“Cardholder,” “you,” and “your” refer to any natural person who holds a valid Navy Federal-issued *cashRewards* World Mastercard credit card.

“Misuse” includes, but is not limited to, engaging in activity that poses an unacceptable risk to the credit union and its members; or engaging in suspicious, fraudulent, illegal, dishonest, or deceptive activities with respect to your Navy Federal Credit Card account.

“Program” refers to the Navy Federal *cashRewards* World Mastercard program.

## Earning Cash Back Rewards

*CashRewards* World Mastercard Cardholders will earn 1.75% cash back rewards on every \$1 of eligible net purchases with direct deposit at Navy Federal, or 1.5% cash back rewards without direct deposit. To be eligible to receive 1.75% cash back rewards on net purchases with your Navy Federal *cashRewards* World Mastercard credit card, you must either currently have direct deposit at Navy Federal or must set up and maintain direct deposit at Navy Federal. Direct deposit is defined as a recurring ACH from your employer, military pay, or certain government agency pay or benefits deposited into your Navy Federal deposit account. You will start earning 1.75% cash back rewards once we confirm you have direct deposit at Navy Federal. “Net purchases” means the sum of your eligible purchase transactions minus returns and refunds. For example, if you purchase merchandise for \$100, but later return \$20 of merchandise from that purchase, you will receive cash back rewards based on a “net” purchase amount of \$80. Eligible purchase transactions do not include, and cash back rewards are not earned for, the following transactions: cash advances, convenience checks, balance transfers, gambling, or fees of any kind, including finance charges, late fees, returned check fees, and ATM cash advance fees. Cash-equivalent transactions, such as the purchase, loading, or reloading of gift and prepaid cards (e.g., money orders, GO Prepaid Cards, and other cash-equivalent gift cards), may not be eligible purchase transactions and may not earn cash back. Navy Federal reserves the right to amend the types of transactions that qualify to earn cash back rewards, including special reward promotions that may be offered from time to time.

Cash back rewards cannot be earned until a *cashRewards* World Mastercard account has been established. Only accounts enrolled

in *cashRewards World Mastercard* will qualify to accumulate cash back rewards. No retroactive credit will be provided. Cash back rewards are not transferable between Navy Federal reward programs.

There are no monthly or annual caps on cash back rewards earned. Cash back rewards earned do not expire while the account is open.

Cash back rewards earned are updated on the date the eligible transaction posts to your account. Cash back rewards may be redeemed once they have been updated on the account. There is no minimum rewards requirement to redeem cash back rewards.

Determination of tax liability (if any) is the sole responsibility of the Cardholder.

## **Redeeming Cash Back Rewards**

Cash back rewards may be deposited into the primary Cardholder's or joint Cardholder's savings or checking account or posted as a credit to your *cashRewards World Mastercard* account. Credits to your *cashRewards World Mastercard* account will appear on your next monthly billing statement. Cash back rewards credits to your *cashRewards World Mastercard* account will not affect your monthly minimum payment requirements.

In order to redeem cash back rewards, your *cashRewards World Mastercard* account must be open and current. Cash back rewards cannot be earned or redeemed on delinquent or past due accounts until the account status is in good standing. Navy Federal reserves the right to determine whether your card meets these qualifications. Cash back rewards on accounts closed by Navy Federal are forfeited and no longer eligible for redemption. If you choose to close your account, cash back rewards must be redeemed at time of closure, or else rewards earned by that account will be forfeited. Cash back rewards will not be forfeited upon account closure if a primary or joint Cardholder on the account resides in New York; exceptions apply. Please see Special Terms Applicable to New York State Residents. To request redemption and closure, please call 1-888-842-6328.

Only the primary Cardholder or the joint Cardholder (if any) of a *cashRewards World Mastercard* account may request to redeem cash back rewards. Cardholders who have more than one Navy Federal *cashRewards World Mastercard* account may not combine cash back rewards. A Cardholder must pass verification by Navy Federal (or any agent acting on behalf of Navy Federal) in order to redeem cash back rewards. Navy Federal reserves the right to determine, in its absolute discretion, whether a Cardholder has been satisfactorily identified.

## **Participation in the Rewards Program**

Navy Federal reserves the right to prohibit any Cardholder from participating in the Program. Navy Federal, in its sole discretion, reserves the right to suspend or cancel participation in the Program and declare all rewards forfeited in the event a Cardholder is suspected of, or has committed, misuse of the credit card account or the card rewards program, fraud, or a violation of the Program Description or Navy Federal Credit Card Agreement and Disclosure. Unauthorized transactions will not earn rewards.

## **Cancellation, Closure, Termination, or Modification of Credit Card Account or Rewards Program**

Cash back rewards on accounts closed by Navy Federal are forfeited and no longer eligible for redemption. If you choose to close your account, cash back rewards must be redeemed at time of closure, or else rewards earned by that account will be forfeited. Cash back rewards will not be forfeited upon account closure if a primary or joint Cardholder on the account resides in New York; exceptions apply. Please see Special Terms Applicable to New York State Residents. To request redemption and closure, please call 1-888-842-6328.

Cash back rewards are the property of Navy Federal. Cash back rewards cannot be purchased, sold, transferred, bartered, or assigned in any way (including upon death, divorce, or a bankruptcy filing). A Cardholder is not entitled to compensation from Navy Federal or any other entity if cash back rewards are forfeited or a World Mastercard *cashRewards* account is terminated for any reason. Cash back rewards will not be forfeited upon account closure if a primary or joint Cardholder on the account resides in New York; exceptions apply. Please see Special Terms Applicable to New York State Residents.

Navy Federal reserves the right to amend, modify, or change this Program Description and the cash back reward offerings at any time. For example, and without limitation, Navy Federal may change the amount of cash back rewards awarded for eligible card transactions or required to redeem for cash back rewards. Navy Federal also reserves the right to terminate the Program at any time. Navy Federal will provide advanced notice before amending, modifying, or changing the Program if a primary or joint Cardholder on the account resides in New York; exceptions apply. Please see Special Terms Applicable to New York State Residents. If we do make any changes to this Program Description Guide, we will post an updated copy on [https://www.navyfederal.org/pdf/creditcards/NFCU\\_827WMC.pdf](https://www.navyfederal.org/pdf/creditcards/NFCU_827WMC.pdf).

Upon the death of a Cardholder, a surviving joint Cardholder, if any, becomes the sole credit card account owner, and all previously earned rewards are available for redemption to the surviving joint Cardholder. If there are no surviving joint Cardholders, but the deceased is survived by an authorized user on the credit card account, the authorized user is not eligible to redeem previously earned rewards. The authorized user may, however, redeem the rewards if he or she applies and is approved to assume the credit card account balance. To be approved to assume the credit card account balance, the authorized user must submit an application for a credit card account and be

approved for a credit line equal to or greater than the amount of the remaining account balance. If approved, the authorized user will be liable for the remaining account balance. Authorized users seeking to assume an account balance should carefully consider whether the value of the earned rewards outweighs the liability of the remaining account balance. If there are no surviving joint Cardholders or authorized users, earned rewards are forfeited. The deceased's estate, regardless of how it is established, is not eligible to redeem or receive rewards earned on the credit card account. Cash back rewards will not be forfeited upon account closure if a primary or joint Cardholder on the account resides in New York; exceptions apply. Please see Special Terms Applicable to New York State Residents.

### ***Redemption of Rewards Upon Account Closures***

You should redeem, exchange, or use any accumulated rewards prior to account closure. If your credit card account is closed by you or by us and you have not redeemed, exchanged, or used your accumulated rewards, you will receive the cash value of your remaining rewards via a deposit to a Navy Federal savings account or checking account on which you are an owner, a credit to your remaining credit card balance, or a check mailed to your address on file.

If Navy Federal determines that a primary or joint Cardholder has misused the credit card account or the card rewards program, or has engaged in instances of fraud with respect to the credit card account or any related rewards program, all rewards may be forfeited.

### ***Cancellation, Closure, Termination, or Modification of Rewards Program***

Navy Federal reserves the right to amend, modify, or change your card's Program Description and the reward offerings at any time. Navy Federal also reserves the right to terminate the Program. Navy Federal will provide notice within 45 days of any such modification or cancellation and post an updated copy of the Program Description, which can be accessed at [https://www.navyfederal.org/pdf/creditcards/NFCU\\_827WMC.pdf](https://www.navyfederal.org/pdf/creditcards/NFCU_827WMC.pdf).
