Police Department

Taraval Station Community Engagement and Community Policing Strategy

Taraval Station supports the Department's Community Policing Vision and Values and is committed to creating a safe, healthy, and vibrant community. Our spirit is guided by a guardian mindset, and we recognize that our role as protectors is rooted in empathy, understanding, and mutual respect. At the heart of effective policing is a comprehensive community engagement strategy because Community Engagement leads to Community Policing which leads to effective Community Oriented Problem Solving.

Taraval Station works toward achieving this objective by collaborating (Initiative 1- Strategic Plan 1.0) with businesses, residents, schools, community organizations, youth-based organizations, and city partnerships within our district, to collaboratively identify and problem-solve local challenges and increase safety for residents, visitors, and businesses in the community.

Education and Relationship building (Goals 2 and 4 of the Community Policing Strategic Plan) are the main focus of our engagement events. Our events will focus on educating the community about the department, crime prevention, crime trends, and problem-solving. Our goal is to build trust and relationships through positive engagement outside of calls for service, furthering our effectiveness in community policing and community-oriented problem-solving.

What to Do During an Emergency

- Remain Calm and Dial 911 Immediately
 - WHEN to Dial 911**
 - If a crime is posing an immediate threat to you or others
 - If there is a medical emergency
 - If the incident is in progress
 - If the incident just occurred and you know where the suspect is
 - WHERE** the incident is happening and **WHAT** is occurring: "I'm at 1234 Market Street and I've just..."
 - Tell the operator if you are in immediate danger or a life-threatening situation
 - Be brief, clear and accurate
 - As long as it is safe, stay on the line and answer the operator's questions
 - Describe each suspect separately from head to toe (see **Other Methods of Reporting**)
 - To file a report online, visit sanfranciscopolice.org/Repro
 - For TTY users, pressing the space bar every few seconds
 - For non-emergency reporting, dial 311 or 415-553-0123
 - To call SFPD dispatch directly, dial 415-553-8090

When in doubt, call 911

PACKAGE THEFT PREVENTION GUIDE

- WON'T BE HOME?**
Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.
- CUSTOMIZE DELIVERIES**
Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.
- DELIVER TO SECURE LOCATIONS**
Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.
- USE MODERN ALTERNATIVES**
Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.
- REQUEST NONDESCRIPT PACKAGING**
When completing your online order, opt for packaging that conceals the item or select the "gift" option to ensure package arrives in a plain box especially when ordering from a high-end store.
- NETWORK WITH NEIGHBORS**
Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.
- PORCH AREA VISIBILITY**
Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

CRIME PREVENTION TIPS FOR BURGLARY

Never leave your home doors unlocked or open. Use dead bolt locks, they are a great deterrent to burglars.

- When you leave, close and lock your windows. Many burglars enter homes and apartments through open windows. Windows on or near fire escapes should remain locked.
- Don't "buzz" strangers in. Don't permit unexpected utility workers, deliveries, or strangers into your home. Ask them for their ID, and phone number to their office. Call 911 if you are not sure of their identity. Call the police to report suspicious activity.
- Give your home or apartment an "occupied look." Lights or a radio on automatic times may help deter burglars. Bright motion activated lights are a good deterrent as well.
- Install security cameras or burglar alarms. Most are DIY with easy installation and are accessible with an app on your smart phone.
- If your park your car inside your garage, lock the car doors. Burglars will steal garage door openers and come back when you are not home.
- Trim shrubs and branches away from doors and windows for better visibility.

CRIME PREVENTION TIPS FOR ROBBERY

Trust your instincts. If you sense trouble, get away as soon as possible. Show confidence. Walk at a steady pace, keep your head up and avoid carrying lots of packages...It can make you look defenseless.

- Don't look like an easy target. Robbers want someone who will provide the least resistance. If you look like you know where you are going, walk with your head up and eyes alert, you will most likely be left alone.
- Be observant.
- Remain alert and observe the people around you. Know who is walking behind and in front of you. Things to watch for include suspicious persons, people just loitering around or vehicles.
- Be aware of your surroundings. If you think you are being followed, go to a crowded area.
- Walk in well-lit areas. If possible, do not walk alone.
- Do not carry large amounts of money.
- Carry keys in your hand.

Park Smart!

THE KEYS TO
PARKED CAR
SAFETY ARE IN
YOUR HANDS!

If you love it, don't leave it.

DON'T TEMPT A CAR THIEF!

Car thieves only need seconds to break into your car. So Park Smart, and especially keep your trunk clear.

**Take everything
with you.**

These critiques help the officers plan which training courses to attend and/or host in-house at the station level. Constant review and improvement are critical in today's ever-changing environment for law enforcement.

Impact on Public Safety

- We hope that our expansion of ambassadors and continuation of officers in our heavily merchant areas will amount to a reduction in auto burglaries and theft calls.
 - We anticipate a reduced number of auto burglaries and retail theft incidents in our district next year.
- In our traffic enforcement operations, we anticipate a higher number of citations being issued next year and a reduced number of injury traffic collisions.
- We hope to work more with the District Supervisors to address crime, quality of life issues, and unhoused.
 - We hope next year with the help of the Supervisors and other city agencies, we can accomplish more than what we can do alone.
- Through our community events in various neighborhoods around the district, we hope to strengthen community ties and willingness to corroborate with the police department
 - We hope this will help in the more community members willing to report crimes to the police and wiliness to collaborate with us on crime issues.
