

CORONAVIRUS DISEASE (COVID-19) SERVICE ANNOUNCEMENT

Orlando Health LabWorks locations **do not** currently collect specimens for COVID-19 testing. A healthcare provider is responsible for ordering and collecting COVID-19 specimens at this time.

Out of consideration for other patients and Orlando Health LabWorks employees, individuals who meet the criteria for risk of having COVID-19 **should not** visit a LabWorks location. Instead, they should consult with their healthcare provider for appropriate guidance.

For more information regarding the coronavirus disease (COVID-19), please follow the link below to the Orlando Health homepage.
