DNCY, Aramark, and the Government are also hereinafter sometimes collectively referred to as the “Parties” and individually as a “Party.”

RECITAL OF FACTS:

WHEREAS, DNCY and the Government, through the Director of the National Park Service (“NPS”) on behalf of the Secretary of the Department of the Interior, were parties to Concession Contract CC-YOSE004-93, as amended, extended, and continued (the “DNCY Contract”), for provision of concession services at Yosemite National Park (“Yosemite”), which expired by its terms on February 29, 2016;

WHEREAS, on June 16, 2015, NPS announced its selection of Aramark as the awardee of Contract No. CC-YOSE004-16 (the “Aramark Contract” or “concession contract CC-YOSE004-16”) for the provision of concession services at Yosemite commencing March 1, 2016;

WHEREAS, on September 17, 2015, DNCY commenced an action against the Government in the United States Court of Federal Claims, *DNC Parks & Resorts at Yosemite, Inc. v. United States*, No. 1:15-cv-01034-PEC (Fed. Cl.) (the “Lawsuit”);

WHEREAS, in the Lawsuit DNCY asserted claims for, *inter alia*, breach of the DNCY Contract arising out of the alleged failure of the Government to require Aramark to purchase trademarks and assets that DNCY used or held for use in its operations at Yosemite, and out of the alleged breach of an implied-in-fact contract with DNCY to conduct a fair competition for concession contract CC-YOSE004-16, seeking damages in an amount to be proved at trial;

WHEREAS, on February 26, 2016, DNCY and Aramark entered into an Asset Purchase Agreement (the “APA”), whereby Aramark purchased from DNCY certain of DNCY’s assets used or held for use in DNCY’s operations at Yosemite, excluding the assets that were in dispute in the Lawsuit;

WHEREAS, on February 26, 2016, the Government filed with the Trademark Trial and Appeal Board a Consolidated Petition to Cancel certain of DNCY’s registered trademarks, including YOSEMITE NATIONAL PARK (Reg. No. 2715307), THE AWAHNEE (Reg. No.

WHEREAS, Aramark joined the Lawsuit as a third-party defendant on March 9, 2017;

WHEREAS, the Government and Aramark each have denied any liability and have asserted various affirmative defenses against the claims in the Lawsuit;

WHEREAS, it is the intention of the Parties to settle and dispose of fully and completely all obligations and liability, if any, of the Government or Aramark to DNCY, of DNCY to the Government or Aramark, of the Government to Aramark, or of Aramark to the Government related to the Lawsuit, and any and all contracts, agreements, warranties, controversies, claims, and demands involved in the Lawsuit and the transactions between the Parties arising out of, connected with or incidental to the Lawsuit (except for those involving fraud); and

WHEREAS, as an expeditious means of resolving the Lawsuit, and without any admission of liability, fault, or obligation by the Parties, and in the spirit of compromise, the Parties now desire to settle this dispute, including without limitation the Lawsuit and any claims one Party may have against another concerning or related to the DNCY Contract, the terms of the Prospectus (defined below), or the transfer of tangible and intangible assets from DNCY to Aramark or the Government, in accordance with this Agreement.

fraud against the Government arising out of or relating to the Prospectus, this Agreement, or the transfer of assets from DNCY to Aramark or the Government; and (2) Aramark does not release, waive or abandon any claims against the Government arising out of or relating to the terms of the enacted concession contract CC-YOSE004-16, including the Government's compliance with its obligations under CC-YOSE004-16.

9. Release of Aramark by the Government. As of the Effective Date and in consideration of the agreements of Aramark as set forth herein, including without limitation the releases and other covenants in this Agreement, the Government, on behalf of itself and its past, present and future officials, departments, agents, employees, and any of their legal representatives (and the predecessors, heirs, executors, administrators, successors and assigns of each of the foregoing), hereby releases and forever discharges Aramark, its present and former parents, subsidiaries, divisions, affiliates, stockholders, members, employees, officers, directors, agents, insurers, trustees and partners, and any of its legal representatives (and the predecessors, heirs, executors, administrators, successors and assigns of each of the foregoing), from: any and all manner of claims, disputes, actions, liabilities, causes of action, suits, set-offs, counterclaims, demands, losses, sanctions, damages, costs (including attorneys' fees), debts and expenses, based on any legal or equitable theory, right of action or otherwise (whether arising under the federal, state, local law, regulation or common law of any country, including without limitation the United States of America), foreseen or unforeseen, known or unknown, liquidated or unliquidated, matured or unmatured, accrued or not accrued, absolute or contingent, presently existing or hereafter discovered, which are encompassed by the Lawsuit, could have been raised in the Lawsuit, or are related to the transactions between the Parties arising out of, connected with or incidental to the Lawsuit, or concern the terms of the Prospectus, or relate to the Marks, Branded Assets, Fixed Capitalized Assets, and Tent-Related Assets, which the Government ever had, or now has or may have, at any time from the beginning of the world until the Effective Date, *except that:* (1) the United States does not release, waive, or abandon any claims of fraud against Aramark arising out of or relating to the Prospectus, this Agreement, or the transfer of assets from DNCY to Aramark or the Government; and (2) the Government does not release, waive or abandon any claims against Aramark arising out of or relating to the terms of the enacted concession contract CC-YOSE004-16, including Aramark's compliance with its obligations under CC-YOSE004-16.

10. Clarification of Release Carve-Outs. For clarity, none of the fraud exceptions to the releases set forth in Sections 4, 6, 8 and 9 hereof constitutes an agreement by the released Party that the releasing Party may assert a fraud claim in the future that would otherwise be barred, on the ground that such claim should have been raised in the Lawsuit or is filed beyond the applicable statute of limitations. Nothing in this Agreement precludes a released Party from defending such a fraud claim on the ground that it was a compulsory counterclaim in the Lawsuit under Rule 13(a) of the Rules of the United States Court of Federal Claims.

11. Stipulations of Dismissal With Prejudice.

(a) Within five (5) business days of DNCY's irrevocable receipt of both Settlement Payments, the Parties' attorneys shall file with the Court of Federal Claims a stipulation of dismissal (the "CFC Stipulation"), in the form attached hereto as **Exhibit G**, to cause the Lawsuit to be dismissed with prejudice, with each Party bearing its own attorneys' fees and costs;

(b) Within five (5) business days of Aramark's receipt of the Marks Assignment executed by DNCY, the attorneys for the Government and DNCY shall file a stipulation of dismissal (the "TTAB Stipulation"), in the form attached hereto as **Exhibit H**, to cause the proceeding commenced by NPS against DNCY in the United States Patent and Trademark Office before the Trademark Trial and Appeal Board (*Nat'l Park Serv. v. DNC Parks & Resorts at Yosemite*, Cancellation No. 92063225), to be dismissed with prejudice, with each Party bearing its own attorneys' fees and costs.

12. Public Statements About Settlement and Non-Disparagement.

DNCY and Aramark agree that the only public comments or statements about this settlement including but not limited to press releases, press statements, or other communications to the press will be made by the United States. DNCY and Aramark agree that they will use their commercially reasonable efforts to ensure that their respective officers and directors refrain from doing or saying anything, verbally or in writing, and directly or indirectly, that constitutes a public statement or commentary on this settlement; provided, however, that DNCY and Aramark reserve the right to respond to any public statement issued by the United States that DNCY or Aramark reasonably deems to be inaccurate or disparaging.

DNCY and Aramark further agree that they will use their commercially reasonable efforts to ensure that their respective officers and directors refrain from doing or saying anything, verbally or in writing, and directly or indirectly, that criticizes, complains about, ridicules, blames, accuses, insults, or belittles the other Party concerning its respective conduct (a) leading up to and/or during the Lawsuit, or (b) relating to the DNCY Contract and/or the Aramark Contract,

including, but not limited to, the Parties' conduct relating to the Marks, Branded Assets, Fixed Capitalized Assets and Tent-Related Assets. For the avoidance of doubt, DNCY's and Aramark's duties pursuant to this section extend, but are not limited, to comments, statements and actions directed to third parties, members of the press or other media, private businesses, public agencies and bodies—including Congress or any other government officials—and to the public at large. Nothing in this provision shall limit any Party in any way from making truthful statements of fact about any subject. DNCY and Aramark agree that an alleged violation of this Paragraph shall not be a basis for terminating the Agreement.

13. Future Legislation or Regulation. Nothing in this Agreement shall be construed in any way to hinder or limit the United States' ability to enact legislation or issue regulations concerning concessioners who, after the date of the execution of this Agreement and without express written authorization from NPS, register or file applications to register trademarks or servicemarks on the names of properties or parks owned by the United States, the effect of which would be to bar a concessioner from future Government contracts of any and all kinds, including both procurement contracts and non-procurement concession contracts, or to otherwise negatively affect a concessioner in connection with any bid for future Government contracts (of any and all kinds). Furthermore, DNCY and Aramark agree not to bring any breach of contract or takings claims against the United States' enactment of any such legislation or issuance of any such regulations based on this Agreement.

14. Taxes. Each Party acknowledges that it is solely responsible for the payment of any and all taxes imposed upon it in connection with this Agreement and the payments and conveyances made and received hereunder. This Agreement is in no way related to or concerned with income or other taxes for which either DNCY or Aramark is now liable or may become liable in the future as a result of this Agreement.

15. Miscellaneous.

- (a) The Parties agree that they will, upon the reasonable request of another Party, execute and deliver such other documents and instruments and take such other actions as may be reasonably necessary and required to carry out the intent of this Agreement.
- (b) Each Party hereby represents and warrants to the other Parties that the execution, delivery and performance of this Agreement has been duly authorized by all necessary persons and that it has duly executed and delivered this Agreement. No consent, approval or authorization of any person or entity on the part of any Party hereto is required in connection with the execution, delivery and performance of this Agreement except that which has been duly obtained.

(c) The headings of this Agreement are for convenience or reference only, and shall not limit, expand, modify, or otherwise affect the meaning hereof.

- (e) Each Party agrees that its authorized representative has read this Agreement carefully and has signed this Agreement of its own free will and that each has in no way relied upon or been induced by any representation, statement or act by any other Party or its representatives, except as contained or referred to herein.
- (f) The Parties acknowledge that they are executing this Agreement after having received from independent legal counsel of their own choosing, legal advice as to their rights hereunder and the legal effect thereof, to the extent each deemed appropriate. The Parties agree to sign this Agreement as their own voluntary act and deed, and represent that such execution was not the result of any duress, coercion or undue influence upon either Party.
- (g) No promise, inducement or agreement other than that expressed herein, including the Exhibits attached hereto, has been made by any Party. This Agreement together with its Exhibits constitutes a single integrated contract expressing the entire agreement between the Parties with respect to the subject matter hereof and supersedes all other agreements between or among the Parties with respect to the subject matter hereof, whether oral or written.
- (h) The Recitals contained in this Agreement constitute statements of the Parties' intentions in entering into this Agreement and the circumstances surrounding its formation. As such, the Recitals, or any portion thereof (including, without limitation, defined terms) are incorporated by reference and shall be used to interpret this Agreement.
- (i) This Agreement shall be binding upon and shall inure to the benefit of each Party hereto and its past and present owners, officers, agents, employees, partners, directors, shareholders, attorneys, successors, heirs and assigns.
- (j) This Agreement shall be construed according to the federal law of government contracts.

- (k) The Parties agree to submit to the jurisdiction of the United States Court of Federal Claims for enforcement of the Agreement. If that Court is unable or unwilling to take jurisdiction for enforcement of the Agreement, the Agreement may be enforced by any court of competent jurisdiction.
- (l) This Agreement is a compromise of disputed claims and neither the existence of this Agreement, nor anything contained herein, nor any of the acts taken pursuant thereto, shall constitute or be construed as an admission of liability or wrongdoing by any Party to this Agreement. No Party makes any admission with respect to any of the other Parties' claims or allegations in the Lawsuit, including, but not limited to the validity or ownership of the Marks, or the propriety of DNCY's claims for compensation for, or the valuation of, the Marks, Branded Assets, Fixed Capitalized Assets, or Tent-Related Assets.
- (m) Any failure of any Party to enforce any term of this Agreement shall not be deemed a waiver of that term or of any other term of the Agreement. No term of this Agreement may be changed, modified, amended, altered, or waived except by written agreement signed by the Parties.
- (n) This Agreement is and shall be deemed jointly drafted and written by all Parties and shall not be construed or interpreted against the Party originating or preparing any part of it.
- (o) The invalidity or unenforceability of any term or requirement of this Agreement shall not be a basis to invalidate or find unenforceable any other term or requirement of this Agreement.
- (p) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, when taken together, shall constitute one and the same document, provided, however, that this Agreement shall not bind any Party unless and until all Parties have executed this Agreement whether in counterparts or not, together with all of the other documents required by the terms of this Agreement. For purposes of this Agreement, electronic copies, PDF copies, or facsimile signatures shall be deemed originals.

IN WITNESS WHEREOF, the Parties have duly executed copies of this Agreement as of the dates written below.
