

WFP Country Offices engaged in South-South cooperation

AREAS OF ENGAGEMENT

Most South-South exchanges took place in the area of **social protection and safety nets**, including school meals, with most of them facilitated through the *WFP Centre of Excellence against Hunger in Brazil* and *WFP Regional Bureaux*.

Other areas in which South-South cooperation has been facilitated and in which more initiatives are upcoming include:

- **market access;**
- **nutrition;**
- **disaster risk reduction;**
- **climate adaptation and early warning; and**
- **emergency preparedness and response.**
