Hi Eric,

You are confirmed for **Thursday June 15th at 9am at Bridgewater.** Please ask for Personal Privacy upon your arrival.

The link to the Metro North Train is [www.mta.nyc.ny.us/mnr/html/planning/schedules](http://www.mta.nyc.ny.us/mnr/html/planning/schedules). Take the Metro North New Haven Line train from Grand Central. To be on the safe side, you can take the 7:00am train which arrives in Westport, CT at 8:12am. When you get off the train, the taxi stand will be on the same side of the track that you get off.

Bridgewater's website is [www.bwater.com](http://www.bwater.com) – go to “contact us” for their directions and print it out to take in the taxi with you.

Here's the link for the Myers Briggs test. You will need to follow my instructions closely so that I can get Bridgewater all the information they're looking for. When you open the test you will see that there are 72 yes/no questions and then at the end the opportunity to get your final score. Since Bridgewater wants to see how you answered each question:

1. Save your answers to a word doc or a pdf file
  2. THEN hit score and save that as well as a separate document or attach it to the first
  3. Send both documents back to me and I'll send them on to the company.
- Call me if you have any questions.

Please call me on my cell phone tomorrow if you have any difficulties with this test, etc...
