Dental policies vary and contain general and specific exclusions and limitations. As a result, some dental services may not be covered under certain policies. Also, coverage for certain covered dental services is subject to conditions and other limitations, such as the number of times they may be covered in a given time period. You should obtain these exclusions and review them prior to enrollment. They are available during the quoting process at [DeltaDentalCoversMe.com](https://www.DeltaDentalCoversMe.com).
