INSTRUCTIONS FOR AUTHORS

The West African Financial and Economic Review (WAFER) (ISSN:0263-0699) is a triple-blind peer-reviewed bi-annual journal published by the West African Institute for Financial and Economic Management (WAIFEM) in June and December.

WAFER welcomes the submission of academic and policy manuscripts/articles on Economics, Finance, and related areas (with a specific focus on ECOWAS countries' economic performances and integration issues). Both theoretical and empirical manuscripts are considered for review and subsequent publication if found satisfactory following the peer-review process. The text of the articles submitted should be:

- MS Word, Times New Roman,
- 12-point font size, and single spacing.
- Each article must have a maximum of 25 pages
- Author(s) should use standard UK English as well as APA citation and referencing style.

The Journal welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence (click the [link](#) for "A Guide For Authors"). Manuscripts submitted by the author(s) must be original and tested for plagiarism before submission for peer review with a 20 percent score maximum. At the time of submission, manuscripts must not be under consideration for publication by any other journal. There are no fees for manuscript review or acceptance/publication fees. For author(s) whose articles have been peer-reviewed and accepted for publication, WAIFEM will provide a token amount per article irrespective of the number of authors.

Please submit all manuscripts to the Editorial Office via the following email address:

wafer@waifem-cbp.org.
