

Durable Power of Attorney

Carefully read any Power of Attorney (POA) before you sign the document. You should consult your own attorney regarding its purpose or legal rights that are affected by the grant of such power to another person. Your particular circumstances may indicate the need for granting either broader or more restrictive rights than are provided for in this document. If you do not understand any provisions or language in this form or have any questions, you should consult your own attorney. By signing this form, you are acknowledging that you understand the content and information provided.

Notice and Information

This document is being provided for your convenience to use only with your Navy Federal Credit Union (NFCU) accounts. Nothing in this document should be construed as providing you with any legal advice. By this NFCU POA, you are giving another person you designate (your Attorney-in-Fact (AIF) or agent) broad powers to handle your finances and personal property with NFCU, which may include powers to encumber, sell, or otherwise dispose of any property held at NFCU without any advance notice to you or approval by you. **THE POWERS GRANTED UNDER THIS POA ARE EFFECTIVE IMMEDIATELY, ARE DURABLE, AND WILL REMAIN IN EFFECT EVEN IF YOU BECOME DISABLED OR INCAPACITATED.** It is important that you designate someone as your AIF that you trust with your assets and financial information. If you wish to revoke or stop your AIF from acting, you must revoke this POA and, if desired, complete a new POA. You have the right to revoke this POA form at any time by destroying it or by signing a written and dated statement expressing your intent to revoke this document. You must inform NFCU of the revocation as NFCU can permit transactions to occur pursuant to this POA until NFCU is notified of the revocation. A verbal notice of revocation is permitted, but you must confirm the revocation with a written notice to NFCU. You should also notify your AIF and anyone you provided a copy of the POA that it has been revoked. You can only have one NFCU POA in effect at any given time. If you execute and submit a subsequent NFCU POA, then you agree that by doing so you have revoked any prior NFCU POA so that only the latest one is in effect. Please note that if you subsequently execute a non-NFCU POA that revokes all previous or prior POAs and that non-NFCU POA is submitted to NFCU, then that language will also revoke this NFCU POA. This document does not authorize anyone to make medical or other health care decisions for you. If you have other assets or specialized business matters outside of NFCU, this document does not address any of those assets or matters. You will need to seek advice from your own attorney in order to address those assets or matters. The laws of the Commonwealth of Virginia shall apply to this POA without giving effect to the principles of conflict of laws as it relates to NFCU.

Military Power of Attorney *(if applicable)*

PREAMBLE: This is a MILITARY POWER OF ATTORNEY prepared pursuant to Title 10, United States Code, §1044b, and executed by a person authorized to receive legal assistance from the military services. Federal law exempts this power of attorney from any requirement of form, substance, formality, or recording that is prescribed for powers of attorney by the laws of a state, the District of Columbia, or a territory, commonwealth, or possession of the United States. Federal law specifies that this power of attorney shall be given the same legal effect as a power of attorney prepared and executed in accordance with the laws of the jurisdiction where it is presented.

If you decide to use the NFCU Durable POA, please read and follow the instructions below:

1. Complete this form in its entirety. This includes filling out your information and the information for your AIF, and Co-AIF and/or a Successor AIF, if applicable. This information is required in order for us to correctly identify your AIF(s) and you. Any reference to the AIF will include the Co-AIF if you appoint a Co-AIF.
2. All applicable information fields in Sections A through G of this form must be filled out. If not applicable, please mark the field as "N/A."
3. In order to grant and/or deny powers, your initials are required in the respective "Yes" or "No" boxes in Sections H through K for each group of powers or each specific power. If a box is not initialed, then it will be deemed that the specific authority will have not been given by you.
4. There are certain notices that must be included in this document and signed by you and your AIF, if applicable, depending on the law in the state where you live, or the state where you sign/execute the POA.
5. Remember that this POA is only valid for powers related to financial business with NFCU. You may limit the AIF's powers to certain accounts in Section G, if needed.
6. Your signature must be acknowledged before either a notary public or a person authorized under 10 USC § 1044a to perform a notarial act for members of the armed forces.
7. You will also need two (2) unrelated and disinterested individuals who must be at least 18 years old to witness your signature on this POA.

9. You have the option of appointing a Successor AIF in case your first designation dies, becomes incapacitated or incompetent, or is unwilling to serve. If you appoint a Co-AIF, then your Successor AIF designation will not become effective unless and until both the AIF and Co-AIF die, become incapacitated or incompetent, or are unwilling to serve. Your Successor AIF will have the same powers and authority as your original AIF. Acceptable written notification will be required to document that the Successor AIF will be taking over in place of your original AIF, and Co-AIF if applicable. AGENT'S ACKNOWLEDGMENT

Note: The acknowledgment by the agent need not be signed when the durable power of attorney is executed as long as it is executed prior to the agent exercising the power granted under the durable power of attorney.

I, _____, have read the attached power of attorney and am the person identified as the Agent for the Principal. I hereby acknowledge that when I act as Agent or "attorney in fact," I am given power under this Durable Power of Attorney to make decisions about money, property, or both belonging to the Principal, and to spend the Principal's money, property, or both on the Principal's behalf, in accordance with the terms of this Durable Power of Attorney. This Durable Power of Attorney is valid only if the Principal is of sound mind when the Principal signs it. When acting in the capacity of Agent, I am under a duty (called a "fiduciary duty") to observe the standards observed by a prudent person, which means the use of those powers that is reasonable in view of the interests of the Principal and in view of the way in which a person of ordinary judgment would act in carrying out that person's own affairs. If the exercise of my acts is called into question, the burden will be upon me to prove that I acted under the standards of a fiduciary. As the Agent, I am not entitled to use the money or property for my own benefit or to make gifts to myself or others unless the Durable Power of Attorney specifically gives me the authority to do so. As the Agent, my authority under this Durable Power of Attorney will end when the Principal dies and I will not have authority to manage or dispose of any property or administer the estate unless I am authorized to do so by a New Hampshire Probate Court. If I violate my fiduciary duty under this Durable Power of Attorney, I may be liable for damages and may be subject to criminal prosecution. If there is anything about this Durable Power of Attorney, or my duties under it, that I do not understand, I understand that I should seek professional advice.

Frequently Asked Questions About the Navy Federal Durable Power of Attorney Form

What is a POA?

A Power of Attorney (POA) is a document signed by one person, known as the Principal, authorizing another person to act as an Attorney-in-Fact (AIF) on his or her behalf. Examples of NFCU Members who wish to use a POA may include those on Active Duty, preparing for deployment, or physically incapacitated, or any adult Member who wants to have someone with the ability to take actions for them. They may appoint a family member or trusted individual to care for their finances. If you have any further questions about this NFCU POA, you should contact an attorney.

How long is this POA valid?

This POA will remain in effect until any one of the following situations occurs:

- The expiration date, if one is specified on this POA
- This POA is properly revoked or terminated
- This Principal is deceased
- This POA is terminated by court order, such as the appointment of a Guardian/Custodian/Conservator

How do I revoke this POA?

This document may be revoked by you at any time. However, the AIF's authority will only end once NFCU is properly notified of the revocation. To revoke this document, please fill out the POA Letter of Revocation available at any NFCU branch location or online at navyfederal.org and follow the instructions listed on the revocation form (NFCU Form 116). Once revoked or terminated, the same POA cannot be reinstated or used again; a new POA must be completed to authorize an AIF to take actions on your behalf.

Can I use this POA with other financial institutions?

No, this document is only valid for business with NFCU.

Can I use this POA for any type of transaction?

This POA can be used for most transactions with NFCU. This POA may not cover all situations—in some cases, a separate POA may be required for real estate transactions or items held in a trust. If you have further questions regarding this document, you should contact an attorney.

Can I use this POA with NFCU subsidiaries?

No, this document cannot be used for Navy Federal Financial Group (NFFG), Navy Federal Brokerage Services (NFBS), or Navy Federal Asset Management (NFAM) business or services. A separate POA will need to be signed by you for your specific transactions with these entities.

Does this POA need to be notarized?

Yes, this POA must be notarized to be valid. Virginia law applies; however, due to various state laws, we require two (2) unrelated and disinterested individuals who must be at least 18 years old to witness your signature on this POA.

As a courtesy to our Members, NFCU offers free notary services at many of our branches. This POA can also be signed with a Military Acknowledgment before those persons authorized pursuant to 10 USC § 1044a.

What is a Durable POA?

A Durable POA means that the document remains effective even in the event that you become incapacitated, disabled, or incompetent. Your AIF may still conduct financial business with NFCU even after you are unable to do so. The NFCU POA form is a Durable POA.

Navy Federal

Frequently Asked Questions About the Navy Federal Durable Power of Attorney Form *(continued)*

What is a springing POA?

A springing POA means that the document does not become effective until a specific condition occurs. The condition can be a variety of options, such as a specific date or that the POA is not effective until the Principal (you) becomes incapacitated, disabled, or incompetent. The NFCU POA form does not provide for it to be a springing POA.

Does my AIF have to be a Member of NFCU?

No. Your AIF can be anyone you choose, a Member or non-Member.

What is a Co-AIF? Do I have to have one?

A Co-AIF is a second person you can designate and authorize to act on your behalf along with your original AIF. If you appoint a Co-AIF, then either your AIF or Co-AIF can act alone without the other's agreement or consent. No, you do not have to appoint a Co-AIF as that is optional.

What is a Successor AIF?

A Successor AIF is a secondary agent that can take the place of your original AIF. This happens if your original AIF no longer wishes to act as your agent, becomes incapacitated, disabled, or incompetent, or is deceased. Appointment of a Successor AIF is optional. If you appoint a Co-AIF, then your Successor AIF will only become effective if both the AIF and Co-AIF no longer wish to act or they are unable to act because they are incapacitated, disabled, incompetent, or deceased.

Can I limit the use of this POA?

Yes, you can limit the powers you grant to your AIF within this POA.

Can I modify this POA?

No, you cannot make modifications to this POA after it is executed and notarized. In order to make changes, you must revoke this POA, provide notice to NFCU of the revocation, execute a new POA, have it notarized and witnessed, and submit it to NFCU.

Do I give up my rights by signing this POA?

No, you can always contact NFCU and we will contact you if needed or required by law or regulation.

Can I use this POA for real estate transactions?

No, this POA cannot be accepted for certain real estate transactions, such as a mortgage application or settlement for purchase, refinance, or equity loans. However, it may be used to allow your AIF to obtain your mortgage information, to make payments, or for other requests for servicing of the loan. Because this document is only valid with NFCU, it is not valid with settlement agencies and/or other third parties generally involved in real estate transactions. You should contact an attorney if you need a POA specific to a real estate transaction.

Does this POA grant online access through Navy Federal Online Banking?

If you specifically select the section to allow online access to your AIF, then your AIF will be permitted electronic access as an Authorized User to all your current and future NFCU accounts, as well as to carry out many types of transactions permitted to an Authorized User through Online Banking, including online Bill Pay (note that some features will be restricted, such as applying for a credit card). You may limit your AIF's access to certain services online by using the "Manage Privileges" feature in the "Authorized Users" section under "Settings" in Online Banking. If you do not limit the access, then your AIF will have access to all your accounts and most features/services as an Authorized User.
