2021-IGFO-00139	05/06/2021	Hello, I would like to request budgetary information on the various counterterrorism activities funded through DHS. Ideally, I would like annual outlays and/or budget authority for each year from FY2002 through FY2021. I am trying to assess which funds for DHS were used for non-CT purposes versus those for CT purposes (preventing, responding to, and recovering from terrorist attacks, including threats to infrastructure, cyber threats, and all other activities that the department would classify as terrorism). If possible, I would appreciate an itemized list for each year (funding per program or activity within DHS), but if this is not possible then I would accept the aggregate level of funding for CT activities each year, ideally with some description of what the aggregate total includes. Thank you very much for your assistance with this and please let me know if you need additional details from me. Heidi Peltier (Date Range for Record Search: From 10/01/2002 To 09/30/2021)
