has not been found by a court to have committed fraud, actionable misrepresentation, breach of a duty of good faith and fair dealing, or bad faith conduct.

Please note that checking any of the above boxes does not result in an automatic denial of the transfer request, but provides an opportunity for further explanation.

For any of the above that you have not checked, attach an explanation describing the circumstances, resolution and current status. Descriptions of proceedings should include, to the extent applicable, case names, case numbers, courts, dates, parties, claims raised, and dispositions. The entire submission should not exceed 20 pages total. The Commission reserves the right, in its sole discretion, to request more information, and if extensive review is required, to charge a supplemental fee to recoup its costs.

Prior judicial findings against a party will be considered to evaluate the party's fitness as a potential project partner within the LIHTC program. The Commission will not penalize any party's mere exercise of legal rights, including the right to have LIHTC partnership disputes resolved through litigation.

I further agree that I will notify the Washington State Housing Finance Commission of any changes in the situation or circumstances of the entity identified above which alters any of the certifications contained herein.
