

Greenville County Schools Food and Nutrition Services

Section: FANS Program Rule

Subject: Charged Meals Code: PP014

The purpose of the procedure **CHARGED MEALS** is to have guidelines for students who do not have funds to pay for meals.

The charge rule for students will be as follows:

High School – High school students may charge up to \$20 worth of reimbursable meals

Elementary and Middle Schools – Students will receive an alternate meal* when there are no funds to purchase a meal and they have an excess negative balance of \$20 or more. A list of students that are affected must be generated by FANS before 1:30 in elementary schools and 2:00pm in the middle schools the day before and given to the school the same day. The school must communicate with the child and where possible the child's parents/guardian prior to the meal that an alternate meal will be served.

Adults – **MEAL CHARGES ARE PROHIBITED** unless it involves a school function where prior arrangements have been agreed upon by FANS and school administration.

***An alternate meal for lunch will consist of deli sandwich, fresh fruit, and milk**

Elementary and Middle School children that approach the register with a regular meal but no funds will be allowed to proceed. No trays are to be taken from these students.
