**LET THE RECORD FURTHER REFLECT** that this matter is held at the same time of W1-11-0384 In Re: Ruth Ryan as the issues and parties in the case are the same.

The Court inquires how the landowners would like to proceed.

Ms. Filloon addresses the Court. She indicates that if she paid the \$1,000.00 application fee she is still not guaranteed resolution in a timely manner. She reflects that she would not like to proceed with this matter and requests a dismissal.

Mr. Robert Manteufel addresses the Court. He states that he and his Father, Mr. Thomas Manteufel also do not wish to move forward and request a dismissal.

The Court reminds the parties that if the cases are dismissed today, the parties will not be able to re-open the case at a later date. The landowners affirm that they would still like to move forward with the dismissals.

Therefore,

**IT IS ORDERED** dismissing case W1-11-0381.

10:08 a.m. Matter concludes.

**LATER:**

The parties have confirmed that they no longer wish to pursue any potential water rights connected to Statements of Claimant Nos. 39-2997 and 39-175991. Therefore,

**IT IS ORDERED** that no more action will be taken with respect to Watershed File Report No 111-20-CA-003.

**IT IS FURTHER ORDERED** dismissing Statements of Claimant Nos. 39-2997 and 39-175991.
