Discussion is held regarding the status of the claim. Mr. Brown states that the Watershed File Report reflects three springs, but his client says there are five. Mr. Brown anticipates sending out proposed abstracts in a couple of months and requests a status conference to be set in January 2022.

Based on the foregoing,

IT IS ORDERED setting a Status Conference on **<u>January 10, 2022 at 1:50 p.m.</u>** before Special Water Master Harris. If stipulated abstracts are received prior to this date, the Court will vacate the Status Conference.
