HB 3212: INFORMATION RELATING TO STREET RACING STATEMENT OF ASSURANCE

Effective September 1, 2021, [House Bill 3212](#), from the 87th Legislative Session requires that driver education and driving safety curriculum include "Information Relating to Street Racing". This information shall include: The requirements of [Section 545.420, Transportation Code](#), concerning the dangers and consequences of street racing to be included in the curriculum of each driver education course and driving safety course.

No later than September 1, 2022, each driver education school, parent taught course provider, and driving safety course provider is required to:

1. Update their curriculum; and
2. Complete and submit this Statement of Assurance form.

Bill Placement Information: When updating your curriculum, H.B. 3212 must be included in the topics and modules for the courses listed below as found in the Program Guides.

- Driver Education: Module Five (POI-DE)
- Adult 6-hour: Chapter Four, Topic Eight (POI-Adult 6-Hour)
- 6-Hour Driving Safety: Chapter Four, Topic Eight (COI-DS)
- Specialized Driving Safety: Chapter Four, Topic Four (COI-SDS)

Please complete the information below and return this page to the Education and Examination division via web form at <https://ga.tdlr.texas.gov:1443/form/education>.

I certify that I have updated my curriculum to include Information Relating Street Racing as required by H.B. 3212, 87th Regular Session, and by the Texas Department of Licensing and Regulation.
