Thank you so much for speaking. I think the session went really well and Steve you were a great complement to the team.

I was impressed by the amount of participation and interaction that took place. I can't believe it lasted 2 hours!

I have not gotten any feedback yet but I will definitely pass along all "constructive criticism" I receive.

On behalf of the SIA and personally, please know how much I appreciate your commitment to this effort. I think what we are doing is extremely beneficial to the industry and I am looking forward to next month's road show.

Do we still want San Francisco for February? Is everyone going to be able to make St. Louis on March 16th?

Attached is the tentative schedule. Please let me know what works best for you.

All the Best,

Shana
