Modification Request
Privacy Act Statement

Authority: The collection of this information is authorized under 5 U.S.C. § 301, Departmental regulations, which authorizes the operations of an executive agency, including the creation, custodianship, maintenance and distribution of records.

Purpose: NOAA collects this information in order to determine if a licensee-requested modification request may be granted after a CRSRA license is issued for remote sensing system under the Land Remote Sensing Policy Act of 1992 (51 U.S.C. § 60101 et seq.) and regulations, 15 CFR Part 960.

Routine Uses: The information is used for the purpose set above and may be shared among CRSRA and other Department of Commerce employees and affiliates for work-related purposes. The information may be made available to other Federal entities and their affiliates for work-related purposes when necessary to obtain information relevant to licensing, compliance, or enforcement activities. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice Commerce/NOAA-11(http://www.osec.doc.gov/opog/PrivacyAct/SORNs/noaa-11.html), Contact Information for Members of the Public Requesting or Providing Information Related to NOAA's Mission.

Disclosure: Furnishing this information is voluntary. However, failure to provide accurate information may delay resolution of the submitter's modification request under 15 CFR 960.13. Furnishing false information may lead to a civil administrative penalty under 15 CFR 960.16(c); and failing to request and obtain approval for a license modification before taking any action that would change a material fact in the license may lead to a civil administrative penalty under 15 CFR 960.16(b) and/or 15 CFR 960.16(d).
