DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Stillaguamish Tribe of Indians; Plan for the Use and Distribution of the Stillaguamish Tribe of Indians Judgment Funds in Docket 207 Before the Indian Claims Commission

May 8, 1984.

This notice is published in exercise of authority delegated by the Secretary of the Interior to the Assistant Secretary for Indian Affairs by 209 DM 8.

The Act of October 19, 1973 (Pub. L. 93-134, 87 Stat. 466), as amended, requires that a plan be prepared and submitted to Congress for the use or distribution of funds appropriated to pay a judgment of the Indian Claims Commission or Court of Claims to any Indian tribe. Funds were appropriated on July 8, 1970, in satisfaction of the award granted to the Stillaguamish Tribe of Indians before the Indian Claims Commission Docket 207. The plan for the use and distribution of the funds was submitted to the Congress with a letter dated January 12, 1984, and was received (as recorded in the Congressional Record) by the Senate on January 23, 1984, and by the House of Representatives on January 23, 1984. The plan became effective on April 3, 1984, as provided by the 1973 Act, as amended by Pub. L. 97-458, since a joint resolution disapproving it was not enacted.

The plan reads as follows:

"The funds appropriated on July 8, 1970, in satisfaction of a judgment granted to the Stillaguamish Tribe of Indians of the State of Washington in Docket 207 by the Indian Claims Commission, including all interest and investment income accrued, shall be used and distributed as herein provided.

The tribe shall utilize the funds to pay attorney fees in the amount of \$13,922.23 for services rendered to the tribe in establishing their usual and accustomed places and to maintain their sovereign rights, to satisfy a debt with the Bureau of Indian Affairs in the amount of \$12,388.53 for over expenditures on a fishery contract P00C14206194; to purchase 3.5 acres of land which will cost between \$67,500-\$70,000 and any funds remaining shall be reinvested and may be utilized by the tribal council for land purchase or general tribal needs, subject to the approval of the Secretary of the Interior.

None of the funds made available under this plan for programming shall be subject to Federal or State income taxes, nor shall such funds nor their availability be considered as income or resources nor otherwise utilized as the basis for denying or reducing the financial assistance or other benefits to which such household or member would otherwise be entitled under the Social Security Act or, except for per capita shares in excess of \$2,000, any Federal or federally assisted programs."

Kenneth Smith,

Assistant Secretary-Indian Affairs.

BILLING CODE 4310-02-M

Pascua Yaqui Tribal Base Roll of September 18, 1980

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Indian Affairs is publishing the list of names which appear on the Pascua Yaqui Tribal Base Roll of September 18, 1980, prepared as required by the Act of September 18, 1978. The tribal base membership roll was compiled for use in the extension of certain Federal benefits, services and assistance to the Pascua Yaqui Indians of Arizona. The list of names is being published to satisfy the requirements contained in section 2 of the Act of September 18, 1978.

FOR FURTHER INFORMATION CONTACT: Samuel L. Hilliard, Coordinator, Fort McDowell Office, Bureau of Indian Affairs, P.O. Box 7007, Phoenix, Arizona 85011, telephone number (602) 241-2310 (FTS 261-2310).

SUPPLEMENTARY INFORMATION: The Act of September 18, 1978 (92 Stat. 712, Pub. L. 95-375) provided for the extension of certain Federal benefits, services and assistance to the Pascua Yaqui Indians of Arizona. Under section 2 of the Act, the Pascua Yaqui Tribe was to prepare a membership roll of persons who met the

requirements specified in section 3 of the Act. Individuals had no more than two years to apply for membership in order to be included on the base roll of the Pascua Yaqui Tribe which will be used as the basis for future membership in the Tribe and which was subject to review by the Secretary of the Interior. In accordance with section 2 of the Act, such base membership roll was to be published in the Federal Register.

By Resolution No. C-40-83, adopted October 8, 1983, the Pascua Yaqui Tribal Council resolved that the Pascua Yaqui Basic Membership Roll of September 18, 1980, be accepted subject to certain specified additions and deletions. The Coordinator of the Fort McDowell Office of the Bureau of Indian Affairs reviewed the Pascua Yaqui Base Roll of September 18, 1980, which had been corrected in accordance with the specifications of the Tribal Council, and certified the roll to be correct. By letter of December 1, 1983, the Phoenix Area Director of the Bureau of Indian Affairs advised the Chairman of the Pascua Yaqui Tribal Council of the approval of the roll. The list of names which appear on the Pascua Yaqui Tribal Base roll of September 18, 1980 is, therefore, being published to satisfy the requirements of section 2 of the Act of September 18, 1978.

This notice is published in exercise of authority delegated by the Secretary of the Interior to the Assistant Secretary for Indian Affairs by 209 DM 8.

Dated: May 9, 1984.

Kenneth Smith,
Assistant Secretary, Indian Affairs.

[Resolution No. C-40-83]

Resolution of the Pascua Yaqui Tribal Council

Acceptance of roll as the Pascua Yaqui Basic Membership Roll of September 18, 1980

Whereas:

1. Under Pub. L. 95-375, September 18, 1980 the membership roll of the Pascua Yaqui Tribe shall consist:

(A) the members of the Pascua Yaqui Association, Incorporated, as of the date of the enactment of this Act, who apply for enrollment in the Pascua Yaqui Tribe within one year from the date of enactment of this Act pursuant to the membership criteria and procedures provided for in the official governing documents of the Pascua Yaqui Tribe.

(B) All those persons of Yaqui blood who are citizens of the United States and who, within two years from the date of enactment of this Act, apply for, and are admitted to, membership in the Association pursuant to article VII of the Articles of Incorporation of the Association.

2. The September 18, 1980 membership basic roll must be published in the **Federal Register**.

Now therefore be it resolved:

1. That the Pascua Yaqui Tribal Council shall accept the Pascua Yaqui Basic Membership Roll of September 18, 1980 as the base roll.

2. That the Pascua Yaqui Tribal Council shall accept the September 18, 1980 membership roll with the understanding that the names of Pascua Yaqui Association members who did not apply for membership with the Pascua Yaqui Tribe and still appear on the base roll of September 18, 1980, be deleted from the tribal membership base roll.

3. That the Pascua Yaqui Tribal Council shall accept the September 18, 1980 membership roll with the understanding that the names of nineteen (19) Pascua Yaqui Tribal members be added on to the September 18, 1980 membership roll.

And be it finally resolved that:

The Chairman of the Pascua Yaqui Tribal Council is hereby authorized and directed to do and accomplish all things necessary and desirable to effectuate the purposes of this resolution.

Certification

I hereby certify that the foregoing resolution was duly considered by the Pascua Yaqui Tribal Council at a duly called meeting at Pascua Pueblo, Tucson, Arizona, at which a quorum was present and that same was passed by a vote of 6 in favor and 0 opposed, this 6th day of October 1983.

David A. Ramirez,
Chairman of the Council.

Attest:
Ruperto V. Mendez,
Secretary of the Council.

Certification

I certify that the attached Pascua Yaqui Tribal Base Roll of September 18, 1980, has been developed in accordance with Pub. L. 95-375 dated September 18, 1978, section 3(A); the members of the Pascua Yaqui Association, Incorporated, as of the date of the enactment of this Act, who apply for enrollment in the Pascua Yaqui Tribe within one year from the date of enactment of this Act pursuant to the membership criteria and procedures provided for in the official governing documents of the Pascua Yaqui Tribe; and section 3(B) which states: all those persons of Yaqui blood who are citizens of the United States and who, within two years from the date of enactment of this Act, apply for, and are admitted to, membership in the Association, pursuant to article VII of the Articles of Incorporation of the Association; To the best of my knowledge and belief the base roll contains only the names of those persons who have met the requirements as cited above.

Dated: November 29, 1983.

Samuel L. Hilliard,
Coordinator, Fort McDowell Office.

December 1, 1983.

Through: Coordinator, Fort McDowell Office
Mr. David Ramirez

Chairman, Pascua Yaqui Basic Tribal Council
Dear Mr. Ramirez: On October 8, 1983, the Pascua Yaqui Tribal Council enacted Tribal Resolution No. C-40-83 accepting the Pascua Yaqui Tribal Membership Roll of September 18, 1980. Resolution No. C-40-83 provides that the roll is being accepted on the condition that it be corrected to include nineteen individuals who were inadvertently omitted from the roll and, also, that nonmembers still appearing on the base roll be removed from the roll prior to Secretarial

approval.

Our Tribal Operations enrollment staff have taken action to comply with your request. They have deleted from the roll those individuals whom your enrollment staff have identified as nonmembers and included the nineteen tribal members who were inadvertently left off the roll.

As of November 23, 1983, an updated roll has been received. This updated roll now contains the names of the nineteen individuals as listed on the "to be added" list and those nonmembers listed on the deletion list (attached) have been deleted from the roll.

The Coordinator, Fort McDowell Office, has reviewed the November 23, 1983 updated roll, and on November 29, 1983, has certified the roll to be correct.

In our review of the updated roll, we note that there are individuals on the roll whose membership was approved as late as 1982. The Pascua Yaqui Enrollment Director in her October 6 letter, has explained that these applications were timely filed but due to the large volume of applications received during the closing date (September 18, 1980), some of these applications were not approved by Council until 1982.

Based on our review, we find the September 18, 1980 Pascua Yaqui Basic Tribal Membership Roll to be in compliance with Pub. L. 95-375. Therefore, in accordance with Pub. L. 95-375, Section 2, and pursuant to authority delegated to me under BIAM 10.3, I hereby approve the September 18, 1980 Pascua Yaqui Basic Tribal Membership Roll.

Sincerely,

Walter R. Mills,
Assistant Area Director.
