

# Allowable Tip Credit for Employers Subject to the Montgomery County Minimum Wage

A tip credit can only be applied if the employee

- (i) is engaged in an occupation in which the employee customarily and regularly receives more than \$30 each month in tips;
- (ii) has been informed by the employer about the provisions of the tip credit section of the Maryland Wage and Hour Law; and
- (iii) has kept all of the tips that the employee received. This does not prohibit the pooling of tips.
