TALF II LLC (the "LLC"),
the
SECRETARY OF THE TREASURY (the "Secretary"), and
the
FEDERAL RESERVE BANK OF NEW YORK (the "Secured Party").

WHEREAS, the Federal Reserve Board, under the authority of Section 13(3) of the Federal Reserve Act, 12 U.S.C. § 343(3), with approval of the Secretary, authorized the Federal Reserve Bank of New York to establish the Term Asset-Backed Securities Loan Facility ("TALF") to help meet the credit needs of consumers and businesses by facilitating the issuance of asset-backed securities and improving the market conditions for asset-backed securities more generally.

WHEREAS, the Secretary agreed to make an equity contribution of \$10 billion from the Exchange Stabilization Fund, with an investment authorized by the Coronavirus Aid, Relief, and Economic Security (CARES) Act, to the LLC, a special purpose vehicle established by the Federal Reserve Bank of New York, as Managing Member of the LLC (in such capacity, the "Managing Member"), to implement the TALF, with transfers of such equity contribution to be made in accordance with the terms of the Amended and Restated Limited Liability Company Agreement of TALF II LLC, dated as of June 16, 2020 (the "LLC Agreement").

WHEREAS, the Secretary, pursuant to the borrowing authority in 31 U.S.C. §§ 3102-3104, has the authority to borrow on the credit of the United States Government, and for amounts borrowed, issue nonmarketable Special Purpose Vehicle securities ("SPV securities") to the LLC, and pay interest on such securities pursuant to 31 U.S.C. §§ 3121 and 3123.

WHEREAS, the Managing Member is authorized to invest assets of the LLC in SPV securities, in accordance with the terms of the LLC Agreement.

WHEREAS, pursuant to the Security Agreement, dated as of May 26, 2020 (the "Security Agreement"), between the LLC and the Secured Party, the LLC has granted to the Secured Party a security interest in all of the LLC's property that constitutes Collateral (as defined in the Security Agreement), including but not limited to any SPV securities issued to the LLC under this MOU.

WHEREAS, the LLC, in accordance with this MOU, intends to purchase book-entry SPV securities, the records for which are maintained by Treasury's Bureau of the Fiscal Service, which has a direct account relationship with the LLC as a beneficial owner of SPV securities.

The words "herein," "hereof," and "hereto," and words of similar import, refer to this MOU as a whole.

C. Commitment Conditions.

1. Conditions Applicable to the Initial Request for Investment in an SPV Security.

The Secretary shall be under no obligation to accept any monies or make any investment in an SPV security under this MOU unless and until each of the conditions specified in this paragraph (in addition to each of the conditions specified below in paragraph 2 of this section of this MOU) has been satisfied.

Executed Counterpart of this MOU. The Secretary shall have received an original counterpart of this MOU, duly executed by the LLC and the Secured Party.

Certificate Specifying Authorized LLC Officials. The Secretary shall have received a completed Certificate Specifying Authorized LLC Officials, signed by a duly authorized representative of the Managing Member.

Certificate Specifying Authorized Secured Party Officials. The Secretary shall have received a completed Certificate Specifying Authorized Secured Party Officials, signed by a duly authorized representative of the Secured Party.

2. Conditions Applicable to Every Request for Investment in an SPV Security.

The Secretary shall be under no obligation to accept any monies or make any investment in an SPV security under this MOU unless and until each of the conditions specified in this paragraph (in addition to each of the conditions specified in paragraph 1 above of this section of this MOU) has been satisfied.

Request for Investment Form. Each Request for Investment that is tendered under this MOU shall be substantially in the form of Exhibit A attached to this MOU.

Completion of Form Information. Each Request for Investment that is tendered under this MOU shall have all of the blanks on the form filled in with the information specified by an Authorized Official, in a manner that is consistent with the instructions (if any) set out in the footnotes of such Request for Investment.

Execution of Request. Each Request for Investment that is tendered under this MOU shall have been duly executed by an Authorized Official.

Acceptance of Non-Conforming Requests. Nothing in this section is intended to prohibit the Secretary from electing to accept a tendered Request for Investment notwithstanding the fact that each of the conditions specified in this section may not have been satisfied.

D. Investment of Funds in SPV Securities.

From and after the effective date of this MOU, an Authorized Official may request the investment of amounts in or held by the LLC in an SPV security. Upon receiving a Request for Investment in the form and manner as specified herein, the Secretary will make such investment and issue an SPV security to the LLC.

The Secretary's authority under Title 31 is the sole authority, and this MOU (including any references herein) and its subsequent exhibits are the sole terms and conditions, governing the securities issued pursuant hereto. There are no Treasury regulations specifically governing the SPV securities. The SPV security is considered a "security" within the meaning given such term in the UCC.

The SPV security offered pursuant to this MOU is a demand deposit certificate of indebtedness, which is a one-day certificate issued to the LLC in a minimum amount of \$1,000. An SPV security is issued at Par, accrues interest, and is redeemed at Par plus accrued interest at maturity. The SPV security is automatically rolled over each calendar day into a new one-day certificate with a Par amount equal to principal plus interest earned on the maturing security until a Request for Redemption is received, as further described below.

Interest on the security is accrued daily on the principal balance and added to the principal balance of a newly issued one-day certificate on the following calendar day until redemption is requested. Interest is thereby accrued on the principal balance on the issue date, but not on the redemption date. The daily factor for the daily interest accrual shall be the same as the "Daily Factor" in effect on the issue date for a State and Local Government Series (SLGS) Demand Deposit security, which is published and can be found at <https://www.treasurydirect.gov/GA-SL/SLGS/selectSLGSDate.htm>. For any day on which a Daily Factor for a SLGS Demand Deposit Security is not published, the applicable daily factor will be the Daily Factor that was in effect on the preceding day.

To purchase an SPV security, an Authorized Official must notify the Fiscal Service by 11:00 a.m. Eastern Time on the Business Day preceding the Business Day upon which the

purchase and issuance of an SPV security is requested, as evidenced by an approved form of Request for Investment, substantially in the form attached hereto as Exhibit A. Each Request for Investment of an SPV security shall be made only at times, in amounts, and as permitted pursuant to the terms and conditions contained in this MOU. Each Request for Investment must contain all information sought in the attached Exhibit A and must be signed by an Authorized Official. If a Request for Investment is received by the Fiscal Service after 11:00 a.m. Eastern Time on a Business Day, the Request will be deemed to have been received the following Business Day, with the SPV security issuing the next Business Day thereafter. Funds for the purchase of the SPV security must be received by the Fiscal Service on or before 3:00 p.m. Eastern Time on the day of issuance and must be transferred via the Fedwire Funds Service to the account specified by the Fiscal Service. SPV securities will be issued to, and in the name of, the LLC and not to the Secured Party.

An SPV security may be redeemed in whole or in part on any Business Day. Partial redemption of an SPV security may be requested in any whole dollar amount; however, an SPV security balance of less \$1,000 must be redeemed in total. Any Request for Redemption of an SPV security that would leave a balance of less than \$1,000 will be deemed to be a Request for Redemption of the entire outstanding balance of the SPV security, regardless of the amount set forth in the Request for Redemption.

Except as provided in the next paragraph, to redeem an SPV security, an Authorized Official must notify the Fiscal Service by 3:00 p.m. Eastern Time on the Business Day before the requested date of redemption, as evidenced by an approved form of Request for Redemption, substantially in the form as attached hereto as Exhibit B. If the Request for Redemption is received by the Fiscal Service by 3:00 p.m. Eastern Time on the Business Day before the requested date of redemption, the Fiscal Service will make the redemption and transfer the proceeds via the Fedwire Funds Service to the funds account specified in the Request for Redemption by 4:00 p.m. Eastern Time on the next Business Day. Each Request for Redemption of an SPV security shall be made only at times, in amounts, and as permitted pursuant to the terms and conditions contained in this MOU. Each Request for Redemption must contain all information sought in the attached Exhibit B and must be signed by an Authorized Official. If a Request for Redemption is received by the Fiscal Service after 3:00 p.m. Eastern Time on a Business Day, the Request will be deemed to have been received the following Business Day, with the SPV security redeeming the next Business Day thereafter.

To redeem an SPV security on the same day as the day that the Request for Redemption is submitted (an Emergency Transfer), an Authorized Official must notify the Fiscal Service by 12:00 noon Eastern Time on the Business Day that such SPV security is requested to be redeemed and proceeds transferred. If the Request for Redemption is received by the Fiscal Service by 12:00 noon Eastern Time on a Business Day, the Fiscal Service will make the redemption and transfer the proceeds via the Fedwire Funds Service to the funds account specified in the Request for Redemption by 4:00 p.m. Eastern Time on the same day. An Emergency Transfer shall be requested in the same manner as a Request for Redemption, as evidenced by an approved form of Request for Redemption, substantially in the form as attached hereto as Exhibit B. Each Emergency Transfer Request for Redemption of an SPV security shall be made only at times, in amounts, and as permitted pursuant to the terms and conditions contained in this MOU. Each Emergency Transfer Request for Redemption must contain all

information sought in the attached Exhibit B, must be signed by an Authorized Official, and must be clearly marked as a Request for Redemption for an Emergency Transfer as provided in the form. The LLC or the Secured Party, as the case may be, shall use reasonable efforts to avoid the need for Emergency Transfers.

Notwithstanding anything to the contrary herein, the Secretary shall not be obligated to redeem an SPV security and transfer funds pursuant to a Request for Redemption (or multiple Requests for Redemption whose total is) in excess of the limits specified in the Schedule of Redemption Limits. If an Authorized Official submits a Request for Redemption (or multiple Requests for Redemption whose total is) in excess of the limits specified in the Schedule of Redemption Limits, the Secretary is obligated to redeem an SPV security pursuant to the Request(s) for Redemption only to the extent consistent with the Schedule of Redemption Limits. The Secretary may, in his sole discretion, redeem and transfer any amount in excess of the limits specified in the Schedule of Redemption Limits, up to and including the full amount of the Request(s) for Redemption, without further direction from the Authorized Official.

If a Request for Redemption (including an Emergency Transfer) is received on a non-Business Day, the request will be deemed to have been received on the following Business Day.

Example – Purchase of SPV security: If an SPV security will be issued on Wednesday the 15th, the Fiscal Service must receive the Request for Investment by 11:00 a.m. Eastern Time on Tuesday the 14th. If an SPV security will be issued on Monday the 13th, the Fiscal Service must receive the Request for Investment by 11:00 a.m. Eastern Time on Friday the 10th. If a Request for Investment is received by the Fiscal Service after 11:00 a.m. Eastern Time on Wednesday the 15th, the Request will be deemed to have been received on Thursday the 16th and the SPV security will issue on the following Business Day, Friday the 17th. In all cases, funds for the purchase of the SPV security must be received by the Fiscal Service on or before 3:00 p.m. Eastern Time on the day of issuance.

Example – Redemption of SPV security (not an Emergency Transfer): If an SPV security will be redeemed on Wednesday the 15th, the Fiscal Service must receive the Request for Redemption by 3:00 p.m. Eastern Time on Tuesday the 14th. If an SPV security will be redeemed on Monday the 13th, the Fiscal Service must receive the Request for Redemption by 3:00 p.m. Eastern Time on Friday the 10th. If a Request for Redemption is received by the Fiscal Service after 3:00 p.m. Eastern Time on Wednesday the 15th, the Request will be deemed to have been received on Thursday the 16th and the SPV security will redeem on the following Business Day, Friday the 17th.

In accordance with Section E below, when honoring any Request for Redemption, the payment obligations of the Secretary are discharged when (x) principal and interest amounts are credited to the account specified by the LLC (in the case of a Request for Redemption validly provided by an Authorized LLC Official) or (y) principal and interest amounts are credited to the account specified by the Secured Party (in the case of a Request for Redemption validly provided by an Authorized Secured Party Official).

An SPV security is non-marketable and may not be transferred by sale, exchange, assignment, pledge, or otherwise. The Secretary acknowledges, however, that any SPV security issued pursuant to this MOU is subject to the security interest granted by the LLC to the Secured Party under the Security Agreement.

E. Control by the Secured Party.

This section is intended by the LLC and the Secured Party to grant “control” of any SPV securities issued under this MOU to the Secured Party for purposes of perfection of the Secured Party’s security interest therein pursuant to Article 8 and Article 9 of the UCC. The Secretary acknowledges that it has been advised of the LLC’s grant to the Secured Party of a security interest in the LLC’s SPV securities pursuant to the Security Agreement between the LLC and Secured Party.

Unless and until the Secretary receives a written Notice of Exclusive Control from the Secured Party pursuant to the next paragraph, notifying the Secretary that the Secured Party is exercising its right to exclusive control over the LLC’s SPV securities, or if any previous Notices of Exclusive Control have been revoked or rescinded in writing by the Secured Party, the Secretary shall take actions with respect to SPV securities upon the instructions of the Managing Member as provided in this MOU.

Upon receipt by the Secretary of a Notice of Exclusive Control, the Secretary shall thereafter (unless such Notice of Exclusive Control is revoked or rescinded in writing by the Secured Party) follow only those Requests for Investment, Requests for Redemption, or other communications received from the Secured Party and signed by an Authorized Secured Party Official (following the same process as otherwise specified in this MOU for documents to be signed and submitted by the LLC or the Managing Member), without further consent of the LLC or the Managing Member. Thereafter, the Secretary will not comply with Requests for Investment, Requests for Redemption, or other communications originated by the LLC or the Managing Member. The Secretary shall have no responsibility or liability to the LLC or the Managing Member for complying with a Notice of Exclusive Control or complying with Requests for Investment, Requests for Redemption, or other communications originated by the Secured Party after the Secretary has received a Notice of Exclusive Control from the Secured Party that has not been revoked or rescinded. Notwithstanding anything to the contrary herein, the Secretary may comply with a Request for Investment, Request for Redemption, or other communication originated by the LLC or the Managing Member that was received by the Fiscal Service in accordance with this MOU prior to receiving the Notice of Exclusive Control in the event that the Secretary has initiated any actions necessary to comply and cannot reasonably halt such actions. For the avoidance of doubt “communications” for purposes of this paragraph include “instructions” as such term is used in Article 9 of the UCC.

I. Secretary's Reservation of Rights.

Notwithstanding anything to the contrary herein, the Secretary may decide, in his sole discretion, to take any of the following actions with respect to the LLC, the Managing Member, or the Secured Party. Such actions are final. Specifically, the Secretary reserves the right to:

1. reject any Request for Investment, including when the issuance of such security would cause the Secretary to exceed the limit on the public debt as set forth in 31 U.S.C. § 3101;
2. reject any electronic message or other message or request, including a Request for Investment or a Request for Redemption, that is inappropriately completed or fraudulently, or untimely submitted;
3. refuse to issue an SPV security in any case or class of cases;
4. revoke the issuance of any SPV security, transfer the principal and interest amounts of such SPV security in accordance with the terms of this MOU as if such SPV security were being redeemed, and declare the requester ineligible thereafter to invest in SPV securities if the Secretary deems that such action is in the public interest or that such issuance was made pursuant to a misrepresentation (other than as the result of an inadvertent error); or
5. review any transaction for compliance with this MOU, including the requirement to provide additional information, and to determine an appropriate remedy under the circumstances.

J. Amendments and Waiver.

To the extent consistent with applicable law, the Secretary, the Managing Member, and the Secured Party may agree to modify this MOU, including any exhibit to this MOU, by amendment, extension, or renewal duly signed by all parties. The Secretary, in his sole discretion, may waive the enforcement of any provision or provisions of this MOU. Any such waiver by the Secretary as to any term or condition of this MOU shall be effective only as to such specific instance and shall not constitute a waiver of the enforcement of such term or condition for any future instance. The Managing Member and the Secured Party shall send waiver requests as specified in the Notices section of this MOU. The Secretary will act on a waiver request as soon as reasonably possible after receipt of any such request.

K. Assignment.

The Managing Member or the Secured Party shall not assign or transfer in any manner

(whether by succession or otherwise) all or any portion of its rights or interests in or to this MOU without the prior express written consent of the Secretary. This MOU shall apply to, bind, and inure to the benefit of any successors and assigns of the Managing Member and the Secured Party permitted or approved under the preceding sentence. This MOU shall apply to, bind, and inure to the benefit of any successors and assigns of the Secretary.

L. Effective Date and Term.

This MOU shall be effective on the date first above written and shall remain in effect from that date until three months following the scheduled termination of the TALF, currently scheduled for September 30, 2020 but subject to modification as agreed between the Secretary and the Board of Governors of the Federal Reserve System. The Secretary, the Managing Member and the Secured Party agree to negotiate in good faith amendments to this MOU from time to time as needed, including modifications to the term of this MOU. Upon the termination of this MOU, all SPV securities then outstanding shall be automatically redeemed without the need for any Request for Redemption to be submitted and without regard to any limitations otherwise applicable under the Schedule of Redemption Limits.

M. Survival.

All representations, certifications, and acknowledgements made by the Managing Member, the Secured Party, or an Authorized LLC or Secured Party Official in this MOU, any Request for Investment, any Request for Redemption, or other instrument delivered pursuant to this MOU, shall survive, as the case may be, the execution and delivery of this MOU, and the investment or redemption of any security pursuant to this MOU.

Exhibit D

Schedule of Redemption Limits

**Schedule of Redemption Limits
for
13(3) Facility-Related Nonmarketable U.S. Treasury Securities
as of
May 20, 2020**

This Schedule of Redemption Limits (this “Schedule”) is intended to be incorporated by reference into each Investment Memorandum of Understanding (each an “MOU”) entered into by and among the Secretary of the Treasury (the “Secretary”), a Federal Reserve Bank (a “Reserve Bank”), as Secured Party, and as applicable a special purpose vehicle established by such Reserve Bank, in each case to implement a facility (each, a “Facility”) established by the Board of Governors of the Federal Reserve System (the “Board”) under the authority of Section 13(3) of the Federal Reserve Act, 12 U.S.C. § 343(3), with approval of the Secretary. Each such MOU into which this Schedule has been incorporated as of any date is referred to as an “Applicable MOU.” Capitalized terms used but not defined in this Schedule shall have the meanings assigned to them in the relevant Applicable MOU into which this Schedule is incorporated. This Schedule may be amended from time to time as agreed in writing among the Secretary and each party to an Applicable MOU.

In accordance with the Applicable MOU, the Secretary shall not be obligated to honor any Request for Redemption under any Applicable MOU for funds to be transferred on any specified date to the extent that the sum of (a) the dollar amount of such Request for Redemption plus (b) the applicable Net Aggregate Redemption Amount (as defined below) exceeds the corresponding Aggregate Redemption Limit as of such specified date. If the Secretary receives more than one Request for Redemption specifying the same redemption date, unless otherwise agreed between the Secretary and the Board, each request will be processed in the order it is received, and the sum specified in this paragraph will be calculated accordingly.

As used herein:

“Net Aggregate Redemption Amount” means, as of any specified date, the aggregate dollar amount of (a) all funds actually transferred by the Secretary to any and all Reserve Banks pursuant to Requests for Redemption under any Applicable MOU during the period beginning 2 calendar days, 9 calendar days, 29 calendar days or 59 calendar days preceding such date, as the case may be, and ending on such date (each an “Applicable Redemption Period”); minus (b) all funds actually invested or reinvested pursuant to a Request for Investment under any Applicable MOU during the same Applicable Redemption Period (other than funds invested upon the initial contribution by the Department of the Treasury of such funds to a Facility), provided that no Net Aggregate Redemption Amount may be less than zero.

“Aggregate Redemption Limit” means, for each period specified below, the corresponding dollar amount indicated below:

3 Days	10 Days	30 Days	60 Days
\$40 billion	\$120 billion	\$200 billion	\$325 billion

Example 1: 3-day Limit

Treasury contributes \$100 billion to LLC A on June 1.
LLC A invests \$85 billion on June 2 (first/initial investment).
LLC B redeems \$10 billion on June 4.
LLC C seeks to redeem \$35 billion on June 5.

Because the initial LLC A investment is excluded, LLC C can only redeem \$30 billion: Net Aggregate Redemption = \$10, Request + Net = \$45, which exceeds the 3-day limit of \$40 by \$5.

Example 2: 10-day Limit (note: dates here ignore weekends for purposes of simplicity)

LLC A redeems \$40 billion on October 1.
LLC B redeems \$40 billion on October 4.
LLC C redeems \$35 billion on October 7.
LLC A reinvests \$10 billion on October 8.
LLC B seeks to redeem another \$35 billion on October 10.

LLC B can only redeem \$15 because, while the 3-day limit does not apply, a net of \$105 was redeemed in the prior 10 days: Net Aggregate Redemption = \$105, Request + Net = \$140, which exceeds the 10-day limit of \$120 by \$20.

Example 3: 30-day Limit

LLC A redeems \$35 billion on each of the first three Thursdays in October (Oct. 1, 8, 15).
LLC B redeems \$35 billion on each of the first three Mondays in October (Oct. 5, 12, 19).
LLC A reinvests \$20 billion on October 16.
LLC C seeks to redeem \$40 billion on October 29.

LLC C can only redeem \$10 because, while the 3-day and 10-day limits do not apply, a net of \$190 was redeemed in the prior 30 days: Net Aggregate Redemption = \$190, Request + Net = \$230, which exceeds the 30-day limit of \$200 by \$30.

Note that all prior October redemptions in this example are permitted, because the 3, 10, and 30-day limits are never exceeded. Examples:

For the October 12 redemption, the 10-day lookback period includes only the Oct. 5 and 8 redemptions (the Oct. 1 redemption has rolled off), so total redemptions + current request = \$105 (below the \$120 limit).

For the October 19 redemption, total (gross) redemptions in the 30-day lookback period + current request = \$210 (in excess of the \$200 limit), but the \$20 reinvestment on the 16th brings the net to \$190, so the full redemption on the 19th is permitted.
