WHEREAS, CITY desires to provide facilities to its citizens, guests, non-commercial local societies, clubs and organizations engaged in civic, social, educational, cultural, recreational or philanthropic activities; and

WHEREAS, PERMITTEE is such an organization and, in the promotion and sponsorship of such activities, generates revenues from voluntary contributions, special events, membership dues and fund-raising projects.

NOW, THEREFORE, based on the foregoing recitals, which are incorporated into this Permit by this reference, CITY grants PERMITTEE the non-exclusive use of Premises as follows:

1. **Definitions.** As used in this Permit, the following terms are defined as follows:
 - 1.1 **"CITY Contact"** means CITY's Parks and Recreation Department District Manager or designee. For purposes of this Permit, CITY Contact is currently Kristi Fenick, who can be contacted at KFenick@sanidiego.gov or (619) 533-6333.

This Permit does not guarantee that the Premises will be available at the date and time requested by PERMITTEE. CITY reserves the right to

enter the Premises at all times and to inspect and maintain the Premises as CITY deems necessary.

3. Term. The term will be for a period of three years beginning on the Effective Date ("Term"). City may, in its sole discretion, extend the Term for two additional one year periods, but at no time will an extension exceed a period of five years from the Effective Date.
4. CITY's Consent, Discretion. 5. Unauthorized Activities. PERMITTEE must not engage in any activity on CITY-owned property other than pre-approved aspects of the Permit Use. Any activity performed by PERMITTEE that was not previously approved or otherwise authorized by this Permit, must cease and CITY-owned property must be returned to its condition on the Effective Date at PERMITTEE's sole cost and expense subject to the satisfaction of CITY Contact.
6. Fee. The processing fee for this Permit is waived because the Permit Use provides a public benefit by serving free healthy meals to seniors facing hunger and food insecurities.
7. Nonprofit Status. PERMITTEE must provide the Director with documentary evidence, to CITY's satisfaction, of PERMITTEE's current Federal tax-exempt status prior to the Effective Date and by July 1st of each year during the Term. PERMITTEE will inform CITY immediately if PERMITTEE's Federal tax-exempt status changes or is cancelled.
8. Director's Approval. In all instances where the Director's prior written approval is required in this Permit, PERMITTEE will submit a written request to the Director prior to engaging in the activity. The Director may, in the Director's sole discretion, approve or deny PERMITTEE's request. 10. Governmental Approvals. By entering this Permit, neither CITY nor CITY's City Council is obligating itself to PERMITTEE or any governmental agent, board, commission, or agency regarding any other discretionary action relating to PERMITTEE's occupancy, use, development, maintenance, or restoration of the Premises. "Discretionary action" includes without limitation re-zonings, variances, environmental clearances, and all other required governmental approvals.
11. Revocable Permit. This Permit is not a lease. It is a license to use CITY-owned property, and may be revoked at will by CITY, in its sole discretion: (a) immediately upon written notice delivered to PERMITTEE if PERMITTEE breaches or defaults any of PERMITTEE's obligations under this Permit, or in case of an emergency; or (b) upon reasonable prior

written notice, but not less than 30 days, delivered to PERMITTEE if for CITY's convenience. CITY will not be obligated for any loss or burden, financial or otherwise, which may be incurred by PERMITTEE because of a revocation or termination of this Permit. PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur because of CITY's revocation or termination of this Permit.

12. No Holdover. If PERMITTEE continues to use the Premises after the expiration or revocation of this Permit, such use will neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Premises. If PERMITTEE continues to use the Premises after the expiration or revocation of this Permit, PERMITTEE will pay to CITY use fees established by CITY. CITY's acceptance of such use fees will neither constitute a renewal or extension of this Permit, nor give PERMITTEE any rights in or to the Premises.
13. Restore and Vacate. Prior to the expiration or revocation of this Permit, PERMITTEE will restore the Premises to its condition on the Effective Date, excepting therefrom all normal wear and tear and all authorized improvements, and upon such expiration or revocation immediately vacate the Premises.
14. Keys. PERMITTEE will not alter any locks or bolts or install any new or additional lock or bolt on any door, window, gate, building or structure on the Premises without prior written approval from the Director and, in any event, PERMITTEE will provide CITY with a key for any altered, new, or additional lock or bolt on the Premises. Upon the expiration or termination of this Permit, PERMITTEE will relinquish to CITY all keys to any locks or bolts on the Premises.
15. Superior Interests. This Permit is subject to all liens, encumbrances, covenants, conditions, restrictions, reservations, contracts, permits and licenses, easements, and rights-of-way pertaining to the Premises, whether of record. PERMITTEE will obtain all licenses, permits, and agreements from such third parties as may be or become necessary or reasonably advisable to allow its use of the Premises, relative to any such superior interest. If PERMITTEE's use of the Premises is or becomes inconsistent or incompatible with a preexisting, superior interest, PERMITTEE will take such actions and pay all costs and expenses necessary to remove such inconsistency or incompatibility to the satisfaction of the holder of the superior interest.
16. Maintenance, Installation, Improvements and Repairs of the Premises. CITY will at no time during the Term be required to perform or assume the cost of any maintenance, installations, improvements, or repairs to the Premises.

changes, and alteration made to the Premises by PERMITTEE will become the sole property of CITY.

16.3 Repairs. PERMITTEE is responsible, at PERMITTEE's sole cost and expense, for the repair or replacement of any damage caused by PERMITTEE or PERMITTEE's use, maintenance, installations, or improvements of the Premises, including items that CITY staff determined to be damaged. PERMITTEE must comply with the direction of CITY Contact or other competent CITY staff with respect to the method of any repairs or replacement arising under this Permit.

16.4 Inspection Schedule and Records. PERMITTEE must inspect the Premises daily for hazards and debris and correct or remove any hazard or debris immediately. PERMITTEE must keep records of the inspection for one year.

PERMITTEE will be responsible for the maintenance, cleanup, and securing of the Premises daily, as appropriate to ensure security and safety. PERMITTEE must comply with all applicable laws, rules, regulations, and directives of competent governmental authorities, at PERMITTEE's sole cost and expense. CITY has no obligation to provide oversight of the Permit Use or staffing or resources for the Permit Use on the Premises during the Term.

18. Structures. Under no circumstances will PERMITTEE place, store, or allow temporary or permanent structures of any kind on the Premises, including but not limited to cargo containers, trailers, and storage sheds, without the prior written approval of CITY and obtaining all permits required by competent governmental entities. It is PERMITTEE's responsibility, at its sole cost and expense, to identify and implement an effective combination of BMPs so as not to cause pollutant discharges to the storm drain system in violation of San Diego Storm Water Management and Discharge Control Ordinance (Chapter 4, Article 3, Division 3 of the San Diego Municipal Code, as amended from time to time).

21.1 Therefore, PERMITTEE will, at a minimum, implement and comply, as applicable, with the Minimum Industrial and Commercial BMPs adopted under the San Diego Municipal Code section 43.0307(a).

PERMITTEE must not wholly or permanently exclude the general public from the Premises or any activity or event thereon, other than those exclusions identified in this Permit, without prior written approval from the Director. PERMITTEE, with prior written approval of the Director, may develop reasonable and non-discriminatory restrictions for the use of facilities and participation in certain activities, provided that the restrictions are consistent with the rights of the general public and are designed to enable PERMITTEE to use the Premises for the purposes herein granted.

A financial report showing all revenue by source and all expenditures in connection with the Premises must be submitted to the Director on an annual basis by May 1st of each year. In the event of termination of this Permit, the financial report must be submitted within 30 days of the date of said termination. All budgets and financial reporting must be in a format acceptable to CITY. Although state law does not require a CAsp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CAsp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties must mutually agree on the arrangements for the time and manner of the CAsp inspection, the payment of the fee for the CAsp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises."

36. PERMITTEE'S Risk. 45.5 Hazardous Material Indemnity. In addition to any other indemnification set forth herein, PERMITTEE must protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE's occupancy, use, development, maintenance, or restoration of the Premises, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE's officers, employees, invitees, guests, agents or contractors, or the public; and (vii) all costs of any health assessments or health effect studies.

45.6 Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the Premises, PERMITTEE must immediately notify CITY and any appropriate regulatory or reporting agency pursuant to title 19 of the California Code of Regulations and any other applicable laws or regulations. PERMITTEE must deliver a written report thereof to CITY within three days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE must take all actions necessary to alleviate the danger. PERMITTEE must immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Premises.

45.7 Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance, or restoration of the Premises resulted in any Hazardous Substance being released on, from or beneath the Premises, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment must be obtained at PERMITTEE's sole cost and expense, and must establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's occupancy, use, development, maintenance, or restoration of the Premises, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by CITY, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Premises, then the environmental assessment must include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes and estimates of the cost of such remediation or removal. PERMITTEE must cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Premises and compliance with environmental laws and regulations are achieved, and PERMITTEE must pay all costs and expenses therefor.

46. Alcohol. No alcohol may be served at the Premises absent written permission obtained in advance from the Director, which permission may be reasonably withheld or delayed in the Director's sole discretion, and PERMITTEE has obtained a special event permit under Municipal Code section 56.54, as amended from time to time. PERMITTEE must follow and will bear full responsibility for compliance with all alcohol laws and permit conditions whenever PERMITTEE obtains permission to serve alcohol pursuant to this section. All state and local regulations regarding the consumption of alcohol must be followed at all times at the Premises, at PERMITTEE's sole risk and cost.
47. Exclusive Vending Machine. PERMITTEE acknowledges and understands that Compass Group USA, Inc., a Delaware corporation doing business as Canteen San Diego, is the exclusive "vending machine" provider for CITY and must be used for all machine vending at the Premises. PERMITTEE will not procure, use, or otherwise allow any vending services at the Premises other than CITY's designated exclusive provider. If at any time CITY changes its exclusivity pertaining to the provision of vending machines,

PERMITTEE will adhere with whomever has been designated the exclusive vendor as set forth by CITY.

48. Music. PERMITTEE must only perform music for which CITY has obtained a “non-dramatic” (as hereinafter defined) performance license from ASCAP, Broadcast Music, Inc., SESAC, or any other musical industry licensing entity (Licensing Entity). For a list of approved music and artists, PERMITTEE may contact the respective Licensing Entity. CITY will notify PERMITTEE in writing of any other approved Licensing Entity and any additional PERMITTEE requirements (hereinafter “Additional Requirements”) imposed upon PERMITTEE by CITY by virtue of its licensing agreement with any Licensing Entity.

48.1 For the purposes of this Permit, a “non-dramatic” performance includes live performances and recorded performances (CD, tapes, radio and television over loudspeakers). PERMITTEE must not perform music with any “dramatic” performances. For purposes of this Permit, “dramatic” performances will include, but not be limited to, the following: (a) performance of a “dramatico-musical work” (as hereinafter defined) in its entirety; (b) performance of one or more musical compositions from a “dramatico-musical work” (as hereinafter defined) accompanied by dialogue, pantomime, dance, stage action, or visual representation of the work from which the music is taken; (c) performance of one or more musical compositions as part of a story or plot, whether accompanied or unaccompanied by dialogue, pantomime, dance, stage action or visual presentation; and (d) performance of a concert version of a “dramatico-musical work” (as hereinafter defined). The term “dramatico-musical work” as used in this Permit, includes, but is not limited to, a musical, comedy, opera, play with music, revue or ballet.

48.2 PERMITTEE must not perform music from a coin-operated phonorecord (or CD) player commonly known as a “juke-box” or a computer on-line service or electronic bulletin board on the Premises.

48.3 It will be PERMITTEE’s sole responsibility to ensure it only performs music for which CITY has obtained a valid music license. Should PERMITTEE desire to perform music for which CITY does not have a license, PERMITTEE must obtain its own license from the appropriate Licensing Entity before PERMITTEE performs the desired music. PERMITTEE must ensure that (1) CITY is named in the license; (2) each CITY premises/location where PERMITTEE intends to perform the music is identified in the license; and (3) PERMITTEE has provided CITY with a fully executed copy of the license at least ten days prior to the performance of the music.

49. Waiver. The property constituting the Premises is publicly owned and held in trust for the benefit of CITY’s citizens. CITY’s failure to insist upon the strict performance of any of PERMITTEE’s obligations under this Permit, in one or more instance, will not be construed as a waiver of any such obligation, and the same will remain in full force and effect. CITY’s waiver of a default will not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY’s delay or failure to exercise a right or seek a remedy will not be deemed a waiver of that or any other right or remedy under this Permit, at law or in equity. The exercise of any particular right or the use of any particular remedy for any default will not waive the use of any other right or remedy for the same default or for another or later default. CITY’s acceptance of any fees will not be a waiver of any default preceding the fee payment. CITY’s failure to discover a default or take prompt action to require the cure of

any default will not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.

50. Cumulative Remedies. CITY's rights and remedies under this Permit are cumulative and will not limit or otherwise waive or deny any of CITY's rights or remedies at law or in equity.
51. Survival. Any obligation which accrues under this Permit prior to the expiration or termination of this Permit will survive such expiration or termination.
52. Exhibits. All exhibits referenced in this Permit are incorporated into this Permit by this reference. In the event of a conflict between this Permit and any exhibit to this Permit, the terms, conditions, and obligations of this Permit will control.
53. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons, and entities, and each of them, will be jointly and severally liable for each and every obligation of PERMITTEE under this Permit.
54. No Affiliation. Nothing contained in this Permit will be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.

NOTICE OF RIGHT TO APPEAL ENVIRONMENTAL DETERMINATION

CITY PLANNING DEPARTMENT

PROJECT NAME/NUMBER: Special Use Permit – Senior Lunch Services at Park De La Cruz Community Center
COMMUNITY PLAN AREA: Mid-City
COUNCIL DISTRICT: 9
LOCATION: 3901 Landis Street, San Diego, California 92105

PROJECT DESCRIPTION: Special Use Permit between the City of San Diego (City) and Serving Seniors, a non-profit organization (Permittee). Permittee will deliver health meals to the premises each weekday and serve healthy meals for lunch services and cleanup at the conclusion of each day's lunch service.

ENTITY CONSIDERING PROJECT APPROVAL: City of San Diego

ENVIRONMENTAL DETERMINATION: Categorically exempt from CEQA pursuant to State CEQA Guidelines Section 15301 (Existing Facilities) and 15323 (Normal Operations for Public Gatherings).

ENTITY MAKING ENVIRONMENTAL DETERMINATION: City of San Diego Mayor-Appointed Designee.

STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION:

The City of San Diego conducted an environmental review that determined the project would not have the potential for causing a significant effect on the environment pursuant to State CEQA Guidelines Section(s) 15301 (Existing Facilities) which consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use; and Section 15323 (Normal Operations of Facilities for Public Gatherings) which consists of the normal operations of existing facilities for public gatherings for which the facilities were designed, where there is a past history of the facility being used for the same or similar kind of purpose. The exceptions listed in CEQA Guidelines Section 15300.2 would not apply in that no cumulative impacts were identified; no significant effects on the environment were identified; the project is not adjacent to a scenic highway; no historical resources would be affected by the action; and as to the exception for hazardous materials, there was one location listed on EnviroStor within 1,000 feet of the premises. While this location is listed, the proposed project would not involve ground disturbance which would expose potential hazardous materials, and as such would not preclude the use of a CEQA exemption pursuant to Section 65962.5 of the Government Code.
