#### **Barbering Advisory Board**

## Enforcement Division Staff Report February 10, 2020

#### **Case Highlights**

• **Brandon Rollerson** - (BAR20180002908; 452-19-1476.BAR) - Commission Order issued October 1, 2019

In November 2017, Mr. Rollerson submitted his barber's license renewal application to the Department. This application included a question that asked if Respondent had been convicted of any felonies or misdemeanors since his last renewal, to which Mr. Rollerson answered "no." This was not accurate, because in May 2016, Mr. Rollerson was convicted of the Class A misdemeanor offense of Attempt to Commit Possession of Marijuana More Than 4 Ounces. In October 2016, Mr. Rollerson received two convictions: one for the Class B misdemeanor offense of Unlawfully Carrying a Weapon, and the other for the Class A misdemeanor offense of Possession of Marijuana. These new offenses were in addition to Mr. Rollerson's February 2010 conviction for the Class B misdemeanor of Possession of Marijuana and May 1996 conviction for the Class A misdemeanor offense of Resisting Arrest. Mr. Rollerson's convictions for possession of marijuana involved individually wrapped packages of marijuana and other circumstances that were consistent with the illegal delivery of a controlled substance.

Based on the convictions, the Department moved to revoke Mr. Rollerson's license, and Mr. Rollerson requested a hearing on the proposed revocation at the State Office of Administrative Hearings. After a contested case, the Administrative Law Judge found for the Department and issued a proposal recommending Mr. Rollerson's license be revoked, as he had failed to show he possessed the fitness, honesty, integrity, and trustworthiness to be licensed as a barber.

This proposal was subsequently adopted by the Commission, and on October 1, 2019, Respondent's license was revoked.

On or about December 12, 2019, the Executive Director signed an Agreed Order that finalized the settlement agreement between the Department and TDK Barbershop. As part of the negotiated settlement, owner David Perez accepted liability for employing three unlicensed barbers. As prior violations increase the penalties sought in subsequent actions, to resolve the violations alleged in this current case, Mr. Perez was assessed an administrative penalty of \$5,250. Mr. Perez is still making payments towards compliance with this order.

The violations alleged in this case are Mr. Perez's third violation of the Department's law and rules. Specifically, on February 3, 2017, In the Matter of David Perez d/b/a TDK, case number BAR20160008957, the Executive Director signed a Default Order for a \$4,500 penalty against Mr. Perez for failing to cooperate with an inspection and employing two unlicensed barbers.
