

# Mental Health in Virginia

**1 in 5 U.S. adults** experience mental illness each year.

**1,115,000 adults** in Virginia have a mental health condition.

That's more than **4X** the population of Richmond.

It is more important than ever to build a stronger mental health system that provides the care, support and services needed to help people build better lives.

More than half of Americans report that **COVID-19** has had a **negative impact** on their mental health.

In February 2021, **36.9% of adults in Virginia** reported symptoms of **anxiety or depression**.

**22.2% were unable to get needed counseling or therapy.**

**1 in 20 U.S. adults** experience serious mental illness each year.

In Virginia, **264,000 adults** have a **serious mental illness**.

**1 in 6 U.S. youth** aged 6–17 experience a **mental health disorder** each year.

**97,000 Virginians** age 12–17 have depression.

## Virginians struggle to get the help they need.

More than half of people with a mental health condition in the U.S. **did not receive any treatment** in the last year.

Of the **382,000 adults in Virginia who did not receive needed mental health care**, 47.1% did not because of cost.

**8% of people in the state are uninsured.**

Virginians are over **7x more likely to be forced out-of-network** for mental health care than for primary health care — making it more difficult to find care and less affordable due to higher out-of-pocket costs.

**1,943,480 people** in Virginia live in a community that **does not have enough mental health professionals**.

## An inadequate mental health system affects individuals, families and communities.

**High school students** with depression are more than **2x more likely to drop out** than their peers.

**56.2% of Virginians** age 12–17 who have depression **did not receive any care** in the last year.

5,957 people in Virginia are homeless and **1 in 6 live with a serious mental illness.**

On average, 1 person in the U.S. **dies by suicide every 11 minutes.**

In Virginia, **1,243 lives were lost to suicide** and 267,000 adults had thoughts of suicide in the last year.

**1 in 4 people with a serious mental illness has been arrested**

by the police at some point in their lifetime –

leading to over **2 million jail bookings** of people with serious mental illness each year.

About **2 in 5 adults** in jail or prison have a history of mental illness.

**7 in 10 youth** in the juvenile justice system have a mental health condition.

**National Alliance on Mental Illness**

NAMI Virginia is part of NAMI, National Alliance on Mental Illness, the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness.
