

## MONTH IN REVIEW FOR NORTHERN ARIZONA FOR SEPTEMBER 2019

### . . . SEPTEMBER TEMPERATURE AND PRECIPITATION OVERVIEW . . .

September was much warmer and drier than normal north of Interstate 40. Across much of Yavapai and Gila counties as well as the White Mountains conditions were wetter than normal and temperatures were closer to normal. Tropical moisture from the south affected areas of Yavapai and Gila counties at times during September, while this moisture did not make it north of Interstate 40.
