REASON FOR OBJECTION

The reason for my objection is as follows (please number your objections to correspond to the boxes checked above; please attach supporting information and additional pages as necessary):

CATEGORY
NUMBER

- 3 Objection to DWR's Uses Found as there has been water used in the stated Uses Claimed since the inception of the Claim Date of 1971. There have been short random periods of non use at times of residential vacancy.
- 4 No water source and classifications was stated on Watershed File Report. It is my opinion that my classification should be GROUNDWATER:CATALOGUED, based upon your definition.
- 8 PWR Summary shows no pre-filings. There has been pre filings of uses. The first use date should reflect 10-1-71. Filing on 11-21-84 was for domestic, stock and irrigation uses. Other filings were dated 6-8-82 and 10-88 containing the same uses.
- 10 Explanation is erroneous as there is and has been use of water rights since the inception of 10-1-71. Property and water use has been utilized by owners and tenants as well as livestock and pets. Additionally, gardening and pasture has been a part of water use. Attached are a sampling of lease agreements as documentation of the above statement.
