15 The Commission has assessed whether the reasons for adopting or readopting the rules
16 continue to exist. The Commission finds that the rules in Chapter 809 are needed, reflect
17 current legal and policy considerations, and reflect current procedures of the
18 Commission. The reasons for initially adopting the rules continue to exist. The

15 The Commission has assessed whether the reasons for adopting or readopting the rules
16 continue to exist. The Commission finds that the rules in Chapter 845 are needed, reflect
17 current legal and policy considerations, and reflect current procedures of the
18 Commission. The Commission notes that the Dependent Care grants have not been
19 funded since 2001; however, the rules are retained as the statute that permissively
20 authorizes these grants remains in effect. The Commission, therefore, readopts Chapter
21 845, Texas Work & Family Clearinghouse.
