

# SRP COOL ROOF REBATE

## APPLICATION INSTRUCTIONS, TERMS AND CONDITIONS

### A. INSTRUCTIONS FOR COMPLETING THE REBATE APPLICATION FORM

1. Complete the Customer Information section of the rebate application (Section A).
2. Have your contractor do the following (customer is responsible for the following requirements if DIY):
  - a. Complete the Contractor/Installer Information in Section B of the rebate application (nonapplicable if DIY).
  - b. Specify if releasing rebate (nonapplicable if DIY).
  - c. Complete the Cool Roof Information portion in Section C of the rebate application.
3. Mail a copy of the completed rebate application and a copy of the dated paid invoice (showing the installation date, installation address and square footage) to the following address:

**SRP Cool Roof Rebate**  
2702 N. Third St., Suite 200  
Phoenix, AZ 85004
4. Retain this page, a copy of your invoice and a copy of the completed rebate application for your records.
5. For more information about this program or assistance in completing your rebate application, call **(602) 266-7283**.

### B. IMPORTANT TERMS AND CONDITIONS

1. To qualify for a Cool Roof Rebate, the participant must:
  - a. Be a permanent SRP residential electric customer and reside in a single-family detached home, a single-family attached home or an apartment/condominium/mobile home with a roof pitch of less than or equal to 2:12.
  - b. Install a cool roof product that meets program requirements. The rebate application must be submitted within six months of the installation date. For current program requirements, rebate amounts and program effective dates, go to [savewithsrp.com](http://savewithsrp.com) or call **(602) 266-7283**.
  - c. With the assistance of your contractor (or yourself if DIY), submit a completed rebate application and a dated copy of the paid invoice (if installed by a licensed contractor) or purchase invoice (if installed by the customer). Please also supply a photo of the product label.
  - d. Abide by the rules and rebate levels in effect at the date of installation.
  - e. The SRP Cool Roof Rebate is not available for new construction.
  - f. Allow SRP or its agent to inspect the installed cool roof to verify compliance with all rebate program requirements.
  - g. Have the cool roof installed by a contractor licensed to install cool roofing by the Arizona Registrar of Contractors. The customer may also choose to install the cool roof material on their own. For more information, please call **(602) 266-7283**.
2. If installation is performed by a licensed contractor, to qualify for a Cool Roof Rebate, the installing contractor must complete the Contractor/Installer and Cool Roof Information sections of the rebate application.
3. Roofing products must be tested and labeled by the Cool Roof Rating Council (CRRC). A listing of rated products using the CRRC Rated Products Directory can be found at [coolroofs.org/directory/roof](http://coolroofs.org/directory/roof). Please check your product in this directory to locate the product ID number and confirm your product performance specifications.
4. To qualify as a cool roof, the roofing material used must meet a rated three-year Solar Reflectance Index (SRI) of 86 or more; **OR** an initial Solar Reflectance of .83 or more; **OR** a three-year Solar Reflectance of .70. The roof pitch on the home must be less than or equal to 2:12. The cool roof material must have a minimum seven-year warranty. Cool roof application over inhabitable areas, (e.g., patios and garages), does not qualify for the rebate.
5. Failure to provide any of the required information, including signatures, will result in the return of the rebate application.
6. SRP reserves the right to inspect the cool roof installation for compliance with the program requirements. If the cool roof is selected for an inspection, the rebate will be withheld pending the outcome of the inspection. If the cool roof is found to be in compliance, the rebate will be paid. If the cool roof is not in compliance, the customer and contractor will be notified. To qualify for the rebate, the customer is responsible for negotiating with the contractor to bring the cool roof into compliance. A re-inspection using SRP's authorized inspectors must be completed and submitted to SRP. The contractor is responsible for the expense of a re-inspection. SRP will process the application after receiving the re-inspection documentation.
7. Program procedures, requirements and rebate levels are subject to change or cancellation without notice.
8. One rebate check will be issued per approved application to the person listed as the customer of record on the SRP account.
9. SRP makes no representations and provides no warranty or guarantee with respect to the design, manufacture, construction, safety, performance or effectiveness of the cool roof, including any warranties of merchantability or fitness for a particular purpose. The contractor selected by the customer is solely responsible for the proper installation of the cool roof as well as the delivery and workmanship related to any equipment or services the customer procures. The customer is responsible for the selection and supervision of the contractor to ensure that the contractor complies with the requirements of the SRP Cool Roof Rebate. SRP assumes no responsibility for the quality or oversight of contractor services.
10. The Terms and Conditions set forth herein constitute a complete statement of the Terms and Conditions applicable to this promotion and supersede all prior representations or understandings, whether written or oral. SRP shall not be bound by or liable for any statement, representation, promise, inducement or understanding of any kind that is not set forth herein. SRP reserves the right to change or cancel this promotion or its Terms and Conditions at any time.
