

ADOPT A ROAD (AAR) - AVAILABLE ROAD SEGMENTS

Last updated 7/19/24

The following list of road segments are available for adoption and is updated often. These road segments have been identified from the Maryland's Master Roadway Plan and are classified as either Business, Primary Residential, Arterial, Highway, Business or Rustic. If you choose to adopt a [Rustic Road](#), brown signs will be installed. All other road segments will have the purple sign. For more information visit montgomerycountymd.gov/adoptaroad.

If a road segment is not listed, it could either already be adopted or not eligible in the program. Road segments that are already maintained by a municipality (exp. Rockville, Gaithersburg and Takoma Park cities), a homeowners association, an urban district or by the State (roads that contain a route number) are not eligible. Please choose **two** road segments in case your first choice is not available. A second road segment may be adopted after six months of active participation.

Before you adopt a road segment, be sure you are able to maintain it with at least six cleanings a year (equivalent to every other month) and are able to submit the results to us. Cleaning reports are mandatory to remain in the program. For questions feel free to email us at mcdot.outreach@montgomerycountymd.gov.

Before you apply, be sure to review the [program guidelines](#) and [FAQ's](#). When ready, [APPLY HERE](#).

SORTED BY ROAD

Two AAR signs will be installed (at the beginning and ending of road segment) unless otherwise noted.
