Release No. 88785 / April 30, 2020

**Report on Administrative Proceedings
For the Period October 1, 2019 through March 31, 2020**

Rule 900 of the Commission's Rules of Practice (17 CFR 201.900) requires the Commission's Secretary to issue a six-month status report on the Commission's administrative proceedings caseload.

The attached report identifies the number of matters pending before the administrative law judges and the Commission at the beginning of the six-month period; the number of matters instituted, filed, and disposed of during the period; and the number pending at the end of the period. For each category of decision, the report shows the median age of the matters at the time of decision, the median age at the close of briefing, and the number of matters decided within the guidelines in Rule 900 for the timely completion of adjudicatory proceedings or within the time specified in orders instituting proceedings for issuance of an initial decision, or any extension granted by the Commission. Finally, the report includes data from the previous two six-month periods.
