Sweetwater Center moved to dismiss this contested case on the ground that the land investigated by Watershed File Report 113-12-DBC-022 is a part of the land owned by Sweetwater Center that is the subject of Watershed File Report 113-12-DBC-014. On October 9, 2020, the Arizona Department of Water Resources filed a Report and Maps. It demonstrated that the boundaries of Watershed File Report 113-12-DBC-022 are north of the land now owned

by Sweetwater Center, which is located in the SE quarter of Section 4 Township 13S Range 19E. It further established that there are no claimed water uses or potential water rights within the boundaries of Watershed File Report 113-12-DBC-022. Accordingly,

**IT IS ORDERED** granting the motion filed by Sweetwater Center. Contested case W1-11-2712 is dismissed and no further actions will be taken with respect to Watershed File Report 113-12-DBC-022.
