Good evening,

Earlier in the afternoon, the demonstrators were assembled on the bike fenced police line, on the north side of Lafayette Park.

While demonstrators assembled on the north side, some agitators climbed and attempted to pass through the burned-out shell of the comfort station to by-pass the police line. The agitators threw projectiles of rocks and bricks at the units within the park.

US Park Police, USSS, and assisting agency units maintained the police line.

After verbal warnings to clear the to Lafayette Park and H Street, USPP and assisting agency units moved to H Street to start clearing the public from the area.

Currently, USPP and USSS units are holding closures along H Street to facilitate the installation of fencing along Lafayette Park.

There were no reported injuries to Force personnel at this time.

Respectfully,

Lieutenant Erich Koehler

Good morning,

Mr. Zawislak asked me to help out on this where I can. This morning, I researched in GSA Advantage, the attached products which aligns with the request Ofc. [REDACTED] provided yesterday. I know this is time sensitive and trying to assist where I can. GSA Advantage was extremely slow to conduct research for these items which took about an hour. One item I had difficulty locating was the CS Triple-Phaser Canister which appears to be the same product as the Outdoor triple phaser, as the product in the picture is noted as ref pn 5231. I am still unable to fully access GSA and sent several requests to reset my password. As I could not log in, I was not able to identify shipping costs.

I drafted the FBMS doc, but realize it needs additional info. I am guessing additional documentation is required such as the IGE, Acquisition Plan and Market Research documents. I am not a COR but have overseen several processes. If I can help, please let me know. I am guessing there are previous contracting documents to support this request instead of reinventing the wheel on this.

If I am overstepping my role or in correct on the approach on this, please let me know.

Mr. Zawislak,

It sounds by your guidance, the normal contracting process will occur for SWATs munitions as the agency is making emergency purchases. If this is the case, SWAT personnel would handle their routine contracting process. Can you please confirm? I am confused by Rebecca's email.

Hi all,

We are seeing reporting that the U.S. Park Police did NOT use tear gas on protesters in clearing Lafayette Square last night, before President Trump's walk to St. John's Church. Can you confirm this? If tear gas was not used, can you explain what was used to clear protesters from the area (smoke cannisters?)

Separately, can you also confirm WHEN the Park Police was told the President would be walking across the square?

Thank you for guidance,

Can you tell me if you cleared the park in preparation for President Trump's visit to St. John's Church? Were you asked to do this? We have also seen reports that you cleared the park because officers were getting hit with items from the protestors. Can you clarify what happened last night including timing and what entities were involved? Can you tell me the plans for this evening? Any information is appreciated.

Thank you for your time and service.

Commonwealth of Virginia
Office of the Governor

Executive Order

NUMBER SIXTY-FOUR (2020)

DECLARATION OF A STATE OF EMERGENCY DUE TO CIVIL UNREST AND INSTITUTION OF A CURFEW IN THE CITY OF RICHMOND

Importance of the Issue

On this day, May 31, 2020, I declare that a state of emergency exists in the Commonwealth of Virginia due to past and potential future civil unrest that poses a danger to public safety. The Commonwealth of Virginia has experienced significant events in the past 48 hours that have required intervention to restore order, ensure the safety of protestors and the public, protect property, and provide additional resources to support our local and state partners. In the past 24 hours alone, there have been numerous instances of unlawful activity resulting in injuries to peaceful protestors and first responders, significant property damage, and continued escalation of violent events. Specific incidents include unlawful assemblies declared in the City of Richmond, Prince William County, and Roanoke, extensive property damage in the City of Richmond including the burning of two buildings, vehicle fires, debris and dumpster fires, vandalism, looting, and the damage to law enforcement vehicles.

The Commonwealth has a compelling interest to maintain peace and order in the face of escalating tension. The effects of this civil unrest constitute an emergency wherein human lives and public and private property are imperiled, as described in § 44-146.16 of the *Code of Virginia (Code)*. Action is necessary to preserve life and property and to alleviate the conditions caused by this situation.

Therefore, by virtue of the authority vested in me by Article V of the Constitution of Virginia, by §§ 44-146.17 and 44-75.1 of the *Code*, and as Governor and Director of Emergency Management and Commander-in-Chief of the Commonwealth's armed forces, I proclaim that a state of emergency exists in the Commonwealth of Virginia. Accordingly, I direct state and local governments to render appropriate assistance to prepare for and respond to this situation, to

alleviate any conditions resulting from the situation, and to implement recovery and mitigation operations and activities so as to return impacted areas to pre-event conditions as much as possible. Emergency services shall be conducted in accordance with § 44-146.13 *et seq.* of the *Code*.

In order to marshal all public resources and appropriate preparedness, response, and recovery measures, I order the following actions:

- A. Implementation by state agencies of the Commonwealth of Virginia Emergency Operations Plan, as amended, along with other appropriate state plans.
- B. Activation of the Virginia Emergency Operations Center and the Virginia Emergency Support Team, as directed by the State Coordinator of Emergency Management, to coordinate the provision of assistance to state, local, and tribal governments and to facilitate emergency services assignments to other agencies.
- C. Authorization for the heads of executive branch agencies, on behalf of their regulatory boards as appropriate, and with the concurrence of their Cabinet Secretary, to waive any state requirement or regulation, and enter into contracts without regard to normal procedures or formalities, and without regard to application or permit fees or royalties. All waivers issued by agencies shall be posted on their websites.
- D. Activation of the Virginia National Guard to State Active Duty.
- E. Authorization of a maximum of \$350,000 in state sum sufficient funds for state and local government mission assignments and state response and recovery operations authorized and coordinated through the Virginia Department of Emergency Management allowable by The Stafford Act, 42 U.S.C. § 5121 *et seq.* Included in this authorization is \$250,000 for the Department of Military Affairs.

Further, I declare that the City of Richmond shall be under a curfew between the hours of 8 p.m. and 6 a.m. beginning May 31, 2020, and ending June 3, 2020. Unless extended by further executive order, the curfew shall end at 6 a.m., June 3, 2020. While the curfew is in place no person shall be present on any street, road, alley, avenue, park, or other public place in the City of Richmond with the following exceptions:

- Persons traveling to and from home, work, or places of worship;
- Hospital personnel;
- Members of the press;
- State and City of Richmond employees and volunteers;
- Military personnel including but not limited to national guard troops;

- Private emergency medical transport workers;
- Persons seeking emergency services; and
- Other emergency workers

Nothing in this Order shall be construed to prohibit or restrict travel to a hospital in the event of a medical emergency, nor shall such travel be considered in violation of this Order.

Violation of this Order shall be a Class 1 misdemeanor pursuant to § 44-146.17 of the *Code of Virginia*.

Effective Date of this Executive Order

This Order shall be effective immediately and with the exception to the provisions instituting a curfew, shall remain in full force and effect until June 29, 2020, unless amended or rescinded by further executive order.

Given under my hand and under the Seal of the Commonwealth of Virginia this 31st day of May, 2020.

Ralph S. Northam, Governor

Attest:

Kelly Thomasson, Secretary of the Commonwealth

ORIGINATING AGENCY: Office of the Mayor

By virtue of the authority vested in me as Mayor of the District of Columbia pursuant to section 422 of the District of Columbia Home Rule Act, approved December 24, 1973, Pub. L. 93-198, 87 Stat. 790, D.C. Official Code § 1-204.22 (2016 Repl.); pursuant to the Coronavirus Support Emergency Amendment Act of 2020 (the "Act"), effective May 19, 2020, D.C. Official Code §§ 7-131 *et seq.* (2012 Repl.); 24 DCMR §§ 2200 - 2203, and in accordance with Mayor's Order 2020-045, dated March 11, 2020, Mayor's Order 2020-046, dated March 11, 2020, Mayor's Order 2020-050, dated March 20, 2020, Mayor's Order 2020-063, dated April 15, 2020, Mayor's Order 2020-066, May 13, 2020, and Mayor's Order 2020-068, dated May 31, 2020, it is hereby **ORDERED** that:

I. BACKGROUND

1. The findings of Mayor's Order 2020-068, dated May 31, 2020, are incorporated herein.
2. For the past several nights, our police, firefighters, and members of the public safety team for Washington, DC, along with our federal partners, have been working to make sure people may exercise their First Amendment rights, while not defacing, damaging, or destroying churches, monuments, parks, businesses, and government offices in Washington, DC.
3. In multiple areas throughout the District of Columbia, numerous businesses, vehicles, and government buildings have been vandalized, burned, or looted. More than eighty (80) individuals were arrested over the past two (2) days in connection with these incidents, with the majority charged with felonies.
4. On the night of May 31, 2020, looting and vandalism occurred at multiple locations throughout the city, in addition to the rioting in the downtown area.

Vandals smashed windows in Northeast DC, upper Northwest DC stretching to Georgetown, and caused extensive damage in the Golden Triangle Business Improvement District, Downtown DC Business Improvement District, and Mount Vernon Triangle Community Improvement District. Rioting and looting affected the operations of District government agencies.

5. Moreover, the District continues to be under a declared public health state of emergency due to COVID-19, and gatherings of more than ten (10) persons are currently prohibited in order to reduce the spread of the disease and to protect the public health.
6. I must exercise my authority to impose a new curfew, in order to protect the safety of persons and property in the District.

II. CURFEW ORDERED

1. A District-wide curfew is hereby imposed during the following times:
 - a. Monday, June 1, 2020, beginning at 7:00 p.m. and ending at 6:00 a.m. on Tuesday, June 2, 2020; and
 - b. Tuesday, June 2, 2020, beginning at 7:00 p.m. and ending at 6:00 a.m. on Wednesday, June 3, 2020;
2. During the hours of the curfew, no person, other than persons designated by the Mayor, shall walk, bike, run, loiter, stand, or motor by car or other mode of transport upon any street, alley, park, or other public place within the District.
3. **Exemptions:** The curfew imposed by this Order shall not apply to:
 - a. Essential workers, including healthcare personnel and working media with their outlet-issued credentials, when engaged in essential functions, including travel to and from their essential work; and
 - b. Individuals who are voting and participating in election activities, including poll workers, volunteers, and individuals exercising their right to vote.
4. Nothing in this Order shall be construed to prohibit or restrict travel to a hospital or urgent care facility, nor shall such travel be considered in violation of this Order.

III. ENFORCEMENT

Any person who violates the curfew imposed by this Order may be subject to a criminal fine of up to three-hundred dollars (\$300) or to imprisonment for not more than ten (10) days pursuant to Title 24 of the District of Columbia Municipal Regulations § 2203.4.

IV. EFFECTIVE DATE: This Order shall become effective immediately.

Major and Elizabeth - Do you have the ability to enter a PR into FBMS? I foresee urgent PR entries for riot support and the operational tempo is precluding officers from entering it themselves. I have an approver (Connie Green) but with (b) (6), (b) (7)(C) tomorrow, (b) (6), (b) (7)(C), (b) (6), (b) (7)(C) working transportation and (b) (6), (b) (7)(C) doing everything under the sun, I'm out of resources.
