Discussion is held regarding the status of the case.

Counsel for the objectors address the Court. Discussion is held thereon.

Counsel for ADWR states that he will file a subflow zone report outlining the process moving forward, including the timeline, the steps to be taken, the area to be included, and the amount of time needed to complete the process.

Based on the foregoing,

IT IS ORDERED that said report shall be filed no later than 30 days from this date.

THE COURT STATES that all objectors will need to evaluate their objections and be prepared to present their positions no later than January 31, 2023.

2:12 p.m.

LATER:

IT IS ORDERED that Lakeside Irrigation District shall file a list of its shareholders by October 17, 2022, that includes the names of its shareholders, their mailing addresses, and the tax parcel numbers for the land receiving water for irrigation from the Lakeside Irrigation District.

IT IS ORDERED that Arizona Department of Water Resources shall file a Report by November 7, 2022, that contains the information necessary to issue a request for a technical report about the subflow zone in the Silver Creek Watershed. The Report shall include the following information:

1. The scope of the study, which identifies the streams that will be included in the Report.
2. The scope of the work for which ADWR will contract other entities to perform. The report shall include the name of the entity and the expected amount of time that will be required to perform the contracted work.
3. A timetable that describes the steps necessary to delineate the lateral boundaries of the subflow zone and the expected dates by which each step shall be completed.

IT IS FURTHER ORDERED that if parties desire to file a written response to the ADWR Report, the written response shall be filed by November 21, 2022. A Status

Conference shall be held on **December 1, 2022, at 1:30 p.m.** The purpose of the Status Conference shall be to discuss the Report filed by ADWR and to begin the process necessary to determine the boundaries of the subflow zone in Silver Creek Watershed.
