On behalf of the Trustees of the Agriculture and New York State Horse Breeding Development Fund, I am excited to welcome you to the 2018 breeding season. We are pleased to share with you this Stallion Directory and all the benefits that come with choosing to breed in New York State.

This time of year we are filled with anticipation of the coming months—deciding on the perfect mating, seeing the foals born we have anxiously awaited, and receiving early training reports on the next crop. There is no better place to do this than the Empire State.

The New York Sires Stakes program is the oldest in North America with a long history of producing outstanding horses and providing exceptional value to breeders. Breeders who choose New York not only have the backing of a strong state-bred program when marketing their yearlings, but those with resident mares have the potential for Breeders Award earnings when their youngsters perform well on the track. More than \$14.3 million was paid out in stakes purses and \$1.1 million in breeders awards last year.

Combine that earning potential with a roster of eligible stallions who produce nationally competitive offspring and breeding in New York makes strong dollars and sense.

Enjoy exploring all New York has to offer and we wish you all the best in your breeding and racing endeavors this year.

Standardbred Owners Membership Drive

Our annual Membership Drive is now underway, and it is the perfect time for all horsemen to join or renew their membership in the SOA of New York. What unites us all is the desire to continue and preserve the revitalization of the harness horse racing industry in New York State.

The SOA negotiates a contract with track management, conducts regular meetings with management, administers a retirement and welfare program and very proactively represents all of your interests in Albany. We have taken significant steps to expand the distribution of the Yonkers Raceway simulcasting signal and help open up new markets for our racing product. Last year, Yonkers Raceway became the first racetrack in the United States, harness or thoroughbred, to have their races simulcast into Europe on a weekly basis. This year we improved on that relationship by having the Europeans commingle into the Yonkers pools for win and show bets. It is through this increased distribution that we can help grow both the wagering and popularity of our game.

Our purpose is to promote the sport and business of harness racing, and the interests of our members, and only through a united and active membership will we be able to achieve our goals. Individually our voice is not strong, but collectively we can be a force to be recognized and the SOA of New York has been a leader in delivering that message. We need to include you as a member of our team.

New for this year, the SOA of NY can now accept credit card transactions for your membership renewals. Please call the SOA office at 914-968-3599 and we will be glad to help you.

* NYSS/EXCELSIOR ELIGIBLE NO POINTS AWARDED

RESIDENCY BREEDERS AWARDS

The Residency Based Breeders' Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs.

Breeders of two- and three-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency based award.

Only breeders of horses finishing in positions 1-5 in the NYSS racing program will benefit from the Breeders' Awards program.

Payments to the breeder of each horse will be calculated based upon NYSS race event earnings each year.

ELIGIBILITY FOR BREEDERS' AWARD

It shall be the breeder's responsibility to ensure accurate records are kept on all progeny. The recipient of any breeders' award must be the owner of the mare at the time of mating as declared to the USTA. The racing horse must be nominated to the NYSS or be subsequently entered into sire stakes events in order for a breeders' award to be paid.

PAYMENT OF BREEDERS' AWARDS

Breeders' Awards will be based on NYSS race participation during the calendar year. At the end of the racing season total awards due each breeder will be calculated and paid as soon as practical. In the case of multiple breeders, the Fund will contact the first breeder listed on the horse's USTA registration papers. Information required for tax purposes will be requested of all recipient breeders.

AWARDS FAQ

What is the NYSS Breeders' Awards Program?

The Breeders' Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders' Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program.

What are the Residency Bonus Awards?

The Residency Bonus Awards reward breeders who keep their mares in New York State, thereby contributing to the New York State economy and agricultural market. The program is designed to stimulate New York State's agriculture sector and preserve open space through populating the state's many horse farms.

Who is eligible to receive a Breeders' Award?

Eligible recipients of a Residency Breeders' Award are individuals who have bred a mare who resided in New York State for at least 180 consecutive days during

the breeding year and whose progeny race in the NYSS as a two- and/or three-year-old and finish in positions one through five. The 180-day period must be met within the calendar year. In cases of multiple breeders, only one breeder will be the recipient of the award; the first breeder of record on the horses' USTA registration will be the initial contact.

Do I have to fill out a special form to be eligible for a Breeders' Award?

If you wish to be eligible for a Residency Breeders' Award, you will be required to fill out a "Residency Declaration/Arrival Form" and a "Mare Departure/180-Day Declaration of Residency Form" to certify your mare was a NYS resident for 180 continuous days during the current breeding year. Additionally, if your mare must leave the state for an emergency or if you transfer it to a different facility within NYS, you must fill out and submit the appropriate forms. These forms are available for download on the Fund's website in the "Forms and Downloads" section.

Is there a timeframe for when the forms are due to the Fund?

Yes, the 180-day residency forms must be filled out completely and accurately and within a specific timeframe; failure to do so may result in automatic disqualification from the program. The Residency Declaration/Arrival Form must be mailed or faxed to the Fund with a postmark or fax date no later than 30 days of arrival. The Mare Departure/180-Day Declaration of Residency Form must be mailed or faxed to the Fund with a postmark no later than 30 days of departure. The Resident Broodmare Emergency Leave Form and the Resident Broodmare Emergency Notice of Return Form must be mailed or faxed to the Fund within three days of the emergency and return.

I am a New York State resident and my mares are in NYS year-round. Is there anything I must do to be eligible for a Residency Bonus Award?

Yes, you must file, annually, with the Fund the Residency Declaration/Arrival Form when you wish your 180-day residency period to begin. You must also fill out the Mare Departure/180-Day Declaration of Residency Form at the end of the 180-day period to certify that your mare was resident in NYS for the continuous 180-day period. Please note: All forms are due to the Fund within 30 days of the start and end of the 180-day period. Failure to do so may result in disqualification from the Residency Breeders' Award program.

What if my mare has to leave the State because of an emergency?

If your mare has an emergency that results in the need for it to leave the State, you must notify the Fund within three days of its departure as well as its return. The Fund will have forms available on its website. Additionally, you will be required to provide supporting documentation that details the nature of the emergency, the timeline, and reason for the need to transfer the mare out of state. The Fund reserves the right to approve the leave or disqualify the mare from the Residency Bonus Awards program.

Can I move my mare to a different farm within New York State and still be eligible for a Residency Breeders' Award?

You may transfer your mare between farms within the State of New York; however you must fill out all of the appropriate forms to notify the Fund within the stated time period to remain eligible to the Residency Bonus program. Failure to fill out and submit the forms may result in automatic disqualification.

Does the 180-day period have to be continuous? And does it need to be satisfied within a calendar year?

Yes, the 180-day period must be continuous and the timeframe must be satisfied within the current calendar year.

How is the Breeders' Awards Program funded?

Breeders' Awards funds are derived from the remittances from the State's harness tracks and Off Track Betting parlors. Legislation mandates that the above stated entities provide a percentage of the total betting handle and the VLT revenue to the Agriculture & NYS Horse Breeding Development Fund for the administration of the New York Sire Stakes program, including the Breeders' Awards Program.

How much will each recipient receive?

The Fund's budget is based on a purse year of July to June. Therefore, the breakdown will be available on the Fund's website each year when all funds have been received and the Fund is able to accurately calculate the monies to be awarded.

Where can I find more information?

Please visit the Fund's website's breeding section, for more information about the Breeders' Awards Program. It is recommended that you visit the website regularly as the breeding season approaches for all of the latest information and forms for the Residency Breeders' Awards program

STALLION ELIGIBILITY

To be eligible a stallion must be registered with the Fund for the breeding year. The cost of registration is 25% of the stud fee (maximum \$5,000) or \$200 for those stallions standing for \$1,000 or less. The Fund requests that returning stallions register by November 15 of the year preceding the breeding year in question. The last date to register a stallion is January 1 of the breeding year in question. Stallions which have never stood in the state before may be registered up until April 1 by way of a late fee payment.

To be registered with the Fund the stallion must stand the entire stud season in New York and be: owned by a resident of New York State; owned by a resident of a state other than New York but leased for a period of not less than one year to a resident of New York State; owned by a resident(s) of a state other than New York together with a resident(s) of New York State and leased for a period of not less than one year to a resident of New York State; or owned by a syndicate, which if partly consisting of non-New York residents must lease the stallion to a New York resident for a period of not less than one year. Stallions may be leased to the New York farm where they will be standing to qualify for the "leased to a New York resident" requirement. All leases must be filed with the Fund at the time of registration.

Stallions enrolled for the designated breeding season must be standing for stud service on the designated farm not later than January 1. Enrolled stallions shall not be removed from the designated farm during the year (except in the case of medical emergency). Exceptions may be made through special permission of the Fund for stallions to race during the breeding season, to move from their designated farm to another farm in New York, or to stand dual hemisphere service. Please contact the Fund for the rules governing these exceptions, providing plenty of advance notice for the stallion to be granted permission before leaving from the farm.

Foals produced by semen transported and inseminated in mares outside New York State will not be eligible for nomination in the New York Sire Stakes program.

- (2) The owner of the dam need not be a resident of New York State and foaling need not be in New York State.
- (3) Proof of registration by the USTA or by a USTA recognized Standardbred registry organization dated on or before the time of nomination, must accompany each nomination.

The only exception will be in the case of same birth twins. To be eligible, a twin status must be indicated on the USTA registration certificates for the individuals in question.

STALLION ELIGIBILITY:

Eligible Stallions are those stallions:

- (1) Owned by a resident of New York state and standing the entire stud season in New York State, or

- (1) All 2- and 3-year-old staking fees available each year will be divided equally among all scheduled events, and will be added to the purses and distributed as follows:
 - (a) the 2- and 3-year-old February 15 fees will be divided equally between trot and pace divisions for colts and equally between trot and pace divisions for fillies.
 - (b) the 2- and 3-year-old April 15 payment will follow the horse by sex and gait.
- (2) New York Sire Stakes Fund monies will be divided each year in accordance with ratios established by the Fund.

RACING CONDITIONS:

- (1) Each race to be held in one dash at one mile.
- (2) A NYSS final or consolation race, if scheduled, for 2- and 3-yearolds who participated in NYSS No. 59. Horses will be segregated by sex and gait in all events. Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 59 raced at the participating pari-mutuel tracks and will be awarded as follows: 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth.

NEW YORK SIRE STAKES NO. 59 CONDITIONS (FOALS OF 2017)

The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation). Recalls – recalls in a NYSS race would be for the following reasons: Broken equipment, interference behind the starting gate, a horse falling before the word “go” is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.

(3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. Trailers will not be permitted to start in any New York Sire Stakes event. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts, on highest points earned.

Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.

(4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.

(5) In the event of a dead heat for any position in any leg of NYSS No. 59, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.

(6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8s or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier. There must be at least 5 horses entered in the consolations. If there are fewer than 5 horses in the consolation, but not less than 4 horses, the consolation race shall be held but the purse shall be prorated based on the number of horses entered unless reduced pursuant to 6 above. There shall be no consolation race scheduled if less than 4 horses are entered.

(7) All final and consolation races, if scheduled, will race for an announced purse to be determined by the Fund.

(8) No horse is eligible to declare in a NYSS event unless it meets the following:

- a) at least one charted satisfactory performance line within 30 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile Tracks 7/8 mile or larger Tracks

PACERS	2 YO 2:03	PACERS	2 YO 2:01
	3 YO 2:00		3 YO 1:58

TROTTERS	2 YO 2:07	TROTTERS	2 YO 2:05
	3 YO 2:05		3 YO 2:03

Add 7 seconds to the times above to get a mile and 1/16 mile equivalent. Charted track allowances may be used to meet the time standards.

b) and, the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in a NYSS event. If the break was an equipment break or caused by interference, (ix) or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said NYSS event. A person whose horse was disqualified due to a finding of non-cooperation or a positive test for a prohibited substance may appeal such a finding in a hearing conducted in accordance with the State Administrative Procedure Act and before a hearing officer designated by the Fund.

Should any participant in the Sire Stakes program be notified of a positive drug result, he/she must notify the Agriculture and New York State Horse Breeding Development Fund within 10 days upon receipt of the notice that they demand a hearing. The money will not be counted as money earned. The points will count towards the finals. The cancelled event will also count as a Sire Stakes start.

Extenuating circumstances such as weather and labor disputes could be cause for rescheduling the final or consolation races, as per the NYSGC Rule 4114.3. All events shall be scheduled and run in cooperation with each licensee harness track in this state.

(14) All questions of ELIGIBILITY will be decided by the Fund and the NYSGC.

Should there be a tie in the point standings for the final entrant, the judges will determine the final entrant by lot. Judges official order of finish will be used in determining eligibility to the Championship events exclusive of all appeals yet to be decided at time of declaration to the Championship event.
 - (c) Minimum starts: No horse shall be eligible to the Championship Race unless it has raced a minimum of five (5) different New York County Fairs that conduct NYSS races. Should there not be enough entries in the box with at least five starts to fill the race, the highest point earner which has entered with four starts shall be selected, etc. until there are enough entries to fill the first tier. Furthermore, any also eligible horses must have a minimum of four (4) NYSS County Fair starts.
 - (d) All horses that are to compete in the Championship Race must have an official charted satisfactory performance line within 45 days of declaration in order to be eligible to declare. Charters track allowances may be used to meet the time standards.
 - (e) Any horses for which a blood test shows the presence of any prohibited drug at any participating fair during the season will be ineligible for the county fair final.
 - (f) USTA Rule 21 and New York State Gaming Commission rules and regulations concerning positive drug tests will be strictly enforced.
 - (g) In the event of a close or disputed finish, the judge may consider a video replay of the finish if available from the representative of the Fund.
- (20) If track conditions do not allow the use of a mobile starting gate, the program will be cancelled. If a starting gate is unavailable at the last moment for unforeseen reasons, a walk-up start is permissible at the discretion of the Judge. In no event will the program be allowed to start more than two hours after the published post time.
- (21) All drivers, trainers and grooms must wear colors and safety helmets while warming up and racing at all county fairs.
- (22) **Race Day Testing:** All horses competing in any County Fair Series event will be subject to race day testing for impermissible administration of a drug or other substance to the horse. The testing shall also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. Failure to present a horse for testing may be cause for forfeiture of purse earnings. The testing shall be performed in a laboratory approved by the Fund. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund.
- Where the TCO2 blood level, based upon the above criteria, equals or exceeds thirty-seven (37) millimoles per liter, or thirty-nine (39) millimoles per liter for horses administered furosemide (Lasix), the following penalties shall be incurred:
- (a) Said horse shall be disqualified from any purse winnings in the race for which it tests high, and said purse monies shall be redistributed.
 - (b) Said horse shall be disqualified from participation in any New York Sire Stakes event, including the final and consolation, should there be one, for a period of sixty (60) days from the day of violation.
 - (c) Said horse shall be disqualified from participation in any event sponsored by the Fund, including State and County Fair races for the duration of the penalty.
- The New York State Gaming Commission (NYSGC) has regulatory authority over all pari-mutuel horse races in New York State. In any case of disparity between rules, the latest rules of NYSGC shall prevail.
- (23) **Out-of-Competition Testing:** Any person who participates in the New York Sire Stakes shall be deemed to have given consent to submit their horse or horses to out-of-competition testing. Under such consent, the Fund may at a reasonable time on any date take blood, urine or other biologic samples from a horse that is entered to compete in the New York Sire Stakes in order to enhance the ability of the Fund to detect or confirm the impermissible administration of a drug or other substance to the horse. Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes, including the Excelsior Series and County Fair races, for the respective year that the horse is eligible to compete. Samples shall be taken in accordance with the procedures found in 9 NYCRR 4120.17(b), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund. Prohibited substances include those substances listed in 9 NYCRR 4120.17(c), and for the purposes of this condition, all references to the "Commission" in that rule shall be considered references to the Fund.
