	FY 2021 - Distribution of Additional Funding		
Category / Project	Activity / Description	State(s)	Amount (\$000)
Rural Water	Control in addition of the West Took and Block distribution of the line add and control in the	North Dakota	22.200
Pick-Sloan Missouri Basin Program - Garrison Fort Peck Reservation/Dry Prairie Rural Water System	Construction and improvements to Water Treatment Plants, distribution networks, water lines and replacement pipeline Construction on Fort Peck West Phases 3-4, Outlook branch lines, Scobey/Flaxville branches, and work on Opheim branches	Montana	32,208 28,300
Rocky Boy's/North Central Montana Rural Water System	Construction on pipeline Segments #5 and 6, Tiber CWD Segment E1-B, Loma CWD Segment E4, and Big Sandy Segment E1-B	Montana	22,000
Lewis and Clark Rural Water System	Construction on treated water pipeline Segment 12B, 12C, and IA-3	South Dakota	17,400
Eastern New Mexico Rural Water Supply Project	Construction on the pipeline from Canon AFB to Portales	New Mexico	14,800
		Rural Water Total:	114,708
Water Conservation and Delivery			
CVP, Delta Division	B.F. Sisk Dam and Reservoir Expansion Project	California	300
CVP, Friant Division	Evaluate Upper and Lower Reach canal subsidence options	California	1,000
CVP, Miscellaneous Projects CVP, Miscellaneous Projects	Long-term water transfers program; water efficiency grants, agricultural technical assistance, giant gartersnake examination Refuge water acquisition and conveyance	California California	2,500 3,000
CVP, Replacements, Additions, and Extraordinary Maint.	Fire safety modernizations and Gianelli butterfly valve rewinds / refurbishments	California	6,430
Klamath Project	Support for reconsultation; water management activities	Oregon	10,000
Fryingpan-Arkansas Project, Arkansas Valley Conduit	Continues planning, design, preconstruction and construction	Colorado	3,000
Columbia Basin (Ephrata and Grand Coulee)	Leavenworth Hatchery; Odessa Groundwater Replacement; Potholes Supplemental Feed Route; Pasco Groundwater Mgmt	Washington	6,172
Yakima River Basin Water Enhancement Project	Water efficiency/reliability improvements in partnership with state, tribe and irrigation districts	Washington	7,700
Columbia and Snake River Salmon Recovery Project	Columbia/Snake River Operational Analysis	Washington, Oregon, Idaho, Montana	500
Central Arizona Project	Gila River Indian Community - Pima-Maricopa Irrigation Project construction	Arizona	5,000
Middle Rio Grande	Continues Native Water Pilot Leasing Program, including water efficiency measures	New Mexico	2,500
Rio Grande Pueblos Irrigation Infrastructure	Continues reconstruction projects and implementation of efficiencies to irrigation infrastructure	New Mexico	500
North Platte Project Huntley Project	Fort Laramie Canal Tunnel 3 repairs, including cathodic protection / downstream and upstream lining Complete pump house replacement, recondition existing pumps, and other modernizations	Nebraska Montana	500 2,400
Pick Sloan Missouri Basin Program, Garrison Diversion Unit	Complete McClusky Canal slide repairs to restore canal capacity	North Dakota	3,700
Lower Rio Grande Water Conservation Project	Improve water supply reliability and drought resiliency through water conservation and infrastructure improvements	Texas	1,000
Wichita Project - Equus Beds	Funds construction activities to recharge the Equus Beds Aquifer	Kansas	1,000
WaterSMART - Drought Response Program	Drought resiliency projects include infrastructure improvements to provide added flexibility in times of drought	Multiple	10,500
WaterSMART - Basin Studies	Program supports projects to assess the impacts of hydrologic variability on water supplies and increase water reliability	Multiple	4,000
WaterSMART - Basin Studies Research and Development - Science and Technology	Applied science priorities Water resource forecasting; including snowpack measurement	Multiple Multiple	3,000 3,000
Safety Evaluations of Existing Dams	Investigate and ensure dam safety for water and power reliability	Multiple	4,800
Site Security Program	Ensure security of Nation's critical water and power infrastructure	Multiple	4,569
Land Resources Management	Western wildland fire prevention and response	Multiple	1,500
Native American Affairs Program	Tribal assistance activities	Multiple	1,000
Recreation, Fish and Wildlife Program Recreation, Fish and Wildlife Program Colored Birms	Supports Quagga-Zebra Action Plan implementation actions to prevent and combat the spread of invasive species Recreation improvements at various Reclamation facilities	Multiple Multiple	1,000 8,500
Colorado River Colorado River Basin Salinity Control, Title I	Funds investigation of currently unmeasured salinity on lower river	Arizona and California	1,000
Lower Colorado River Operations Program	Lower basin water efficiency activities and conservation efforts in partnership with non-federal water users	Arizona, California,	9,000
Central Arizona Project - AWSA	Water firming requirements to support tribal settlements in anticipation of drought years	Nevada Arizona	9,000
Salton Sea	Activities and projects associated with habitat improvement, dust suppression, water quality, and system development	California	2,500
Upper Colorado River Operations Program	Implement the Upper Basin Drought Contingency Plan	Colorado, Utah, New	500
