Subject: Area Command Team Leadership

The NMAC have selected Scott Jalbert and Joe Stutler as Area Commanders for the National Area Command Teams. Tim Sexton continues as an Area Commander. We thank Paul Summerfelt for his leadership as an Area Commander.

All nominations submitted this year represented highly qualified, and well respected individuals. We believe the selected individuals will provide strong leadership in the most complex situations. We thank all of those for submitting a nomination, as it provided us a strong candidate pool from which to choose from.

We encourage all qualified individuals to continue to participate in Area Command assignments. Your service is important to the growth and future of the program.

Area Commanders will select and finalize their individual teams. This should be accomplished within the next several weeks.

Please contact Jarrod Simontacchi, the National MAC Group Coordinator, at 208-387-5662 or jsimonta@blm.gov with any questions.
