SCHEDULE

Schedule 1:	Lease between Concessioner and Port of San Francisco
-------------	--

IDENTIFICATION OF THE PARTIES

THIS CONTRACT is made and entered into by and between the United States of America, acting in this matter by the Director of the National Park Service, through the Regional Director of the Pacific West Region, (hereinafter referred to as the "Director"), and Alcatraz Cruises, LLC, a Limited Liability Company organized and existing under the laws of the State of California, (hereinafter referred to as the "Concessioner"):

WITNESSETH:

THAT WHEREAS, Golden Gate National Recreation Area is administered by the Director as a unit of the national park system to conserve the scenery and the natural and historic objects and the wildlife therein, and to provide for the public enjoyment of the same in such manner as will leave such Area unimpaired for the enjoyment of future generations; and

WHEREAS, to accomplish these purposes, the Director has determined that certain visitor services are necessary and appropriate for the public use and enjoyment of the Area and should be provided for the public visiting the Area; and

WHEREAS, the Director desires the Concessioner to establish and operate these visitor services at reasonable rates under the supervision and regulation of the Director; and

WHEREAS, the Director desires the Concessioner to conduct these visitor services in a manner that demonstrates sound environmental management, stewardship, and leadership; and

WHEREAS, the Director does not own or administer wharves in the City of San Francisco sufficient to serve as the embarkation point for the Concessioner to provide the required visitor services under this Contract, the National Park Service entered into a General Agreement as of September 25, 2018 ("General Agreement") with the City and County of San Francisco acting through the San Francisco Port Commission ("Port") pursuant to which the Port agreed to make available to the Concessioner for use as the San Francisco Embarkation Site for services under this Contract the real property and improvements located generally on portions of Pier 33 and the landing between Piers 31 and 33, including the Pier 31 ½ marginal wharf, generally described in Exhibit L to this Contract, and more specifically described in the Lease included as Schedule 1. The San Francisco Embarkation Site is comprised of pier sheds, pier bulkhead buildings, marginal wharf/plaza, and submerged lands and associated buildings, structures, fixtures, and other improvements located thereon. This Contract, and the Concessioner's use and occupancy of the San Francisco Embarkation Site, shall be contingent upon the Concessioner's executing simultaneously with this Contract a lease ("Lease") with the Port in the form set out in Schedule 1 to this Contract that will become effective as of the date of award of this Contract (within the meaning of 36 C.F.R. §51.3). The Lease will require investment by the Concessioner, in its capacity as Lessee, in capital improvements at the San Francisco Embarkation Site as set forth with specificity therein (and defined as Embarkation Site Improvements in Section 3(g)(3)(i) of this Contract).

WHEREAS, the National Park Service will not be a party to or a third-party beneficiary of the Lease; the Port will not be a party to or a third-party beneficiary of this Contract; and the Concessioner will not be a party to or a third-party beneficiary of the General Agreement.

NOW, THEREFORE, pursuant to the authority contained in the Acts of August 25, 1916 (54 U.S.C. §§100101 et seq.), and November 13, 1998 (Pub. L. 105-391 54 U.S.C. §§ 101911 et seq.), and other laws that supplement and amend the Acts, the Director and the Concessioner agree that the recitals set forth above are incorporated into this Contract as if fully re-stated herein:

The Concessioner shall provide, operate and maintain the required and authorized visitor services and any related support facilities and services in accordance with this Contract to such an extent and in a manner considered satisfactory by the Director. The San Francisco Embarkation Site is located outside the Area and governed by the Lease, so visitor complaints received, and conditions observed, by the Director concerning Concessioner's operations at the San Francisco Embarkation Site may be handled by the Director or forwarded to the Port for resolution. Except for any such items that may be provided to the Concessioner by the Director, the Concessioner shall provide the plant, personnel, equipment, goods, and commodities necessary for providing, operating and maintaining the required and authorized visitor services in accordance with this Contract. The Concessioner's authority to provide visitor services under the terms of this Contract is non-exclusive.

(c) Operating Plan

The Director, acting through the Superintendent, shall establish and revise, as necessary, specific requirements for the operations of the Concessioner under this Contract in the form of an Operating Plan (including, without limitation, a risk management program, that must be adhered to by the Concessioner). The initial Operating Plan is attached to this Contract as Exhibit B. The Director in his discretion, after consultation with the Concessioner, may make reasonable modifications to the initial Operating Plan that are in furtherance of the purposes of this Contract and are not inconsistent with the terms and conditions of the main body of this Contract.

(d) Merchandise and Services

(1) The Director reserves the right to determine and control the nature, type and quality of the visitor services described in this Contract, including, but not limited to, the nature, type, and quality of merchandise, if any, to be sold or provided by the Concessioner within the Area.

(2) All promotional material, regardless of media format (i.e. printed, electronic, broadcast media), provided to the public by the Concessioner in connection with the services provided under this Contract must be approved in writing by the Director prior to use. All such material will identify the Concessioner as an authorized Concessioner of the National Park Service, Department of the Interior.

(3) The Concessioner, where applicable, will develop and implement a plan satisfactory to the Director that will assure that gift merchandise, if any, to be sold or provided reflects the purpose and significance of the Area, including, but not limited to, merchandise that reflects the conservation of the Area's resources or the Area's geology, wildlife, plant life, archeology, local Native American culture, local ethnic culture, and historic significance.

(e) Rates

All rates and charges to the public by the Concessioner for visitor services shall be reasonable and appropriate for the type and quality of facilities and/or services required and/or authorized under this Contract. The Concessioner's rates and charges to the public must be approved by the Director in accordance with Applicable Laws and guidelines promulgated by the Director from time to time.

(f) Impartiality as to Rates and Services

(1) Subject to Section (f)(2) and (f)(3), in providing visitor services, the Concessioner must require its employees to observe a strict impartiality as to rates and services in all circumstances. The Concessioner shall comply with all Applicable Laws relating to nondiscrimination in providing visitor services to the public including, without limitation, those set forth in Exhibit C.

(2) The Concessioner may grant complimentary or reduced rates under such circumstances as are customary in businesses of the character conducted under this Contract. However, the Director reserves the right to review and modify the Concessioner's complimentary or reduced rate policies and practices as part of its rate approval process.

(3) The Concessioner will provide Federal employees conducting official business reduced rates for lodging, essential transportation and other specified services necessary for conducting official business in accordance with guidelines established by the Director. Complimentary or reduced rates and charges shall otherwise not be provided to Federal employees by the Concessioner except to the extent that they are equally available to the general public.

(g) San Francisco Embarkation Site

The Concessioner shall provide, at its sole cost and expense, throughout the term of this Contract, a San Francisco Embarkation Site as follows:

(1) Purpose and Need. For the purpose of providing one set of requirements sufficiently defined such that the criteria set in the National Park Service Concessions Management Improvement Act of 1998, 54 U.S.C. §101911 et seq., regarding the selection process, award, and management of concession contracts may be met, this Contract specifies the location of the San Francisco Embarkation Site and requires that the Concessioner enter into the Lease with the Port (not a party to this Contract) regarding the Concessioner's use and occupancy of the San Francisco Embarkation Site. These requirements were published in this Contract to provide certainty that would facilitate realistic offers with accurate evaluations of costs by offerors, and thus avoid delay in the award and performance of this Contract. The Concessioner

acknowledges that the Lease requires it to construct and maintain certain Embarkation Site Improvements specified therein (and as defined in Section 3(g)(3)(i), below) at its sole cost and expense.

(2) Securing Location and Operations During Terms of Contract and Lease. The Concessioner shall execute the Lease, in the form set out in Schedule 1 to this Contract, simultaneously with Concessioner's execution of the Contract. The Concessioner shall provide visitor services beginning from and ending at the San Francisco Embarkation Site throughout the terms of this Contract and the Lease, unless the Contract is terminated earlier as provided in Section 3(g)(3) or Section 16(b) of this Contract.

(3) Termination of Use of the San Francisco Embarkation Site. The Director and the Concessioner acknowledge that the Contract and the Lease address rights and obligations that, while separate and independent, nevertheless require performance in part at the same location. Accordingly, they agree that any material breach by the Concessioner of the Lease may, and any termination of the Lease will, affect the beginning and end point of the required visitor services to be provided by the Concessioner under the Contract. The Director and Concessioner further agree that any expiration or termination of the General Agreement also will have an effect on the beginning and end point of the required visitor services. Notwithstanding anything in Section 3(b) of this Contract to the contrary, the Director may terminate this Contract as follows:

(i) Failure to Timely Complete Required Improvements to San Francisco Embarkation Site. Independent of any action taken by the Port under the terms of the Lease, the Director shall terminate (by exercising a "Section 3(g)(3)(i) Termination") this Contract in the event the Concessioner fails to complete the improvements to the San Francisco Embarkation Site specified in the BLI – Embarkation Site Improvements, Section 13 of the Lease, and the Work Letter ("Embarkation Site Improvements") within five (5) years after the effective date of the Contract. The Section 3(g)(3)(i) Termination shall terminate the Contract effective as of a date no later than three (3) years after the date specified in a written notice from the Director to the Concessioner of termination. All of the provisions of Section 16(d) (Requirements in the Event of Termination or Expiration) of this Contract shall apply to any Section 3(g)(3)(i) Termination. For purposes of determining whether a Section 3(g)(3)(i) Termination should be exercised, the Director may at any time during the term of the Contract request from the Concessioner information concerning the status of completion of the Embarkation Site Improvements. Any such request shall not constitute a determination of the acceptability of the Embarkation Site Improvements or any related conditions on or at the San Francisco Embarkation Site or their conformance with the Lease or any other contract or agreement regarding the Embarkation Site Improvements, or relieve the Concessioner of any responsibility for performing the Contract. In addition, the Concessioner shall give the Director immediate written notice of any action or suit filed against it in connection with the Embarkation Site Improvements and prompt notice of any claim made against the Concessioner that could adversely affect the timely completion of the Embarkation Site Improvements. No information, notices, or assurances regarding the Embarkation Site Improvements provided by the Concessioner to the Director shall establish a contractual relationship between the Director and the Port of San Francisco.

(ii) Termination of the Lease. In the event the Lease is terminated by the Port of San Francisco, the Director shall terminate (by exercising a "Section 3(g)(3)(ii) Termination") all terms and conditions of this Contract that provide for ferry services to begin and end at the San Francisco Embarkation Site and, at the sole option of the Director, may suspend or terminate in whole or in part any other terms and conditions of this Contract. The Section 3(g)(3)(ii) Termination shall terminate the Contract in whole or in part as specified in and effective as of the date identified in a written notice of termination from the Director to the Concessioner. All of the provisions of Section 16(d) (Requirements in the Event of Termination or Expiration) of this Contract shall apply to any Section 3(g)(3)(ii) Termination of the terms and conditions of this Contract that provide for ferry services to begin and end at the San Francisco Embarkation Site. In the event any other terms and conditions of the Contract are suspended or terminated in whole or in part, such suspension or termination shall be considered to be a suspension or termination of those terms and conditions under Section 16 of the Contract.

(iii) Expiration or Termination of the General Agreement. In the event the General Agreement expires or is terminated, the Director shall terminate (by exercising a "Section 3(g)(3)(iii) Termination") all terms and conditions of this Contract that provide for ferry services to begin and end at the San Francisco Embarkation Site and, at the sole option of the Director, may suspend or terminate in whole or in part any other terms and conditions of this Contract. The Section 3(g)(3)(iii) Termination shall terminate the Contract in whole or in part as specified in and effective as of the date identified in a written notice of termination from the Director to the Concessioner. All of the provisions of Section 16(d) (Requirements in the Event of Termination or Expiration) of this Contract shall apply to any Section 3(g)(3)(iii) Termination of the terms and conditions of this Contract that provide for ferry services to begin and end at the San Francisco Embarkation Site. In the event any other terms and conditions of the Contract are suspended or terminated in whole or in part, such suspension or termination shall be considered to be a suspension or termination of those terms and conditions under Section 16 of the Contract.

(2) Reports. The Concessioner shall submit to the Director copies of all documents, reports, monitoring data, manifests, and other documentation required under Applicable Laws to be submitted to regulatory agencies. The Concessioner shall also submit to the Director any environmental plans for which coordination with Area operations are necessary and appropriate, as determined by the Director in accordance with Applicable Laws.

(3) Notification of Releases. The Concessioner shall give the Director immediate written notice of any discharge, release or threatened release (as these terms are defined by Applicable Laws) within or at the vicinity of the Area (whether solid, semi-solid, liquid or gaseous in nature), of any hazardous or toxic substance, material, or waste of any kind, including, without limitation, building materials such as asbestos, or any contaminant, pollutant, petroleum, petroleum product or petroleum by-product.

(4) Notice of Violation. The Concessioner shall give the Director in writing immediate notice of any written threatened or actual notice of violation from other regulatory agencies of any Applicable Law arising out of the activities of the Concessioner, its agents or employees.

(5) Communication with Regulatory Agencies. The Concessioner shall provide timely written advance notice to the Director of communications, including without limitation, meetings, audits, inspections, hearings and other proceedings, between regulatory agencies and the Concessioner related to compliance with Applicable Laws concerning operations under this Contract. The Concessioner shall also provide to the Director any written materials prepared or received by the Concessioner in advance of or subsequent to any such communications. The Concessioner shall allow the Director to participate in any such communications. The Concessioner shall also provide timely notice to the Director following any unplanned communications between regulatory agencies and the Concessioner.

(e) Corrective Action

(1) The Concessioner, at its sole cost and expense, shall promptly control and contain any discharge, release or threatened release, as set forth in this section, or any threatened or actual violation, as set forth in this section, arising in connection with the Concessioner's operations under this Contract, including, but not limited to, payment of any fines or penalties imposed by appropriate agencies. Following the prompt control or containment of any release, discharge or violation, the Concessioner shall take all response actions necessary to remediate the release, discharge or violation, and to protect human health and the environment.

(2) Even if not specifically required by Applicable Laws, the Concessioner shall comply with directives of the Director to clean up or remove any materials, product or by-product used, handled, stored, disposed, or transported onto or into the Area by the Concessioner to ensure that the Area remains in good condition.

(f) Indemnification and Cost Recovery for Concessioner Environmental Activities

(1) The Concessioner shall indemnify the United States in accordance with section 12 of this Contract from all losses, claims, damages, environmental injuries, expenses, response costs, allegations or judgments (including, without limitation, fines and penalties) and expenses (including, without limitation, attorneys fees and experts' fees) arising out of the activities of the Concessioner, its employees, agents and contractors pursuant to this section. Such indemnification shall survive termination or expiration of this Contract.

(2) If the Concessioner does not promptly contain and remediate an unauthorized discharge or release arising out of the activities of the Concessioner, its employees, agents and contractors, as set forth in this section, or correct any environmental self-assessment finding of non-compliance, in full compliance with Applicable Laws, the Director may, in its sole discretion and after notice to the Concessioner, take any such action consistent with Applicable Laws as the Director deems necessary to abate, mitigate, remediate, or otherwise respond to such release or discharge, or take corrective action on the environmental self-assessment finding. The Concessioner shall be liable for and shall pay to the Director any costs of the Director associated with such action upon demand. Nothing in this section shall preclude the Concessioner from seeking to recover costs from a responsible third party.

(g) Weed and Pest Management

The Concessioner shall be responsible for managing weeds, and through an integrated pest management program, harmful insects, rats, mice and other pests on Concession Facilities assigned to the Concessioner under this Contract. All such weed and pest management activities shall be in accordance with Applicable Laws and guidelines established by the Director.

(h) Protection of Cultural and Archeological Resources.

The Concessioner shall ensure that any protected sites and archeological resources within the Area are not disturbed or damaged by the Concessioner, including the Concessioner's employees, agents and contractors, except in accordance with Applicable Laws, and only with the prior approval of the Director. Discoveries of any archeological resources by the Concessioner shall be promptly reported to the Director. The Concessioner shall cease work or other disturbance which may impact any protected site or archeological resource until the Director grants approval, upon such terms and conditions as the Director deems necessary, to continue such work or other disturbance.

SEC. 7. INTERPRETATION OF AREA RESOURCES**(a) Concessioner Obligations**

(1) The Concessioner shall provide all visitor services in a manner that is consistent with and supportive of the interpretive themes, goals and objectives of the Area as reflected in Area planning documents, mission statements and/or interpretive prospectuses.

(2) The Concessioner may assist in Area interpretation at the request of the Director to enhance visitor enjoyment of the Area. Any additional visitor services that may result from this assistance must be recognized in writing through written amendment of Section 3 of this Contract.

(3) The Concessioner is encouraged to develop interpretive materials or means to educate visitors about environmental programs or initiatives implemented by the Concessioner.

(b) Director Review of Content

The Concessioner must submit the proposed content of any interpretive programs, exhibits, displays or materials, regardless of media format (i.e. printed, electronic, or broadcast media), to the Director for review and approval prior to offering such programs, exhibits, displays or materials to Area visitors.

SEC. 8. CONCESSION FACILITIES USED IN OPERATION BY THE CONCESSIONER**(a) Assignment of Concession Facilities**

(1) The Director hereby assigns the following Concession Facilities to the Concessioner for the purposes of this Contract:

(i) certain parcels of Area land as described in Exhibit D upon which, among other matters, the Concessioner may be authorized to construct real property; and

(ii) certain real property improvements described in Exhibit D in existence as of the effective date of this Contract, as may be modified from time to time to include additional real property improvements completed in accordance with the terms and conditions of this Contract.

(2) The Director shall from time to time amend Exhibit D to reflect changes in Concession Facilities assigned to the Concessioner, including, without limitation, amending Exhibit D to reflect the addition of real property improvements completed in accordance with the terms and conditions of this Contract and to reflect the withdrawal of Concession Facilities as set forth below.

(3) The improvements existing or to be constructed by Concessioner on the Port's property under the Lease are not Concession Facilities.

(b) Concession Facilities Withdrawals

The Director may withdraw all or portions of these Concession Facilities assignments at any time during the term of this Contract if:

(1) The withdrawal is necessary for the purpose of conserving, preserving or protecting Area resources or visitor enjoyment or safety;

(2) The operations utilizing the assigned Concession Facilities have been terminated or suspended by the Director; or

(3) Land or real property improvements assigned to the Concessioner are no longer necessary for the concession operation.

(c) Effect of Withdrawal

Any permanent withdrawal of assigned Concession Facilities which the Director or the Concessioner considers to be essential for the Concessioner to provide the visitor services required by this Contract will be treated as a termination of this Contract pursuant to Section 16. The Concessioner will be compensated pursuant to Section 17 for the value of any Leasehold Surrender Interest it may have, if any, in permanently withdrawn Concession Facilities. No other compensation is due the Concessioner in these circumstances.

(d) Right of Entry

The Director shall have the right at any time to enter upon or into the Concession Facilities assigned to the Concessioner under this Contract for any purpose he may deem necessary for the administration of the Area. The Director has no duty to monitor the condition of improvements existing or to be constructed by Concessioner on the Port's property under the Lease. Without diminishing the foregoing and without agreeing to undertake inquiry regarding site specific conditions of any other kind at the San Francisco Embarkation Site, the Director shall have the right to view conditions at the San Francisco Embarkation Site affecting visitor services under the Contract and, to allow for this, the Concessioner shall provide access upon Director request and accompany representatives of the Director to inspect all or any portion of the San Francisco Embarkation Site.

(e) Personal Property

(1) Personal Property Provided by the Concessioner. The Concessioner shall provide all personal property, including without limitation removable equipment, furniture and goods, necessary for its operations under this Contract, unless such personal property is provided by the Director as set forth in subsection (e)(2).

(i) Vessel Passenger Capacity. As set out more specifically in Exhibit B-1, the Concessioner must provide two (2) primary vessels that have a minimum U.S. Coast Guard (USCG) approved capacity no less than 700 passengers and two (2) primary vessels that have a minimum USCG approved capacity of no less than 500 passengers. These passenger capacities exclude required crew.

(ii) Vessel Design. As set out more specifically in Exhibit B-1, the Concessioner must use vessels with a minimum of one (1) enclosed climate-controlled deck, a maximum vessel length overall of 150 feet, a maximum vessel width of 60 feet, a maximum draft of no more than 9 feet, and provide interior seating for 40% of the vessels' total passenger capacity, while complying with any additional requirements specified by the U.S. Coast Guard for the specific vessels used.

(iii) Vessel Accessibility. As set out more specifically in Exhibit B-1, the Concessioner must use primary vessels with restrooms, drinking water, interior and exterior seating areas, interpretive services, and food and beverage services that are accessible to persons with disabilities. The Concessioner must provide tie-downs for wheelchairs onboard all vessels.

(iv) Minimum Vessel Engine Requirements. As set out more specifically in Exhibit B-1, Section 3, within one hundred and eighty (180) days of the Contract effective date, all vessel diesel propulsion and auxiliary engines used to provide the required services must meet, at a minimum, the published U.S. Environmental Protection Agency (EPA) emission standards for Tier 3 engines as specified in 40 C.F.R. Part 1042 for the class of engine in use and continue to use Tier 3 or higher-tier engines during the term of the Contract.

(2) Personal Property Provided by the Government. The Director may provide certain items of government personal property, including without limitation removable equipment, furniture and goods, for the Concessioner's use in the performance of this Contract. The Director hereby assigns government personal property listed in Exhibit E to the Concessioner as of the effective date of this Contract. This Exhibit E will be

modified from time to time by the Director as items may be withdrawn or additional items added. The Concessioner shall be accountable to the Director for the government personal property assigned to it and shall be responsible for maintaining the property as necessary to keep it in good and operable condition. If the property ceases to be serviceable, it shall be returned to the Director for disposition.

(i) Tugs and Trams Used for On-Island Transportation. As the tugs and trams will require rehabilitation or replacement within the term of the Contract, the Concessioner must rehabilitate them or acquire new ones. If the Concessioner acquires new tugs or trams, the new equipment, as identified in Exhibit E, must be sold to the successor concessioner during Contract transition for a price no greater than the original purchase price less 6.0% of the original purchase price for each year or partial year of operation.

(f) Condition of Concession Facilities

The Concessioner has inspected the Concession Facilities and any assigned government personal property, is thoroughly acquainted with their condition, and accepts the Concession Facilities, and any assigned government personal property, "as is."

(g) Utilities Provided by the Director

The Director may provide utilities to the Concessioner for use in connection with the operations required or authorized hereunder when available and at rates to be determined in accordance with Applicable Laws.

(h) Utilities Not Provided by the Director

If the Director does not provide utilities to the Concessioner, the Concessioner shall, with the written approval of the Director and under any requirements that the Director shall prescribe, secure necessary utilities at its own expense from sources outside the Area or shall install the utilities within the Area with the written permission of the Director, subject to the following conditions:

(1) Any water rights deemed necessary by the Concessioner for use of water on Area or other federal lands must be acquired at the Concessioner's expense in accordance with applicable State procedures and law. Upon expiration or termination of this Contract for any reason, the Concessioner must assign these water rights to the United States without compensation, and these water rights will become the property of the United States;

(2) If requested by the Director, the Concessioner must provide to the Director any utility service provided by the Concessioner under this section to such extent as will not unreasonably restrict anticipated use by the Concessioner. Unless otherwise agreed by the Concessioner and the Director in writing, the rate per unit charged the Director for such service shall be approximately the average cost per unit of providing such service; and

(3) All appliances and machinery to be used in connection with the privileges granted in this subsection, as well as the plans for location and installation of such appliances and machinery, shall first be approved by the Director.

SEC. 9. CONSTRUCTION OR INSTALLATION OF REAL PROPERTY IMPROVEMENTS

(a) Construction of Real Property Improvements

The Concessioner may construct or install upon lands assigned to the Concessioner under this Contract only those real property improvements that are determined by the Director to be necessary and appropriate for the conduct by the Concessioner of the visitor services required and/or authorized under this Contract. Construction or installation of real property improvements may occur only after the written approval by the Director of their location, plans, and specifications. The form and content of the application and the

procedures for such approvals, as may be modified by the Director from time to time, are set forth in Exhibit F. All real property improvements constructed or installed by the Concessioner will immediately become the property of the United States and be considered Concession Facilities.

(b) Removal of Real Property Improvements

(1) The Concessioner may not remove, dismantle, or demolish real property improvements in the Area without the prior approval of the Director.

(2) Any salvage resulting from the authorized removal, severance or demolition of a real property improvement within the Area shall be the property of the United States.

(3) In the event that an assigned real property improvement is removed, abandoned, demolished, or substantially destroyed and no other improvement is constructed on the site, the Concessioner, at its expense, shall promptly, upon the request of the Director, restore the site as nearly as practicable to its original condition.

(c) Leasehold Surrender Interest

(1) This Contract hereby provides the Concessioner, subject to all applicable definitions, requirements and limitations of this Contract and Exhibit A, a Leasehold Surrender Interest in Capital Improvements constructed by the Concessioner under the terms of this Contract, including, but not limited to, those Capital Improvements constructed as part of the Concession Facilities Improvement Program and those Capital Improvements which result from the Major Rehabilitation of an existing real property improvement. Upon completion of a Major Rehabilitation by the Concessioner, an existing real property improvement assigned to the Concessioner in which the Concessioner had no Leasehold Surrender Interest prior to the Major Rehabilitation shall be considered as a Capital Improvement for all purposes of this Contract.

(2) This Contract may provide the Concessioner a Leasehold Surrender Interest in real property improvements resulting from possessory interest obtained under the terms of a possessory interest concession contract. Exhibit G describes the real property improvements, if any, in which the Concessioner has such a Leasehold Surrender Interest and states the value of this Leasehold Surrender Interest as of the effective date of this Contract.

(3) The Concessioner shall not obtain Leasehold Surrender Interest under this Contract except as may be provided in Exhibit A and Exhibit F. Among other matters, no Leasehold Surrender Interest shall be obtained as a result of expenditures from the Repair and Maintenance Reserve described in this Contract, and this Contract does not provide a Leasehold Surrender Interest as a result of expenditures for repair and maintenance of Concession Facilities of any nature.

(d) Construction of Embarkation Site Improvements

The Concessioner shall be solely responsible for construction of the Embarkation Site Improvements consistent with the Port Lease to the San Francisco Embarkation Site and Exhibit B-2 to this Contract. The Director has no right or duty to oversee improvements on or in the space governed by the Lease. Notwithstanding the foregoing, because the Embarkation Site Improvements have a significant impact on visitor experience and because visitors must use said improvements on or in that space to access the visitor services to be provided by the Concessioner under the Contract, the Concessioner acknowledges that the design preferences, provided by the Director, and timely construction may be taken into consideration by the Director in its evaluations of the Concessioner.

SEC. 10. MAINTENANCE**(a) Maintenance Obligation**

The Concessioner shall be solely responsible for maintenance, repairs, housekeeping, and groundskeeping for all Concession Facilities to the satisfaction of the Director. The Director has no duty to monitor maintenance of improvements on or in the space governed by the Lease. Notwithstanding the foregoing, because visitors to the Area must use improvements on or in that space to access the visitor services to be provided by the Concessioner under the Contract, the Concessioner acknowledges that the Director may consider the appearance and condition of such improvements in the Director's evaluations of the Concessioner.

(b) Maintenance Plan

For these purposes, the Director, acting through the Superintendent, shall undertake appropriate inspections, and shall establish and revise, as necessary, a Maintenance Plan that applies to the Concession Facilities, vessels and applicable personal property (not space and improvements under the Lease) consisting of specific maintenance requirements which shall be adhered to by the Concessioner. The initial Maintenance Plan is set forth in Exhibit H. The Director in his discretion may make reasonable modifications to the Maintenance Plan from time to time after consultation with the Concessioner. Such modifications shall be in furtherance of the purposes of this Contract and shall not be inconsistent with the terms and conditions of the main body of this Contract.

(c) Repair and Maintenance Reserve

No Repair and Maintenance Reserve is included in this Contract.

SEC. 11. FEES**(a) Franchise Fee**

(1) For the term of this Contract, the Concessioner shall pay to the Director for the privileges granted under this Contract a franchise fee equal to thirty seven and three-quarters percent (37.75%) of the Concessioner's gross receipts for the preceding year or portion of a year.

(2) Neither the Concessioner nor the Director shall have a right to an adjustment of the fees except as provided below. The Concessioner has no right to waiver of the fee under any circumstances.

(b) Payments Due

(1) The franchise fee shall be due on a monthly basis at the end of each month and shall be paid by the Concessioner in such a manner that the Director shall receive payment within fifteen (15) days after the last day of each month that the Concessioner operates. This monthly payment shall include the franchise fee equal to the specified percentage of gross receipts for the preceding month.

(2) The Concessioner shall pay any additional fee amounts due at the end of the operating year as a result of adjustments at the time of submission of the Concessioner's Annual Financial Report. Overpayments shall be offset against the following year's fees. In the event of termination or expiration of this Contract, overpayments will first be offset against any amounts due and owing the Government and the remainder will be paid to the Concessioner.

(3) All franchise fee payments shall be deposited electronically by the Concessioner in accordance with Applicable Laws.

(c) Interest

An interest charge will be assessed on overdue amounts for each thirty (30) day period, or portion thereof, that payment is delayed beyond the fifteen (15) day period provided for above. The percent of interest charged will be based on the current value of funds to the United States Treasury as published quarterly in the Treasury Fiscal Requirements Manual. The Director may also impose penalties for late payment to the extent authorized by Applicable Law.

(d) Adjustment of Franchise Fee

(1) The Concessioner or the Director may request, in the event that either considers that extraordinary, unanticipated changes have occurred after the effective date of this Contract, a reconsideration and possible subsequent adjustment of the franchise fee established in this section. For the purposes of this section, the phrase "extraordinary, unanticipated changes" shall mean extraordinary, unanticipated changes from the conditions existing or reasonably anticipated before the effective date of this Contract which have or will significantly affect the probable value of the privileges granted to the Concessioner by this Contract. For the purposes of this section, the phrase "probable value" means a reasonable opportunity for net profit in relation to capital invested and the obligations of this Contract.

(2) The Concessioner or the Director must make a request for consideration by mailing, within sixty (60) days from the date that the party becomes aware, or should have become aware, of the possible extraordinary, unanticipated changes, a written notice to the other party that includes a description of the possible extraordinary, unanticipated changes and why the party believes they have affected or will significantly affect the probable value of the privileges granted by this Contract.

(3) If the Concessioner and the Director agree that extraordinary, unanticipated changes have occurred, the Concessioner and the Director will undertake good faith negotiations as to an appropriate adjustment of the franchise fee.

(4) The negotiation will last for a period of sixty (60) days from the date the Concessioner and the Director agree that extraordinary, unanticipated changes occurred. If the negotiation results in agreement as to an adjustment (up or down) of the franchise fee within this period, the franchise fee will be adjusted accordingly, prospectively as of the date of agreement.

(5) If the negotiation does not result in agreement as to the adjustment of the franchise fee within this sixty (60) day period, then either the Concessioner or the Director may request binding arbitration to determine the adjustment to franchise fee in accordance with this section. Such a request for arbitration must be made by mailing written notice to the other party within fifteen (15) days of the expiration of the sixty (60) day period.

(6) Within thirty (30) days of receipt of such a written notice, the Concessioner and the Director shall each select an arbiter. These two arbiters, within thirty (30) days of selection, must agree to the selection of a third arbiter to complete the arbitration panel. Unless otherwise agreed by the parties, the arbitration panel shall establish the procedures of the arbitration. Such procedures must provide each party a fair and equal opportunity to present its position on the matter to the arbitration panel.

(7) The arbitration panel shall consider the written submissions and any oral presentations made by the Concessioner and the Director and provide its decision on an adjusted franchise fee (up, down or unchanged) that is consistent with the probable value of the privileges granted by this Contract within sixty (60) days of the presentations.

(8) Any adjustment to the franchise fee resulting from this Section shall be prospective only.

(9) Any adjustment to the franchise fee will be embodied in an amendment to this Contract.

(10) During the pendency of the process described in this Section, the Concessioner shall continue to make the established franchise fee payments required by this Contract.

SEC. 12. INDEMNIFICATION AND INSURANCE

(a) Indemnification

The Concessioner agrees to assume liability for and does hereby agree to save, hold harmless, protect, defend and indemnify the United States of America, its agents and employees from and against any and all liabilities, obligations, losses, damages or judgments (including without limitation penalties and fines), claims, actions, suits, costs and expenses (including without limitation attorneys' fees and experts' fees) of any kind and nature whatsoever on account of fire or other peril, bodily injury, death or property damage, or claims for bodily injury, death or property damage of any nature whatsoever, and by whomsoever made, in any way connected with or arising out of the activities of the Concessioner, its employees, agents or contractors under this Contract. This indemnification shall survive the termination or expiration of this Contract.

(b) Insurance in General

(1) The Concessioner shall obtain and maintain during the entire term of this Contract at its sole cost and expense, the types and amounts of insurance coverage necessary to fulfill the obligations of this Contract as determined by the Director. The initial insurance requirements are set forth below and in Exhibit I. Any changed or additional requirements that the Director determines necessary must be reasonable and consistent with the types and coverage amounts of insurance a prudent businessperson would purchase in similar circumstances. The Director shall approve the types and amounts of insurance coverage purchased by the Concessioner.

(2) The Director will not be responsible for any omissions or inadequacies of insurance coverages and amounts in the event the insurance purchased by the Concessioner proves to be inadequate or otherwise insufficient for any reason whatsoever.

(3) At the request of the Director, the Concessioner shall at the time insurance is first purchased and annually thereafter, provide the Director with a Certificate of Insurance that accurately details the conditions of the policy as evidence of compliance with this section. The Concessioner shall provide the Director immediate written notice of any material change in the Concessioner's insurance program hereunder, including without limitation, cancellation of any required insurance coverages.

(c) Commercial Public Liability

(1) The Concessioner shall provide commercial general liability insurance against claims arising out of or resulting from the acts or omissions of the Concessioner or its employees, agents or contractors, in carrying out the activities and operations required and/or authorized under this Contract.

(2) This insurance shall be in the amount commensurate with the degree of risk and the scope and size of the activities required and/or authorized under this Contract, as more specifically set forth in Exhibit I. Furthermore, the commercial general liability package shall provide no less than the coverages and limits described in Exhibit I.

(3) All liability policies shall specify that the insurance company shall have no right of subrogation against the United States of America and shall provide that the United States of America is named an additional insured.

(4) From time to time, as conditions in the insurance industry warrant, the Director may modify Exhibit I to revise the minimum required limits or to require additional types of insurance, provided that any additional requirements must be reasonable and consistent with the types of insurance a prudent businessperson would purchase in similar circumstances.

(d) Property Insurance

(1) In the event of damage or destruction, the Concessioner will repair or replace those Concession Facilities and personal property utilized by the Concessioner in the performance of the Concessioner's obligations under this Contract.

(2) For this purpose, the Concessioner shall provide fire and extended insurance coverage on Concession Facilities and Concessioner's personal property, including vessels, for all or part of their replacement cost as specified in Exhibit I in amounts no less than the Director may require during the term of the Contract. The minimum values currently in effect are set forth in Exhibit I.

(3) Commercial property insurance shall provide for the Concessioner and the United States of America to be named insured as their interests may appear.

(4) In the event of loss, the Concessioner shall use all proceeds of such insurance to repair, rebuild, restore or replace Concession Facilities and/or personal property utilized in the Concessioner's operations under this Contract, as directed by the Director. Policies may not contain provisions limiting insurance proceeds to in situ replacement. The lien provision of Section 13 shall apply to such insurance proceeds. The Concessioner shall not be relieved of its obligations under subsection (d)(1) because insurance proceeds are not sufficient to repair or replace damaged or destroyed property.

(5) Insurance policies that cover Concession Facilities shall contain a loss payable clause approved by the Director which requires insurance proceeds to be paid directly to the Concessioner without requiring endorsement by the United States, unless the damage exceeds \$1,000,000. The use of insurance proceeds for repair or replacement of Concession Facilities will not alter their character as properties of the United States and, notwithstanding any provision of this Contract to the contrary, the Concessioner shall gain no ownership, Leasehold Surrender Interest or other compensable interest as a result of the use of these insurance proceeds.

(6) The commercial property package shall include the coverages and amounts described in Exhibit I.

SEC. 13. BONDS AND LIEN**(a) Bonds**

The Director may require the Concessioner to furnish appropriate forms of bonds in amounts reasonable in the circumstances and acceptable to the Director, in order to ensure faithful performance of the Concessioner's obligations under this Contract.

(b) Lien

As additional security for the faithful performance by the Concessioner of its obligations under this Contract, and the payment to the Government of all damages or claims that may result from the Concessioner's failure to observe any such obligations, the Government shall have at all times the first lien on all assets of the Concessioner within the Area, including, but not limited to, all personal property of the Concessioner used in performance of the Contract hereunder within the Area and any Leasehold Surrender Interest of the Concessioner.

SEC. 14. ACCOUNTING RECORDS AND REPORTS**(a) Accounting System**

(1) The Concessioner shall maintain an accounting system under which its accounts can be readily identified with its system of accounts classification. Such accounting system shall be capable of providing the

information required by this Contract, including but not limited to the Concessioner's repair and maintenance obligations. The Concessioner's system of accounts classification shall be directly related to the Concessioner Annual Financial Report Form issued by the Director.

(2) If the Concessioner's annual gross receipts are \$250,000 or more, the Concessioner must use the accrual accounting method.

(3) In computing net profits for any purposes of this Contract, the Concessioner shall keep its accounts in such manner that there can be no diversion or concealment of profits or expenses in the operations authorized under this Contract by means of arrangements for the procurement of equipment, merchandise, supplies or services from sources controlled by or under common ownership with the Concessioner or by any other device.

(b) Annual Financial Report

(1) The Concessioner shall submit annually as soon as possible but not later than one hundred twenty (120) days after the last day of its fiscal year a financial statement for the preceding fiscal year or portion of a year as prescribed by the Director ("Concessioner Annual Financial Report").

(2) If the annual gross receipts of the Concessioner are in excess of \$1,000,000, the financial statements shall be audited by an independent Certified Public Accountant in accordance with Generally Accepted Auditing Standards (GAAS) and procedures promulgated by the American Institute of Certified Public Accountants.

(3) If annual gross receipts are between \$500,000, and \$1,000,000, the financial statements shall be reviewed by an independent Certified Public Accountant in accordance with Statements on Standards for Accounting and Review Services (SSARS) and procedures promulgated by the American Institute of Certified Public Accountants.

(4) If annual gross receipts are less than \$500,000, the financial statements may be prepared without involvement by an independent Certified Public Accountant, unless otherwise directed by the Director.

(c) Other Financial Reports

(1) Balance Sheet. Within ninety (90) days of the execution of this Contract or its effective date, whichever is later, the Concessioner shall submit to the Director a balance sheet as of the beginning date of the term of this Contract. The balance sheet shall be audited or reviewed, as determined by the annual gross receipts, by an independent Certified Public Accountant. The balance sheet shall be accompanied by a schedule that identifies and provides details for all capital improvements in which the Concessioner claims a Leasehold Surrender Interest. The schedule must describe these capital improvements in detail showing for each such capital improvement the date acquired, constructed or installed.

(2) Statements of Reserve Activity. No Repair and Maintenance Reserve is included in this Contract.

SEC. 15. OTHER REPORTING REQUIREMENTS

The following describes certain other reports required under this Contract:

(a) Insurance Certification

As specified in Section 12, the Concessioner shall, at the request of the Director, provide the Director with a Certificate of Insurance for all insurance coverages related to its operations under this Contract. The Concessioner shall give the Director immediate written notice of any material change in its insurance program, including without limitation, any cancellation of required insurance coverages.

(b) Environmental Reporting

The Concessioner shall submit environmental reports as specified in Section 6 of this Contract, and as otherwise required by the Director under the terms of this Contract.

(c) Miscellaneous Reports and Data

The Director from time to time may require the Concessioner to submit other reports and data regarding its performance under the Contract or otherwise, including, but not limited to, operational information.

SEC. 16. SUSPENSION, TERMINATION, OR EXPIRATION**(a) Suspension**

The Director may temporarily suspend operations under this Contract in whole or in part in order to protect Area visitors or to protect, conserve and preserve Area resources. No compensation of any nature shall be due the Concessioner by the Director in the event of a suspension of operations, including, but not limited to, compensation for losses based on lost income, profit, or the necessity to make expenditures as a result of the suspension.

(b) Termination

(1) The Director may terminate this Contract at any time in order to protect Area visitors, protect, conserve, and preserve Area resources, or to limit visitor services in the Area to those that continue to be necessary and appropriate.

(2) The Director may terminate this Contract if the Director determines that the Concessioner has materially breached any requirement of this Contract, including, but not limited to, the requirement to maintain and operate visitor services to the satisfaction of the Director, the requirement to provide only those visitor services required or authorized by the Director pursuant to this Contract, the requirement to pay the established franchise fee, the requirement to prepare and comply with an Environmental Management Program, the requirement to duly expend funds from the repair and maintenance reserve and the requirement to comply with Applicable Laws.

(3) In the event of a breach of the Contract, the Director will provide the Concessioner an opportunity to cure by providing written notice to the Concessioner of the breach. In the event of a monetary breach, the Director will give the Concessioner a fifteen (15) day period to cure the breach. If the breach is not cured within that period, then the Director may terminate the Contract for default. In the event of a nonmonetary breach, if the Director considers that the nature of the breach so permits, the Director will give the Concessioner thirty (30) days to cure the breach, or to provide a plan, to the satisfaction of the Director, to cure the breach over a specified period of time. If the breach is not cured within this specified period of time, the Director may terminate the Contract for default. Notwithstanding this provision, repeated breaches (two or more) of the same nature shall be grounds for termination for default without a cure period. In the event of a breach of any nature, the Director may suspend the Concessioner's operations as appropriate in accordance with Section 16(a).

(4) The Director may terminate this Contract upon the filing or the execution of a petition in bankruptcy by or against the Concessioner, a petition seeking relief of the same or different kind under any provision of the Bankruptcy Act or its successor, an assignment by the Concessioner for the benefit of creditors, a petition or other proceeding against the Concessioner for the appointment of a trustee, receiver, or liquidator, or, the taking by any person or entity of the rights granted by this Contract or any part thereof upon execution, attachment or other process of law or equity. The Director may terminate this Contract if the Director determines that the Concessioner is unable to perform the terms of Contract due to bankruptcy or insolvency.

(5) Termination of this Contract for any reason shall be by written notice to the Concessioner.

(c) Notice of Bankruptcy or Insolvency

The Concessioner must give the Director immediate notice (within five (5) days) after the filing of any petition in bankruptcy, filing any petition seeking relief of the same or different kind under any provision of the Bankruptcy Act or its successor, or making any assignment for the benefit of creditors. The Concessioner must also give the Director immediate notice of any petition or other proceeding against the Concessioner for the appointment of a trustee, receiver, or liquidator, or, the taking by any person or entity of the rights granted by this Contract or any part thereof upon execution, attachment or other process of law or equity. The removal of such personal property must occur within thirty (30) days after the termination of this Contract for any reason or its expiration (unless the Director in particular circumstances requires immediate removal).

(3) To avoid interruption of services to the public upon termination of this Contract for any reason, or upon its expiration, the Concessioner, upon the request of the Director, shall consent to the use by another operator of the Concessioner's personal property, excluding inventories if any, not including current or intangible assets, for a period of time not to exceed one (1) year from the date of such termination or expiration.
