Personal Privacy

Mark,

I overnighted to you some documents on the case you, Marder and I discussed over the phone yesterday. In addition, I received some information today on the person who is potentially working on a newstory on this matter. His name is Michael Ocrant, Editor in Chief at MAR, which is apparently an online publication. Its address is 220 5th Avenue, 19th Fl., NY, NY; phone number is (212) 213-6202. MAR has at least one website at [www.marhedge.com](http://www.marhedge.com). Take care.

Silvestre
