Certificate

# Leadtek Zero Client & Thin Client

INTEGRATION · SECURITY · CREATIVITY · GREEN · SCALABILITY

Leadtek delivers truly astounding graphics, outstanding power efficiency, and highly reliable endpoints for VDI applications. Optimized for the latest VDI solutions including VMware, Citrix and Microsoft, Leadtek Zero Client & Thin Client endpoints are designed to meet all types of user's demands and preferences.

# Big Data Solution

## 1. Data Warehousing Solutions

- Data Cleaning

## 2. Data Analysis

- Visualization
- Statistical model building
- AI

## 3. Predictive Analytics Software

- Support for R
- Drag and Drop

## 4. Customized Dashboard

- Responsive Web Design
- Data synchronization

# Big Data Solutions

Education Industry  
- More than 50 colleges

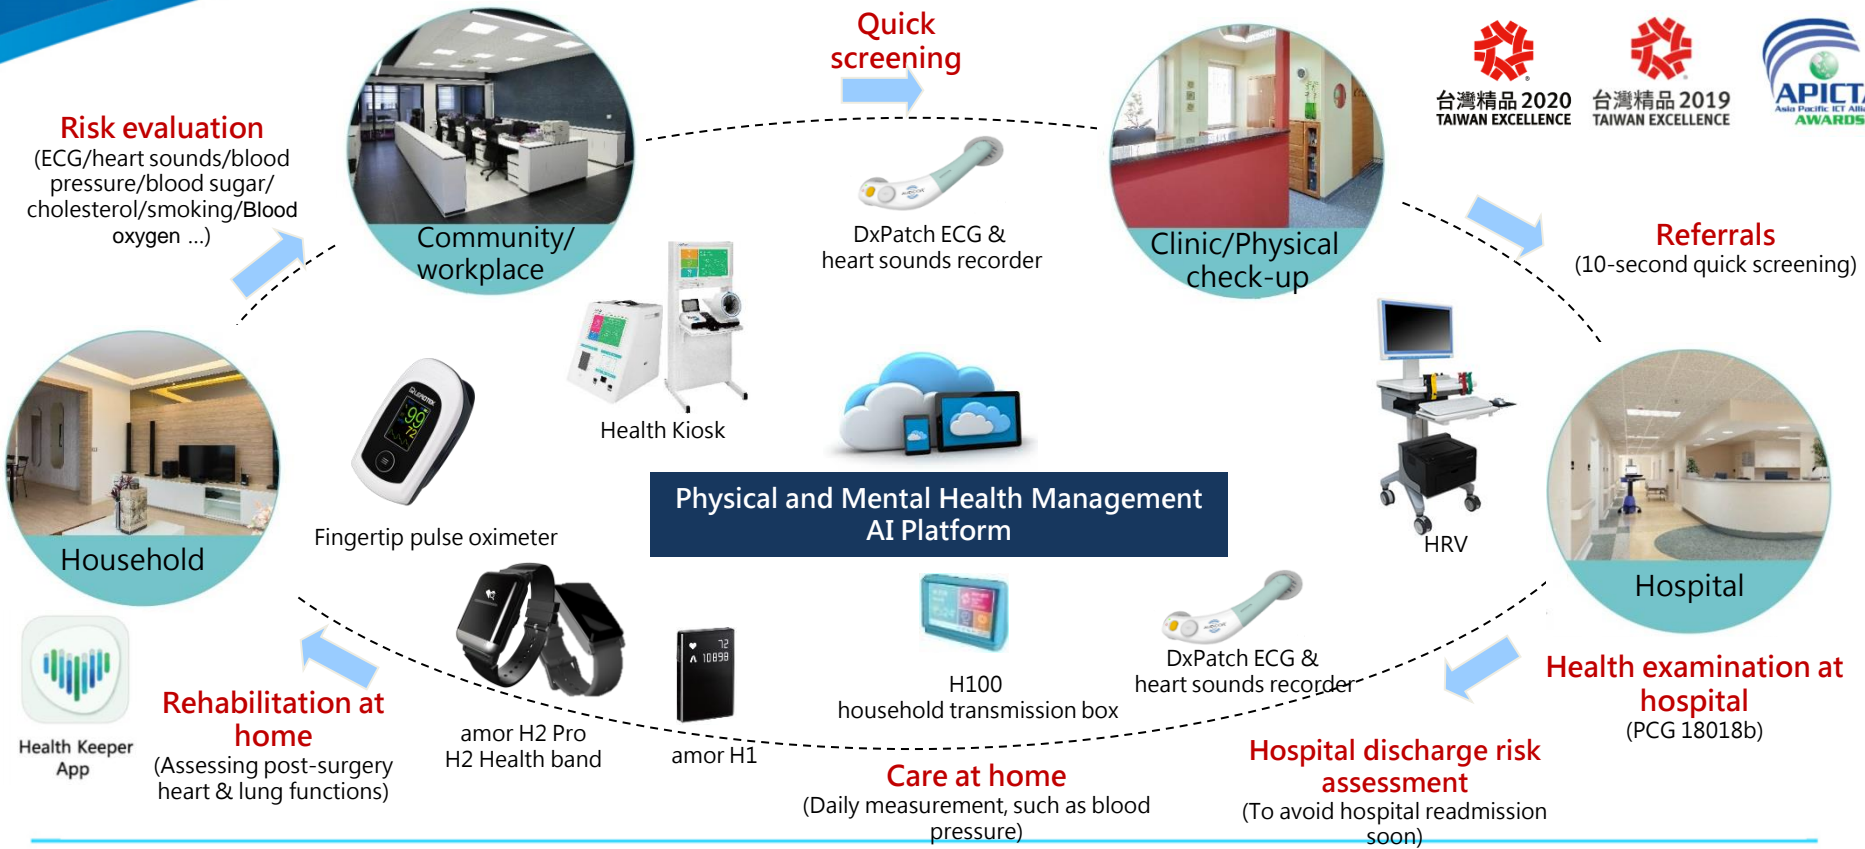

County Government  
- 3 counties

Police Unit  
- New Taipei City Police Department

# AI Smart Medical Solution

**Risk evaluation**  
(ECG/heart sounds/blood pressure/blood sugar/cholesterol/smoking/Blood oxygen ...)

Community/workplace

**Quick screening**
