

WIOAB 04-20

DATE: September 25, 2020
TO: All WIOA Subrecipients
FROM: **Danilo Cabrera**, Program Operations Manager
 Workforce Administration Services Division *Danilo Cabrera*
SUBJECT: Program Year (PY) 2020 WIOA MOD #1

As noted in WIOAB 2-20, the state completed the WIOA financial closeout process earlier this month and presented providers information regarding local recapture and carry-in funding by SDAs. This current WIOAB includes the revised amount mentioned earlier as well as the October allocations for each SDAs to address full program year allocations. In addition, the PY20 first quarter distribution of Rapid Response funding is included, addressing the need for ongoing dislocated worker services due to recent layoffs and anticipated closures. Rapid Response funding will be re-evaluated again in December 2020, to determine what additional funding may be needed, given our current state of pandemic response and impact on workforce training and employment activities.

WIOA PY2020 allocation formulas, based on the Governor’s and state Workforce Development Council’s directives, were used to distribute the new program funds to the state’s service delivery areas as seen below.
