RE: At Large Member of the Administrative Law Section Executive Committee

To Whom It May Concern:

I am writing to inquire about the position of At Large Member of the Administrative Law Section. I have been employed as a lead Administrative Law Judge on the SHS caseload, to include DCS, Licensing, DCYF, HCA, and PA cases, since 2021, and with OAH generally since June of 2014.

I have extensive experience with the SHS caseload at OAH. Additionally, prior to coming to OAH, I have worked as an Assistant Attorney General in Texas in the child support division. I would like to better serve my fellow WSBA members and community at large by acting as an At Large Member of the Administrative Law Section.

Sincerely,

Daryl Dump
