Applicant's Initials

If you are applying to remove a joint cardholder from an nRewards® Secured credit card, please review and initial the Secured Credit Card Security Interest disclosure below:

Secured Credit Card Security Interest: I voluntarily grant Navy Federal a security interest in the funds deposited in the share savings account number designated above. Upon approval, the funds in this savings account will be held as a condition of my use of this secured credit card account such that I and other savings account owners, if any, may not withdraw or otherwise access these funds while the credit card account remains secured. Additionally, the designated funds may not be used to secure other loans. The amount held will be equal to the amount of the assigned credit limit, and may be decreased at Navy Federal's sole discretion in accordance with Navy Federal's policies and procedures. If I exceed the credit limit, fail to make any payment due, or if the account is otherwise in default under the terms of the secured Credit Card Agreement and Disclosure, or if the secured credit card account is closed by me or Navy Federal, Navy Federal may apply all or part of the funds on hold to pay the remaining account balance.
