- **Goal 4:** Relationship Building
- **Goal 5:** SFPD Organization

Goal 1: Communication

Honest, transparent, and empathetic dialogue between the SFPD and the Taraval District Community.

Taraval Stations strategies are:

- Taraval Station provides the community with email addresses of the Commanding Officer and his Captain's Staff in the newsletter as well as Taraval Station's monthly community meetings and CPAB meetings. It is also provided on Taraval Station's website and SFPD website. Officers hand out business cards with their email/ contact information on contacts, traffic stops, and community meetings. Emails and messages are checked daily by all members.
- Work in conjunction with representatives from each minority group and provide translations when needed. I.e: language line, Certified Officer translator, and "Insight" translation app on our department issued cell phones.
- Taraval Station uses their website (www.Taraval.Org), Twitter and newsletter to communicate, invite, publicize, advertise all community events, and educate the community about our goals and policies, in addition to the SFPD social media websites.

 - SFSafe (Neighborhood watch groups)
 - District Attorneys Office
 - City Attorneys Office
 - SFPD Investigations Bureau (safety workshops)
- The Taraval Station Community Police Advisory Boards (CPAB) educates and advises the members of Taraval station on safety concerns, issues, and offers suggestions on how to improve them.

PACKAGE THEFT PREVENTION GUIDE

WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the "gift" option to ensure package arrives in a plain box especially when ordering from a high-end store.

NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

CRIME PREVENTION TIPS FOR BURGLARY

Never leave your home doors unlocked or open. Use dead bolt locks, they are a great deterrent to burglars.

- When you leave, close and lock your windows. Many burglars enter homes and apartments through open windows. Windows on or near fire escapes should remain locked.
- Don't "buzz" strangers in. Don't permit unexpected utility workers, deliveries, or strangers into your home. Ask them for their I.D. and phone number to their office. Call 911 if you are not sure of their identity. Call the police to report suspicious activity.
- Give your home or apartment an "occupied look." Lights or a radio on automatic times may help deter burglars. Bright motion activated lights are a good deterrent as well.
- Install security cameras or burglar alarms. Most are DIY with easy installation and are accessible with an app on your smart phone.
- If your park your car inside your garage, lock the car doors. Burglars will steal garage door openers and come back when you are not home.
- Trim shrubs and branches away from doors and windows for better visibility.

CRIME PREVENTION TIPS FOR ROBBERY

- Trust your instincts. If you sense trouble, get away as soon as possible.
- Show confidence. Walk at a steady pace, keep your head up and avoid carrying lots of packages...It can make you look defenseless.
- Don't look like an easy target. Robbers want someone who will provide the least resistance. If you look like you know where you are going, walk with your head up and eyes alert, you will most likely be left alone.
- Be observant.
- Remain alert and observe the people around you. Know who is walking behind and in front of you. Things to watch for include suspicious persons, people just loitering around or vehicles.
- Be aware of your surroundings. If you think you are being followed, go to a crowded area.
- Walk in well-lit areas. If possible, do not walk alone.
- Do not carry large amounts of money.
- Carry keys in your hand.

THE KEYS TO
PARKED CAR
SAFETY ARE IN
YOUR HANDS!

If you love it, don't leave it.

DON'T TEMPT A CAR THIEF!

**Take everything
with you.**
