TWIC Reader Vendor Test
Card List - Version 3.0
5/25/2021

Card ID	Type	Error
PR-01	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #1
PR-02	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #2
PR-03	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #3
PR-04	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #4
PR-05	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #5
PR-06	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #6
PR-07	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #7
PR-10	Normal	Standard card, live AID, FASC-N consistent in all card objects, test FASC-N #8, FASC-N on CCL
TC-01	Normal	Standard card, live AID, FASC-N consistent in all card objects
TC-02	Error	Modified card, live AID, different FASC-N in all card objects
TC-03	Error	Modified card, live AID, expired card in unsigned CHUID
TC-04	Error	Modified card, live AID, CHUID signature invalid
TC-05	Error	Modified card, live AID, un-trusted CHUID signer certificate
TC-06	Error	Modified card, live AID, expired card in signed CHUID
TC-07	Error	Modified card, live AID, security object signature invalid
TC-09	Error	Modified card, live AID, card auth public/private key mismatched
TC-10	Error	Modified card, live AID, card auth cert signed by un-trusted CA
TC-11	Error	Modified card, live AID, expired card auth cert
TC-12	Error	Modified card, live AID, template encrypted with incorrect TPK
TC-13	Error	Modified card, live AID, Prints container has invalid signature
TC-14	Error	Missing OID for Content signer cert in Signed CHUID
TC-15	Error	Modified card, live AID, only template and CHUID FASC-N match
TC-16	Error	Modified card, live AID, only template and UCHUID FASC-N match
TC-17	Error	Modified card, live AID, only template and card auth FASC-N match
TC-18	Error	Modified card, live AID, template contains no fingers, missing BDB
TC-19	Error	Modified card, live AID, template contains no fingers, zero view BDB
TC-20	Error	Modified card, live AID, template contains single finger
TC-21	Error	Standard card, live AID, FASC-N on test CCL
TC-23	Error	Modified card, live AID, Card Authentication Certficate Revoked
TC-24	Error	Standard Card, live AID, card auth cert FASC-N on CCL, different than TWIC FASC-N

TC-25	Error	Card Authentication certificate has incorrectly computed signature with valid chain of CA issuer names and valid CA certificates
TC-26	Error	TWIC CHUID Content Signing certificate has incorrectly computed signature with valid chain of CA issuer names and valid CA certificates
TC-27	Error	Card Authentication certificate is signed by a subordinate CA with an incorrectly computed certificate signature with valid root CA issuer name and valid root CA certificate
TC-28	Error	TWIC CHUID content signing certificate is signed by a subordinate CA with an incorrectly computed certificate signature with valid root CA issuer name and valid root CA certificate
TC-38	Normal	Standard card, live AID, FASC-N consistent in all card objects, V8 Card Stock
