PRIVATE EQUITY INVESTMENTS / FUND OF FUNDS LISTING

As of March 31, 2015

Captive fund-of-funds are discretionary accounts that allow CRF to access smaller and specialized private equity funds and to provide diversification for the private equity portfolio.

Due to confidentiality provisions and to protect the investment relationship between CRF and the underlying funds, some of the underlying partnerships are not named and are listed as Partnership # or Investment #.

The sum of commitments to the underlying funds contained in a fund-of-funds may not equal CRF's commitment to that fund-of-funds. Differences may result from payment of fees, or because the fund-of-funds may contain uncommitted capital.
