institutions Examination Council

(FFIEC) pursuant to the Home Mortgage Disclosure Act and the CRA. The data will be provided in the same format in which it is presented to the Federal Reserve Board within thirty (30) days of its submission to the Federal Reserve Board for each year this paragraph of the Agreement is in effect, including the record layout.

32. Within six months of the effective date of this Agreement, Citizens Bank will submit a report to the United States on the bank's progress in establishing and implementing each of the items specified in this Agreement. A second report will be submitted on the first anniversary of this Agreement, a third report will be submitted on the second anniversary of this Agreement, a fourth report will be submitted on the third anniversary of this Agreement, and a fifth report will be submitted three and a half years after the effective date of this Agreement. All reports submitted by the bank pursuant to this paragraph will include an objective assessment of the extent to which each quantifiable obligation was met, and Citizens Bank will attach to the annual reports representative copies of training material and advertising and marketing materials disseminated pursuant to this Agreement.

V. ADMINISTRATION

33. This Agreement, with the exception of the special financing program specified in paragraphs 21-28 and the administrative paragraphs 29-40, will terminate three (3) months after the submission of Citizens Bank's fourth report to the United States provided that Citizens Bank has complied with the terms of this Agreement, including the following requirements: (a) expenditure of the \$1.625 million in grant funds committed to the City of Detroit partnership described in paragraphs 6-12; and (b) expenditure of a minimum of \$400,000 in the advertising, marketing, and community outreach campaign described in paragraphs 17-20. The special financing program specified in paragraphs 21-28 and the administrative paragraphs 29-40 will

terminate three (3) months after the submission of Citizens Bank's fifth report to the United States. If the funds allocated for the special financing program are not fully expended three (3) months after the submission of the bank's fifth report to the United States, the remaining funds will be donated by the bank to a non-profit housing organization in the City of Detroit, or to such other organization that is involved with community reinvestment in the City of Detroit. This may include programs operated by the City of Detroit. The bank will inform the United States of the organization to receive any remaining funds when, and if, the circumstances arise, and allow a thirty (30) day period for the United States to raise any concerns it may have before the funds are transferred.

34. This Agreement may be modified by mutual written agreement of the parties. The parties recognize that there may be changes in relevant and material factual circumstances during the term of this Agreement that may impact the accomplishment of its goals. The parties agree to work cooperatively to discuss and attempt to agree upon any proposed modifications to this Agreement resulting therefrom.

35. Nothing in this Agreement will excuse the bank's compliance with any currently or subsequently effective provision of law or order of a regulator with authority over Citizens Bank that imposes additional obligations on the bank.

36. This Agreement fully and finally resolves all claims of the United States relating to the alleged violation of the fair lending laws by means of discriminating on the basis of race or color, as alleged in the Complaint in this action, including all claims for equitable relief and monetary damages and penalties. Each party to this Agreement will bear its own costs and attorney's fees associated with this litigation.

37. This Agreement will be effective as of the date of the final signature is affixed to this Agreement.

38. This Agreement contains the entire agreement of the parties with respect to the subject matter of this Agreement and supersedes all prior negotiations, agreements and understandings.

39. Contemporaneously with the execution of this Agreement, the parties shall file a Stipulation of Dismissal With Prejudice with the United States District Court for the Eastern District of Michigan, in substantially the same form as the attached Exhibit B.

40. This Agreement is enforceable by filing a lawsuit seeking specific performance with its terms in the United States District Court for the Eastern District of Michigan. Failure to enforce this entire Agreement or any provision thereof with respect to any deadline or any other provision herein shall not be construed as a waiver of the right to enforce other deadlines and provisions of this Agreement.

41. In the event that any disputes arise about the interpretation of or compliance with the terms of this Agreement, the parties will endeavor in good faith to resolve any such dispute between themselves. If either party believes that the other party has failed to comply with any obligation under this Agreement, it will provide written notice thereof and allow a period of at least thirty (30) days to discuss a voluntarily resolution of the alleged violation. At the end of the thirty (30) day period, if the party alleging failure to comply determines that the alleged failure has not been cured, that party may file a lawsuit in the United States District Court for the Eastern District of Michigan against the alleged non-complying party for breach of contract and any other appropriate causes of action and may seek specific performance. In connection with such action, the United States and Citizens Bank hereby agree to request that the Court expedite

any discovery in a manner that will allow a trial of the claims alleging a failure to fulfill any obligation under this Agreement commencing (a) 120 days after service of the summons and complaint, or (b) the Court's earliest availability, whichever is later.

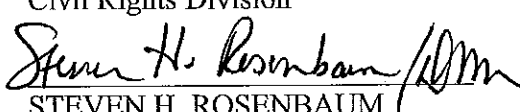

The undersigned hereby agree to the terms of this Settlement Agreement:
