Comments:

Colorado Division of Fire Prevention and Control

Colorado Executive Fire Administrator Certification

Supplemental Application

The following matrix will assist the Division of Fire Prevention and Control, the Chief Executive Officer/Fire Chief, and the Colorado Executive Fire Administrator candidate to determine if the candidate meets all the requirements for certification.

The following is to be completed by the Executive Fire Administrator Candidate

I. Current Status in the Fire Service: (mark Yes or No only)

Chief Level Officer Rank (Past/Present)

To be considered a Chief Level Officer, the applicant must have served or be serving in that capacity. As per Division of Fire Prevention and Control guidelines, a Chief Officer is defined as follows:

- 1) Chief/CEO of the Department
- 2) Chief Officer or equivalent who are heads of major bureaus or divisions within a fire department/organization: e.g., suppression, prevention, training, etc.
- 3) Chief Officer or equivalent who command multi-company or multi-station operations on the emergency scene or who may command a greater alarm incident.
