The Cascades Region serves people facing emergencies every day, and embracing the diversity of our staff, volunteers, and people we serve is vital to this work. Powered by more than 2,500 dedicated volunteers and generous donors like you, in 2022 we:

Provided more than **638 overnight emergency stays** to households affected by more than **773 disasters**, including wildfires and home fires.

Delivered more than **187,595 units of blood** from more than **7,706 blood drives** to **60+** area hospitals and cancer treatment centers.

Trained more than **40,000 people** in First Aid, CPR & AED, water safety, babysitting and other lifesaving skills.

Provided services to military members, veterans and their families **9 times a day**.

As a part of the **largest humanitarian organization** in the world, we also help provide relief and save lives across the country and around the world.

Thank you for your generous support, which makes our mission—alleviating human suffering in the face of emergencies—possible.
