Effective Dates: August 30, 2017, Readoption;
October 2, 2017, Technical Changes.

New Expiration Date: August 30, 2024.

Take notice that pursuant to N.J.S.A. 52:14B-5.1, the Boat Safety Course rules at N.J.A.C. 13:61 were scheduled to expire on November 23, 2017. N.J.S.A. 12:7-60 requires that the Superintendent of State Police establish a list of approved boat safety courses, offered by public or private persons or agencies for profit or otherwise, and taught by approved boat safety instructors. The rules at N.J.A.C. 13:61 outline the procedures for obtaining approval of a boat safety course for formal instruction in power vessel safety and handling, and the establishment of a list of approved boat safety courses. The Division of State Police has reviewed these rules and determined that the rules should be readopted, with technical changes, because they are necessary, reasonable, and proper for the purpose for which they were originally promulgated. The technical changes update the National Association of State Boating Law Administrators address in N.J.A.C. 13:61-1.4(a) and remove the effective date of the Internet course information in N.J.A.C. 13:61-1.4(d)3.

In accordance with N.J.S.A. 52:14B-5.1.c(1), timely filing of this notice extends the expiration date of the chapter seven years from the date of filing.

Full text of the technical changes follows (additions in boldface **thus**; deletions indicated in brackets [thus]):
